## LAST WEEK'S HIGHLIGHTS TOP TEAMS STAY THERE

### AJAX thrash Old Xaverians

By GEORGE McTAGGART

The five top teams won their games in last Saturday's round and made it harder for those below them to win a place in the final four —although a lot can happen between now and August 21st.

The long awaited clash between unbeaten teams AJAX and Old Xaverians turned out to be rather a "fizzer", as AJAX overwhelmed Old Xav's and won by a big margin.

De La Salle started slowly against Coburg in the first game for the season at Elsternwick Park, but got into their stride in the second quarter and added nine goals. They went on to an easy win.

Ormond pressed St. Bernard's in the first half, but the 1975 premiers took charge after the interval and went on to win easily.

North Old Boys opened up a big lead over University Blacks in the first half, and although the Blacks later improved, their early leeway was too great and they went down by five goals.

Old Trinity beat Monash Blues by a similar margin and University Blues finished too strongly for Reservoir Old Boys.

Old Paradians' poor shooting for goal nearly cost them the game against Melbourne High, who ran them to two points, and Caulfield

Grammarians won comfortably from Collegians.

ANZ Bank knocked LaTrobe Blacks out of their top place and Monash Whites beat St. Pat's-Monivae.

The other clash between unbeaten teams in Junior Section 2, Caulfield Grammar and Thomastown, ended decisively in favour of Thomastown.

In a day of high scoring, 50 teams topped the century mark, and nine of them lost. All home teams in C Section and C Reserve Section, and nine of the 10 kicked 100 points or more.

John Sotheran, Old Brighton member and a member of the Umpire Committee, died suddenly last week. Our sympathy is extended to his relatives and to the Old Brighton club on their loss.

# UMPIRE'S CORNER

By Kevin McKay

## BOUNDARY UMPIRES

Boundary umpires form a most important part of the umpire's team, they cover more territory than field umpires, therefore they must be physically equipped for their task.

I am assuming that they all are in training and will always be up with the play.

Boundary umpires must always keep their eyes on the play and players, and the field and goal umpires.

They must keep out of the way of players when following the play they may "cut the line" by moving alongside the boundary line, but when up with the play they must keep "on the line".

The Ball is not out of bounds until it has completely crossed the line. If any portion of the ball is on the line it is still in play.

Do not be influenced by players or spectators. The position for the "throw-in" is on the boundary line, not 4 or 5 metres inside the line.

Balance yourself by placing both feet on the line, and take the ball in either your right or left hand and swing over the opposite shoulder toward the centre of the ground, allowing body swing.

This takes the strain off the stomach muscles, and helps conserve stamina. The ball must be thrown towards the centre of the ground, and from the boundary line.

Always aim for an even "throw-in" when near the goal posts do not "throw-in" too far as it may give an advantage to a team if the ball lands in front of the goals.

When inexperienced umpires in Junior competitions are throwing into a breeze, they tend to stand a metre or so inside the boundary line.

However this is wrong in practice and should not be done.

If the wind is behind you, show judgment with your throw so that you

do not leave the players "high and dry" if they are in position.

However, immediately you get the ball, throw it in.

Don't wait for the rucks to get into position.

That's their worry—yours is to put the ball into play.

When a player is kicking for goal, take up a position at the behind post in line with the flight of the ball. You then command a view to give an accurate decision.

If, when moving towards the goal, there is a doubt as to whether a behind has been scored or it is out of bounds, withhold your signal until the goal umpire has made a decision.

In short, have an understanding with your goal umpires and co-operate with each other.

After a goal has been scored get the ball and rush it to the centre, then quickly make for your position at the centre square.

After a behind has been scored run backwards along the boundary line until you reach the spot from where you will watch the ball being kicked-off; then follow the play from there.

If the field umpire fails to note the signal from the boundary umpire, his attention must immediately be called by the boundary umpire following him on to the playing field.

Once you start, do not weaken — go on with it.

In conclusion, to all our club boundary umpires who each week give their best — thank you for your efforts and keep up the good work.

## THANKS PETER!

On behalf of the Umpire's Association and myself I extend to Peter Fell our sincere thanks for his assistance to us whilst Elsternwick Park has been unavailable for our meetings.

Peter who does a tremendous amount of work for umpires, has given us the use of a room at the Park Royal Motor Inn, provided us with coffee etc. and then on Saturdays, accommodated our emergency umpires.

For many years he has also provided the "hot soup" after training.

## A QUICK RISE FOR IAN RICE

Collegian's captain, Ian Rice, who joined his club in 1973 after leaving school the previous year, has already made a name for himself in Amateur football ranks, although he has played little more than 50 games.

Ian was captain of the School side (Wesley) in 1972, winning the Best and Fairest award that season.

He was prominent with Collegians right from the start, being runner-up to Phil Pryor in the club Best and Fairest voting in 1973 and 1974.

Last year he won the award.

Ian, who is 22, 5-10 and weighs 11-9, plays in the centre or as a rover, and in the latter position, usually manages to kick a goal or two each game.

He played for Victoria against Tasmania at Elsternwick Park last season and hopes to be included in the Victorian team for next month's Carnival at Adelaide.

Ian played cricket at school but does not play competitively now, devoting part of the "recess" to private pre-season training.

Ian Rice

# PREVIEWING TODAY'S GAMES

## A SECTION

Only one game remains to complete the first round and then we start the whole confounded process over again. Form seems to be growing more reliable, at least from my point of view, as the teams sort themselves out.

De La Salle, a very even combination are showing veritable flashes of brilliance with nine goals in the second quarter last week. This was a particularly good effort and they will sorely test St. Bernard's. However, I must stick with last year's premiers.

University Blacks entertain their friendly rivals Coburg and should provide a close game. It is a hard one to pick but I'm going for Blacks because of their tighter back line set-up.

Monash Blues are having a lean trot and with the incentive of possibly moving into the four at stake, I do not think University Blues will let this one slip through their fingers.

North Old Boys are really firing for Shane Maguire right now, which tends to destroy the argument against playing coaches. They should remain at the head of the list by defeating the improving Reservoir Old Boys.

Ormond are at home to Old Trinity in another difficult game to pick. I'm sure Ormond will see this as a chance to move out of the danger zone. With Roger Wood showing form and Bruce Bourne kicking goals, the scales may tip in favour of the home side by a narrow margin and I'm giving Ormond a good chance of a much needed win.

SELECTIONS — St. Bernard's, University Blacks, University Blues, North Old Boys, Ormond. — ALF KEAM.

## B SECTION

Today is the last game of the 1st Round and nothing can happen to alter the pattern set up.

It is noteworthy that Marcellin and Collegians have both been defeated comfortably by stronger teams in Scotch and Caulfield, but Marcellin narrowly defeated Collegians.

Geelong have been defeated by all four, which puts them behind the 8-ball. All that remains now is to see whether Marcellin, Collegians and Geelong can rectify this brittleness to offer fair competition to the two leaders.

Collegians are no certainties against St. Kilda C.B.C. who are nearly as excited as the chaps who read the scores over 3LO, with their 3 consecutive wins. However, the only thing to beat Collegians this year has been physical strength and St. Kilda do not have that. Collegians to win but beware the wind.

Geelong, humiliated last week against Scotch will no doubt bounce back against bottom team Old Carey if for no other reason than to save Jim Fidge and Ray Wookey the embarrassment of facing up to this column next week.

Marcellin at home will be too much for Melb. High — too much height, speed, marking and dedication and with Jones in the goals again will win comfortably (Jones however is not the only Marcellin forward capable of kicking goals).

Old Scotch hit their straps last week and are not likely to give Old Paradians the satisfaction of winning the Yarra Park Stakes. Jordan is firing (although someone misfired last week with 26 behinds), but to get close it will call for a lot of all round endeavour.

Caulfield Gramm. are too big and strong for Ivanhoe and with Butcher kicking 7 goals last week, look classy, in fact provided Caulfield reach peak fitness by the Finals, this class could well result in a Premiership, but certainly a return to A Section.

I am fully aware I selected both Marcellin and Collegians to defeat Caulfield in successive weeks — NEVER AGAIN.

SELECTIONS — Collegians, Geelong, Marcellin O.C., Old Scotch, Caulfield Gramm. — JOHN BYRNE.

## C SECTION

Last week all the home sides came good, as selected. I would probably rock the boat if I pick all the away sides this week; but, that's what I'm going to do — all away sides to win.

The way Old Melbourne are pouring on goals and building up percentage, the goal umpires are coming off the ground more tired than the players.

I'd like to pick Power House Rick but I can't, the Navy Blues have too much power and will give them another win.

In the clash of the old School Ties — Old Haileybury will take the battle honours at the expense of Old Ivanhoe.

U.H.S.O.B. and Hampton Rovers will be a good game, but now the Rovers are in the four they will sneak in today and hold their position.

Parkside's 21 goals last week must give them confidence and although they could find themselves a little "up hill", I expect them to toss Kew.

Why did I leave this game till last? because I find it the hardest to pick.

Alphington are a danger at home and could upset my selections, however after Fawknor emulating O.M.'s big scoring feats last week, I think they'll go on for another win today.

SELECTIONS — Parkside, Fawknor, Old Melbourne, Hampton Rovers, Old Haileybury. — ALEX JOHNSON.

## D SECTION

Two of the top four beaten last week has livened up the battle for the finals as next week we commence the crucial second round of the home and away games.

AJAX certainly embarrassed my earlier prediction that Old Xav's were a good thing for the flag. In winning by 16 goals 6 behinds it is very hard to look beyond them particularly as my "dark horse", Assumption fell in a great big hole.

If AJAX did what they did to Old Xav's, I shudder to think what will happen to Brunswick today. Gross and Bialek are active forwards each week and Michael Ritterman, if he doesn't tire from getting kicks, will continue to sparkle AJAX.

Perhaps, after so many years, David Burston will proudly proclaim that his club has at last proved itself capable of

climbing up to the top sections. Well done AJAX — keep it up; there is still a long way to go. But you will still be unbeaten at 5 p.m. tonight

Now for the hard one to pick — Old Xaverians and Assumption. Those words of wisdom, Matt. Byrne, may have been premature? Elsternwick's accuracy certainly proved valuable in a two point swifter.

After what Old Xav's did to Elsternwick only two weeks ago I expect them to drag themselves out of the "horrors of AJAX" and return to the winning list at Como Park today.

The Xav's are a tall side, perhaps "top heavy" as the pacy mobile AJAX proved last week. But with Nankervis and Romanin likely to provide water-tight defence and new forward David Warming a danger in front of goal, I expect them to win and put Assumption in the "hot spot".

Elsternwick and Old Camberwell battle for fourth place, (Assumption's percentage will hold them there another week) and this is another poser to my Tipping record. Old Camberwell, with Buchanan among the goals and the Rimingtons among the best, will consolidate their rating but I expect spirited opposition from a rejuvenated Elsternwick.

The battle of the Bank's! State Bank will win well over disappointing National Bank although neither side has set the world on fire.

Walsh for the State is capable of kicking goals and don't be surprised if he ends up with a heap of them today.

Old Geelong also have a danger forward in Bradshaw while Old Brighton have Holmes and Priestley. Both teams kicked over 20 goals apiece when winning last week but I rate the Old Geelong performance more significant.

For this reason I lean towards Old Geelong, the more consistent side over the year, to keep their final four chances "alive" with a win.

**SELECTIONS** — AJAX, Old Geelong, Old Camberwell, State Sav. Bank, Old Xaverians. — JIM FIDGE.

To my "B" Section colleague John Byrne, in case he is too hard on Geelong this week in his enlightening banter. Geelong did have 11 players out and made 9 changes! However Laurie Aghan, quite rightly, says "No excuses".

Old Scotch have still to make the trip to Queens Park.

#### E SECTION

Only two consistent teams in E section, St. Kevin's and Commonwealth Bank. When three leading teams go down to lowly teams an ignorant tipster has no hope — however let us begin with a promise.

A.N.Z. Bank to beat A.M.P. Society even though A.M.P. have taken fourth place from a very disappointing St. Pats.

Heatherton at home should be too good for Monash Whites and must win to keep within reach of the four.

St. Kevin's have strolled up to the top of the ladder and have the spur to stay up, so should win against Old Mentonians.

The other consistent club, Common Bank should continue to fail, giving La Trobe Blacks another win.

St. Pat's at home have the chance to make amends for last week by defeating North Brunswick but it won't be by a big margin.

**SELECTIONS** — Heatherton, St. Kevin's, La Trobe Blacks, A.N.Z. Bank, St. Pat's-Monivae. — SYD WHITFIELD.

#### F SECTION

Poor old Syd Whitfield complains that A.N.Z. Bank only win to mark him when he selects the opposing team. F Section have one of those teams also — Footscray Tech.; every time I write them off as losers they get up and win, last week was no exception.

On the other hand Glenroy must think I'm as good as Lou Richards, most times I pick them to win they go down.

Its been a few years since West Brunswick have been in an undefeated position after 8 games in both seniors and reserves and this week will see them being undefeated for the first round with Footscray I.T. biting the dust (nobody could pick Footscray to win this one).

Bulleen-Templestowe will have too many brains (sorry that should be brawn) for La Trobe Reds.

Beverley Hills didn't go too well last week but they will be badly in need of a win this week and that's what will happen over confident Bulleen United.

Thornbury will have no problems in disposing of Uni. Reds.

I couldn't pick Glenroy this week (that may give them an edge at least) against St. Bede's and the Beda Boys will notch up 8 out of 9 for a good first round.

**SELECTIONS** — West Brunswick, Bulleen-Templestowe, Beverley Hills, Thornbury, St. Bede's. — KEITH FINDLAY.

#### JUNIOR SECTION 1

North Old Boys had a good 5-goal win over Monash last week and proved themselves to be the team to beat in this Section. Complacency would appear to be the only thing to beat them now and the Club best equipped to take advantage of this is Coburg, who also have the home ground advantage today. Nevertheless, my selection is North.

University Blues are now a game clear in second place but the way they overwhelmed Hampton Rovers last week could not be considered as a good preparation for today's hard game against Monash. Monash at home will be keen to win and will make amends for last week.

Ivanhoe had an easy victory last week and today meet the improving Power House. The home ground advantage will help Ivanhoe but Power House have been more consistent and are my selection.

Possibly the most even game of the day will be between University Blacks and Ormond. I am going for the Blacks because of their home ground advantage.

Hampton Rovers meet Old Scotch at home and while both sides are trying to avoid relegation Scotch appear to be stronger in all divisions and should win.

**SELECTIONS** — North Old Boys, Monash Uni., Power House, Uni. Blacks, Old Scotch. — PETER NATHAN.

#### JUNIOR SECTION 2

I go for Thomastown at home to win from St. Bernards. A highlight of this match should be the ruck clash between burly John Dri and St. Bernard's "Man Mountain" Paul Smith.

Geelong will prove hospitable to Caulfield Grammarians, who will return home with the four points.

An interesting match should be played at Kew where Alphington are the visitors. Alphington have the better record this season and are my selection.

## PREVIEWS CONTINUED

Reservoir Old Boys travel to Yarra Park to play Old Paradians. The Paradians have settled down well as the season has advanced.

An interesting fact for followers of Amateur Football is the presence of a new generation of Consids and McLaughlins, names which are synonymous with Old Paradians and success in the A.A.F.A.

West Brunswick journey to Albert Park to do battle against De La Salle. This promises to be a close game. My selection is West Brunswick whose strength and team spirit should stand them in good stead.

**SELECTIONS** — Thomastown, Caulfield Gramm., Alphington, Old Paradians, West Brunswick. — NORM NUGENT.

#### North FOR HAILEYBURY "IRON MAN"

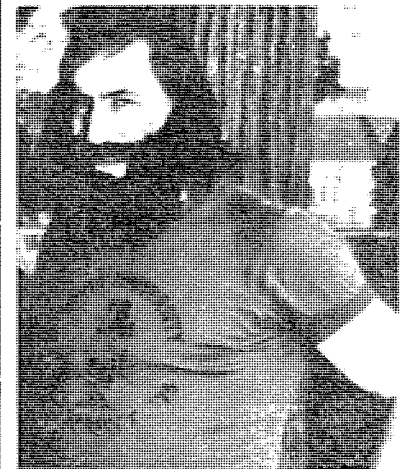

Old Haileybury's "iron man," Andrew Williams, plays his 150th game today. One reason for the title has been his ability to avoid injury, for he has missed very few games through injury. His longest sequence of games is 86. He first played for the Club in 1968, and has given sterling service since then, playing in the centre and at half-forward flank, wing and ruck-rover. The high point of his career was in 1970 when he won the club's Best and Fairest award. For a short while he was playing with the Reserves, but over the past couple of years he has resumed his place in the Firsts. In his 8½ years with the club, he has kicked 110 goals. Today will be one of the few times he will be able to run on to the field last, with the coach's approval. Well done, Andy. May there be many games to come.

## SPENCE WILLIAMS WINS AMATEUR SPORTS CLUB AWARD

Spence (Spanner) Williams, a veteran of more than 200 games with three V.A.F.A. clubs, is the 1976 Amateur Sports Club "Sportsman of the Year" for football.

Spence started his amateur football career with Old Paradians, then transferred to Coburg, and joined University Blues at the beginning of last season.

The 1975 award also went to a University Blues player, Barry Church, who has also given great service to amateur football.

## PETER RACKHAM — WRECKER OF MANY OPPOSITION ATTACKS

Peter Rackham, who has been with St. Bernard's since their Junior side commenced in 1969, has had a wealth of football experience before and since he joined this club.

Peter was a full-forward in the early part of his career but in recent years he has switched to defence which has earned him a place in Victorian teams in 1974 and 1975, and could gain him a berth in this year's Carnival team.

He started with Aberfeldie Under-15 side in the Essendon District Football League and in 1967 won selection in an Under-17 E.D.F.L. team, also winning the Best and Fairest award that year.

The following year Peter played with Essendon (V.F.L.) Under-19's as a full-forward but his League career had to give way to his studies.

In 1969, while at Essendon High School, he scored another Best and Fairest award — yes, Essendon High School — so you see Peter is really a "ring-in" at St. Bernard's.

His first experience with St. Bernard's was quite successful, as the club won the Junior Section 2 premiership.

The following year Peter played only nine games (with the Reserve team) in B Section as his studies had first call on his time.

St. Bernard's were runners-up that year in B Section and B Reserve Section, and in 1971 Peter won a place in the seniors in their first season in A Section and has been playing regularly ever since.

That year he was full-forward and a half-forward flanker but from 1972 to 1974 he played at full-back and then moved out to centre half-back last season.

Peter was in the Victorian team which played Tasmania at Hobart in 1974 (as full-back) and played at centre half-back against South Australia in 1975.

He has gained several club awards — most consistent (Juniors) in 1969, most improved in 1971 and '72 and then won

the coveted Best and Fairest in 1974.

Peter plays cricket with St. Bernard's in the V.J.C.A. competition. He is a medium-fast opening bowler and has won several trophies, including Club Championship award in 1974/75 season, when the club won the North A Section premiership. Last season he won the bowling average and was close to winning the Club Championship again.

He also plays competitive basketball with a team made up of St. Bernard's footballers and they also won the premiership last season.

Peter, a computer programmer, is 23, 6'2" tall and weighs 14 stone, and on his most recent form should be a power in Amateur football for a long time yet.

Now approaching the 150 games mark, Peter is vice-captain this season.

Peter Rackham

## LOOKING BACK

By Noel Rundle

### 5 Years Ago — 1971

Collegians opened their account when they held off a determined challenge by De La Salle to score by 10 points.

The only undefeated team after first round of home and home matches (9 games) was Reservoir Old Boys in "D" Section.

Old Paradians congratulated Graham Mansfield on his 150th game. Graham had played in 4 premiership teams and represented Victoria at the 1964 carnival.

Hampton Rovers' full-back John Dean had also reached 150 games after great service with the club, starting in the Juniors.

### 10 Years Ago — 1966

M.H.S.O.B. ("A" Section) suffered their first defeat for the year when they went down to Old Scotch by 10 points in a close fought game.

M.H.S. were still on top by 8 points to Collegians while Old Scotch, level on 20 points with Caulfield Grammarians, were fifth on percentage.

Pest for Old Scotch were Simpson, I. McLean, I. Wilson and for M.H.S. J. Nelson, Bowater, Featherby.

With a great second half, Hampton Rovers, 13.14 (92) almost toppled "C" Section leaders St. Bernard's, who owed their victory to their accurate kicking, 15.6 (96).

J. Wilson, L. Smith and MacKenzie were Hampton's best, while G. Amott, Hanneberry and Reidy contributed to St. B's early ascendancy.

Geelong farewelled Dr. John McPhee, president for the last 12 years, who was leaving for an overseas appointment. John had been a player, and also senior and under 15 coach. His successor was Milton Poulston, a club stalwart of many years.

### 25 Years Ago — 1951

Old Melburians inflicted Commonwealth Banks' first defeat when in a tight game they finished slightly better. Mal Hastie (ruck), Bryce Thomas (jet propelled on the wing) and Trevor Downs (back pocket) were stars for O.M's.

In another close game, Hampton Rovers (3rd) went down to University Blues (2nd) by 3 points, the final scores being 12.21 (93) to 12.18 (90).

Mick Eggleston was prominent all day with beautiful football while Rick Morrison was tireless and saved the game three or four times in the last quarter.

It was a great fight-back by the Blues, who trailed by 20 points at half-time.

Sam Birtles played a great game for Rovers with 6 goals, while John Morgan, Merv Davidson and Jim McQueen were also prominent.

### PREMIERSHIP LISTS

Premiership lists appearing in this week's issue were compiled from scores phoned to the Herald office. Any adjustments necessary because of incorrect scores being phoned will be made next week.

Scores in the Fixtures, Results column also have not been checked with the official scores.

Some corrections to team lists sent in by clubs may have been held over till next week because of the holiday last Monday.

Congratulations go to Mark Kay, of St. Kilda CBOC, on his 50th game for the club. Winner of the most improved player award last year, Mark's main attribute has been his marking. Nowadays he has included good handball and improved kicking into his game. Well done, Mark, and keep up the development.

### 100 GAMES TO ST. BEDE'S BACKMAN

All at St. Bede's congratulate John Bradbury on playing his 100th game today. John first played with the club in 1968, and during his career has played in most key positions. He has probably played his best football in defence, where the opposition have often been demoralised by his strength and determination. Although he's slowing up a bit these days, his kicking and marking are still a treat to watch. John was captain of the first eighteen in 1970 and this season was elected vice-captain. He has always been a great worker for the club, and has been a committee-man on four occasions. So once again, congratulations, Jack, on reaching your "ton," and we all hope to see you playing for many more seasons.

Congratulations to D Grade tipster Jim Fidge on his high percentage of winning tips. He misses out, however, when he claims AJAX are a one-man team in captain Michael Ritterman. Although Michael kept up his average of over 30 kicks against Old Xaverians last week, it must be pointed out that eight players had more than 25 kicks in the AJAX team, and there were 12 goal-kickers in AJAX'S 102-point win.

All at Parkside would like to congratulate John "Joey" Bastow on playing his 50th game today. John started with the Juniors in 1974, finishing second best and fairest in the competition. He is now a regular senior player who is yet to show his full potential. John is proving a headache for all opposition sides with his strong marking and ground play. He has a wonderful future with our club in the years to come. Well done, John, and make your next 50 as good as your first 50.

#### A.M.P. MILESTONES

This week we see Dave "Jerka" Jenkins play his 150th game for the A.M.P. Society after a long and loyal playing career. Respected by opponents for his fair play, Dave always creates enormous spectator interest whenever he is in the thick of things.

Tony "Teech" Carr celebrated his 50th game with the club at last and is putting in a big year. The club wishes both players the best of luck for the future.

All at Parkside would like to congratulate Jim "Mumsey" Byrne on playing his 200th game today. Jim started with the club in 1963 and is the only player at Parkside to play in two winning Seniors Grand Finals, 1963 and 1972. Jim's career includes the Seniors' Best and Fairest 1968. "Mother," another nickname Jim carries, is a real colorful Amateur player who continues to amaze his opposition with his long baggy shorts on his "muscle-bound" body.

For many years Jim has struck terror into opposing sides with his long, raking drop kicks, a feature of his play. "Mumsey" should be in the twilight of his career, but "she" isn't — in fact, he should be a regular Senior player after he returns from his overseas trip shortly. Jim, who has been a committeeman for many years, is a fine asset to our club and a wonderful example of what amateur football is all about. Jim, may you play many more games for Parkside and make today another great milestone for you and our club. Well done, Jimmy.

### PERMITS CLOSE SOON

Applications for permits for season 1976 will close with the Records Secretary of the V.A.F.A. Mr. Bruce De Lacy, 67 Charman Road, Mentone, 3194 on 1st July.

The only application considered after that date will be that of a player affiliated with a club in the amateur body of South Australia, Western Australia or Tasmania, who is transferred to Victoria in his employment.

A player who has played with a club in the V.A.F.A. this season, and has subsequently played with another amateur club, must stand down for two matches before being eligible to play for his original club again or with any other V.A.F.A. club.

In a case such as this, the date on which he last played with the other club must be shown in his permit application.

Re-registration of a player whose permit is still in force, that is, a player who has not played with any other club since he last played with the club with which

he is seeking re-registration may be made at any time up to the last home and home match.

While on the subject of Permits it may be as well to draw the attention of Club Secretaries (and any other authorised club official who may be involved in signing up a player) to the fact that it has been brought to our notice that a number of minor Leagues are now making payments to players.

It is therefore absolutely essential that every new player or applicant for a Permit be thoroughly questioned as to his Amateur status, and as to whether he has received payment of any kind, or any trophies or presents etc.

If you are in any doubt whatsoever, contact the Chairman of the Permit Committee, Mr. F. H. Coldrey (Phone 92-4797).

Remember the club will suffer loss of players and incur a fine, if you play a player who is subsequently found to be ineligible.

Michael joined AJAX as a 15-year-old, went to MHSOB and then on to Melbourne VFL, where he played two seasons in the Reserves. After joining Prahran in the VFA, "Ritter" returned to AJAX in 1974 and has been one of the reasons for our success over the past few seasons. As AJAX'S best ever footballer, all at the club have nothing but admiration for a truly champion sportsman. Congratulations, Michael.
