LAST WEEK'S HIGHLIGHTS

ORMOND'S FIRST TERM (11 GOALS) KNOCKS BLUES OLD HAILEY'S FIRST DEFEAT — DOWN TO ROVERS

By GEORGE McTAGGART

University Blues lost their chance to gain a firm grip on a place in the final four when they failed badly against Ormond in last week's game at Elsternwick Park.

Ormond piled on 11 goals in the first quarter and held the Blues to only two goals in the second term to be nearly 10 goals in front at the interval.

The Blues did a lot better in the second half, and kicked eight goals in the last term, but it's hard to imagine that Ormond were flat out at that stage — they led by almost 14 goals at the last change and still won by seven.

Old Haileyburians suffered their first defeat when they went down by two goals to Hampton Rovers in an exciting last quarter.

De La Salle played only spasmodically against University Blacks, whose strong finish nearly brought them victory, but "De La" held on to win by 8 points.

St. Kilda CBC moved up another peg, at the expense of Geelong, who were beaten by 15 points, and leaders, Caulfield Grammarians just scrambled home by a goal from bottom team Melbourne High.

Collegians thrashed Old Paradians by just under 10 goals, to

knock Parade out of the four.

AJAX had a close call, beating State Bank by only 8 points and Old Xaverians beat Old Camberwell by 4 goals, while Old Geelong scored by more than 5 goals from Elsternwick.

Old Mentionians beat Heatherton by 9 points, Heatherton losing their place in the four to ANZ Bank. St. Bede's beat Thornbury by 11 points.

In the Juniors Coburg caused an upset by beating University Blues, the margin being 7 goals, West Brunswick went down to Reservoir Old Boys by 29 points and lost their place in the top bracket to Old Paradians, who beat St. Bernard's by 16 points.

Its happened again! the five home teams in C Section were the winners — both seniors and reserves — what a remarkable coincidence!

BALL BRIEFS

ST. KEVIN'S MAN REACHES HIS 100th

Dave Reynolds plays his 100th game for St. Kevin's today. He started fresh from school in 1969 and, after playing a few games as ruck-rover in the reserves, graduated to a half-back flank in the firsts. During the next three seasons he was a consistent selection on the wing. In 1973 he was absent (with grudging leave) for the first of what have proved to be regular overseas trips and upon his return played the next two seasons mainly at centre-half-forward. It wasn't so much a case of Dave getting bigger as of St. Kev's getting smaller. This season he has played in the centre and occasionally on the wing and has produced some of his best ever form. In his spare time, apart from nearly getting engaged every now and then, Dave is a keen golfer, frequently seen on the greens at Victoria. Indeed, prior to his recent shift to B.H.P., where he is some sort of financial advisor, he was so frequently seen on the greens that his

reputation was starting to rival that of Robert Hawkins, the "Flextime" king. On the administrative side Dave is a committeeman and a regular host at progressive dinners and pleasant Sunday mornings. Congratulations from us all!

CENTURY TO ST. PAT'S VETERAN

After 10 years with St. Pat's-Monivae, stalwart, Kerry Watson has finally reached the "ton". Congratulations are extended from all at the club, and we hope that his hundredth today will also be the second win for the Reserves this year. Kerry has always been a keen participant in club activities, as committeeman, former secretary, and Irish tenor at after-match celebrations. Over the past few years he has been away for extended periods, a stint in New Guinea and cavorting around the globe. At present he is stationed in Albury and it is an indication of his love for the club that he travels down each weekend to play.

OLD MENTONIANS PLAYER REACHES 150 GAMES

Today against St. Pat's-Monivae Bruce McKinlay will be the second player in Old Mentonians' history to have achieved the 150 games mark — a tremendous achievement. "Macca" first started with the club in 1968 and has been a talented, consistent and dedicated player for both teams over the seasons. Renowned for his ball gathering ability and anticipation either in the centre, on the ball or on the forward line, "Macca" has shown fine disposal and created many scoring opportunities. Trophies have come regularly to Bruce throughout his career, having won the club's reserve section

Best and Fairest award three years in a row (1971-1973) and when called upon to play with the firsts has been prominent in the voting in many games. As well as on the football field "Macca" has proven to be a great clubman having been a secretary and committeeman for many seasons in the early years of the club. He is currently this season's captain-coach of the Reserves and is a perfect example to all players with his never dying enthusiasm, determination to win and for his love of the club. Well done Bruce and we all salute you on this tremendous achievement and hope to see you on the field and around the club for many more seasons.

PREVIEWING TODAY'S GAMES

A SECTION

With our best footballers looking on due to 1976 Carnival commitments, many young players would have been blooded and feed-back indicates that quite a few did exceptionally well — a good thing for Amateur football.

De La Salle journey out to Reservoir this week and should comfortably account for the home side who will miss the ruck drive of Mike Bates.

A severely depleted St. Bernard's side amply demonstrated its depth of talent by covering its loss of five "Big Names" and they should take the points against Monash Blues who have built up a very inconsistent record of late.

North Old Boys and University Blues are to fight out a close one but I have a suspicion that the Blues may be a brilliant but brittle combination and fall to the strength and experience of North.

Coburg and Old Trinity play their match at Headquarters, a rather happy hunting ground for the Burgers. This advantage plus current form, tips the scales in Coburg's favour in my estimation.

Fresh from a good win against Alan Salter's Blues, Ormond will face up to University Blacks who will sadly miss spring-heeled Nick Burne and reliable Jack Clarke. On top of this Blacks will also be without astute coach Peter O'Donoghue who will be in Adelaide directing operations for the Victorian side. The disadvantages will weigh heavily against the students and points to a win for Ormond who are moving into top gear.

SELECTIONS — De La Salle, St. Bernard's, North Old Boys, Coburg, Ormond. — ALF KEAM.

B SECTION

B Grade could well finish up with an exciting finish to the year.

If each of the contenders for fourth place have the same result in their return games as they did in the 1st round, then Collegians, Paradians, Geelong and CBC St. Kilda will all end up on 36 points.

This means that the 1st team to defeat one of the top 3 will be home and hosed (and St. Kilda only play 2 of them whereas the others play the top 3).

Remember also that St. Kilda have only lost one game in the past 6 weeks — however true to form this belligerent tipster is picking them to get beaten this week.

Old Paradians are solidly colorless but when placed in this position they are highly colorful in businesslike determination. They know how to concentrate and finally end up with 4 points even though not playing well. They are a percentage team, and at home with John Jordan staying in form will win. St. Kilda's form does not deserve this prediction but Paradians make a mess of reasoned predictions. If St. Kilda are to win, it will have to be Drinan and Co. to win it on the back line.

Marcellin are doing everything right on the Big College Oval their long kicking will overcome the clever team play of the lighter and smaller Collegians.

Chris Roach's 7 goals last week stamp him as a vital key to a Collegians win but the overall height of Marcellin will negate his dominance. Marcellin know their big open ground and their agile forwards love the room to move.

Melbourne High finished up with a respectable score last week against Caulfield and the cramped conditions will trouble Old Scotch, but Scotch do not rely on individual players to kick goals and this overall spread will allow them to get out of the game with honour.

Vealls

on Earth!

RICHMOND

Scotch will miss their leader "Ando" in S.A. but if they cannot rise above this loss then they will not win this year's flag.

Ivanhoe and Carey will keep Ivanhoe with a rough chance for the four, and it will be only because they will not be outreached by Carey. Ivanhoe do look good when their fast play on game can work unhindered. I cannot see Carey winning their 1st game away from home.

Caulfield Grammar could be in danger against Geelong who still claim they will make the four. Caulfield will miss John Butcher and Glen Fletcher and, like Scotch, if they cannot make up for these stars then I am off to the nearest T.A.B. to get my money on Marcellin for the Flag, Caulfield to just get home.

SELECTIONS — Old Paradians, Marcellin, Old Scotch, Ivanhoe, Caulfield Grammar. — JOHN BYRNE.

C SECTION

My rival tipsters reckon "C" Grade is easy to pick — don't believe it.

I should have taken Fred Coldrey's advice, but let's face it, top teams are always sitting ducks to be "knocked off" and Hampton Rovers did the job last week. Instrumental in the Rovers win were Garry Nash at Centre half-forward and John Macnish in the back pocket.

The Rovers again feature in the "C" section match of the day against Old Melburnians and no doubt all players will be on their toes.

It will be a close finish and I could be wrong, however O.M.'s have some class players who should lift the side to win.

Old Haileybury at home to Fawcner, probably now realise that all players must put in 100 minutes to remain the top side.

I think they will benefit from last week's defeat and go back on the winning list.

Parkside, obviously out to get into second position will build up percentage at the expense of Power House — Congrats to Rick Sykes on his Carnival selection — well done.

U.H.S.O.B. and Kew will be a tight struggle and Kew are back in business. The final siren will give us the answer with U.H.S.O.B. by a short head.

Both Old Ivanhoe and Alphington have disappointed to date and there's little between these teams.

Old Ivanhoe's home ground advantage and the challenge of lifting themselves to remain in the section will give them the edge.

SELECTIONS — U.H.S.O.B., Parkside, Old Melburnians, Old Haileybury, Old Ivanhoe and Victoria to win the Carnival. — ALEX JOHNSON.

(No points for your last selection, Alex. — Ed.)

D SECTION

I am having a mid-season slump just as Old Xav's seem to be coming out of theirs — it would seem that the O.G.G.'s found Melbourne's climate last Saturday to be similar to that in the "snow country" so decided to stay at home! And to top the week — JOHN BYRNE, whose comments never cease to amaze me, picked the lot. Fancy that!

Seeing that Old Xavs are now back to their early season form and despite some anxious moments in the last quarter last week, should be too good for an inconsistent Old Brighton.

Fitzpatrick is in top form for Xavs and if Brosnan can get among the goals the chance will be there for a good win.

I see Old Haileyburian's bubble burst last week. What chance AJAX this week with at least one player out whose name I am not allowed to mention.

Elsternwick who failed me last week don't win me today so I'll stick with AJAX to remain unbeaten.

Old Camberwell I'm told, put on a creditable showing last week. I pick them to play in the finals so I expect them to consolidate their rating by crushing luckless National Bank.

State Bank and Brunswick drew last time — what will happen today? With more impressive form since that round I can't see today's game being anywhere near as tight. State Bank, at home, will win well and I hope to be there to see some of the game.

Assumption are back in business but Old Geelong will allow them no relaxation. The O.G.G.'s taste of success last week will inspire today and I expect a close game. However, Assumption, although sometimes unpredictable, will hold onto their place in the four.

SELECTIONS — State Bank, AJAX, Old Camberwell, Assumption, Old Xaverians. — JIM FIDGE.

E SECTION

The game must be easy if I can pick 5 winners in this section and Keith can do the same two weeks in a row.

We will work our way down the ladder and deal with St. Kevins who should beat North Brunswick out in the smog.

La Trobe Blacks at home should be able to cope with AMP Society, although the latter mob need this one if they are to justify a season's hard work. La Trobe Blacks to win.

Old Mentonians visit St. Pat's and should win. They are, and will be, pressed right to the end of the round by three other clubs so cannot afford to take any game for granted.

Common Bank to beat Monash Whites and stir up the bottom of the ladder. It could be that 5 wins will be needed to avoid relegation,

so let's see some of that old-time spirit.

A.N.Z. Bank and Heatherton is another critical game for both teams. Both had good wins last week so the only obvious advantage is Flinders Park. A.N.Z. to stay in the four.

SELECTIONS — St. Kevin's, La Trobe Blacks, Old Mentonians, Commonwealth Bank, A.N.Z. Bank — SYD WHITFIELD.

F SECTION

Syd Whitfield should be feeling pleased with himself, tipping the card last week particularly with weather conditions as they were — this is no lead up for me but all the right teams came home in "F" Section too.

West Brunswick worry me, can they go through the season undefeated, what about the finals, well this week certainly will not cause them any traumas, University Reds won't come within a bull's roar.

Beverley Hills and Footscray I.T. will be a tough game, both sides have been playing well lately but I will play safe and go for the home team (guess who will win now?)

Bulleen United will just have the edge over Thornbury, again because of the home ground.

St. Bede's must have been pressed by Thornbury last week and must show some more determination against Bulleen-Templestowe and this will be just the case down at the Bada Park paddock.

Glenroy will come back this week with a win over La Trobe University Reds. Am not sure that Glenroy will welcome my confidence in them but after last week anything could happen.

SELECTIONS — West Brunswick, Beverley Hills, Bulleen United, St. Bede's, Glenroy. — KEITH FINDLAY.

JUNIOR SECTION 1

It is easy to make excuses for poor performances but in my opinion the thing that is required is more hard work and concentration.

After several hours I have arrived at the following conclusions.

Ivanhoe have consolidated their position in the four and although Hampton Rovers will be trying to make the most of their home ground to help them avoid relegation, they will find the 'Hoes moving the ball far too quickly.

Power House returned to the winning list last week and should be confident. However, after the convincing performance of Monash University at Ormond last week, I must select Monash.

Ormond travel to Royal Park to play North Old Boys and they certainly have the potential to beat North. The winner of this game may well be decided when the captains toss the coin. On form, I must go for North.

University Blues suffered a surprise defeat last week and will be keen to return to the winners list. They should not be troubled by Old Scotch. In fact, if Scotch win I will offer to do one hour's work for Laurie Aghan free of charge (at my pace!).

Coburg are at home to University Blacks. They are behind the Blacks on percentage but will move up the ladder today and could improve their percentage considerably with the benefit of a win like last week's.

At the time of going to press, your scribe is in the middle of a conversation with Power House coach, Gary Boyd, concerning reference to "unfair tactics" by his side. I think Power House is a great Club and would not for one moment try and say anything unjust about them. There may be more on this matter next week.

SELECTIONS — Ivanhoe, Monash University, University Blues, North Old Boys, Coburg. — PETER NATHAN.

JUNIOR SECTION 2

As the Season moves to its climax the struggle for the finals becomes more intense. So with the

tipsters, whose tallies are becoming more similar as each week passes. And so to the task which presents itself.

I wish I had the confidence to select Old Paradians to defeat Thomastown at Yarra Park. This game could well determine "Peyton's Place" in the competition.

Recent form by the Paradians has taken them to third place. However Thomastown gain my nod because of their overall strength as shown by Czerny at centre forward and Dri in the ruck. But it would not surprise me if Thomastown met their Waterloo in Yarra Park!!

St. Bernard's will need to restore their confidence with a big win at Kew. This they should manage. Their place in the four is at stake and so I foresee another torrid afternoon ahead for the Kew defenders.

Reservoir Old Boys travel into Alphington where they should score another victory. Reservoir will be anxious to insure that their opportunity for a place in the finals remains present.

West Brunswick face their second successive defeat at the hands of Caulfield Grammarians who travel north to Royal Park.

Caulfield's confidence was restored last Saturday by their big victory and I see another victory coming their way today.

By selecting Caulfield I can be assured of a warm welcome by the Magpie brains trust after I walk over to the Ransford Oval.

De La Salle should be able to account for Geelong at Albert Park. Geelong's inability to field a side last Saturday will not have helped their cause.

At the same time De La Salle returned to the winning list so the latest form if nothing else points to a "De La" victory today.

SELECTIONS — Thomastown, St. Bernard's, Caulfield Grammarians, Reservoir Old Boys and De La Salle. — NORM NUGENT.

"NAILS" IN THE OPPOSITION'S COFFIN

Alan Naylor has played with Ormond for eight years, coming up through the under-age teams to make his senior debut in 1972.

It was a successful debut too, for "Nails" won the Best First Year Player award that season.

Alan's 6'3" and 13-10 make him a natural ruckman (not a very heavy one admittedly), and his height assists in his marking ability.

He rests in the back pocket and can also fill the centre half-forward position.

Alan, who will be 24 later this month, gained a Victorian sweater last year, when he was a member of the team which beat South Australia.

Actually, he hails from South Australia, having played with Encounter Bay Under-15 side, where he was Vice-Captain and won a Third Best and Fairest award.

Alan is another of the footballer-cricketer brigade. He plays for Ormond Y.C.W. in the City of

Moorabbin Association, and in the 1974/75 season he was Runner-up for the Batting Average, Bowling Aggregate and Average. Last season he won the Bowling Average,

St. Bernard's scored a last minute win over Caulfield Grammarians when they kicked 3 goals in the last 5 minutes. It was Caulfield's second defeat in succession as the previous week they went down to Ormond by 20 points.

No doubt about the umpires — real sense of values! After two years of "we must have a board for our important notices" architect Trevor Rowe produced a beautiful work of art, green with gold lettering. The first notice — the world shattering "Please wash your cups!"

200 games to National Bank Reserves captain-coach Geoff Phillips.

National Bank, after leading all day, went down by a point to Tooronga-Malvern who kicked 6.3 to 2.5 in the final quarter to triumph 17.10 to 16.15.

"Trueboots" were Foulsham (Ormond) 8 v. Collegians, Douglas (Coburg) 9 v. M.H.S.O.B., Barkley (Uni. Blues) 7 v. De La Salle, Nihill (Kew) 6 v. Old Xav's and Hick (Ivan.) 7 v. U.H.S.O.B., while in a high scoring match, Power House 23.12 defeated Old Geelong Gram. 17.6, Bartlett (Power House) and Rick Whalley (O.G.G.) kicking 13 and 7 respectively.

10 years ago — 1966

Six leading teams were beaten in the biggest upset of top sides for years. Coburg (2nd in "A" Section) forged ahead of Melbourne High (on top) and went on to an easy win, 8.9 to 3.6.

Faster and scouting better with Norm Beattie and Phil Parkes the stars, Coburg adapted well to the wet and muddy conditions.

Kew (on top in "B") lost their first game for the season when they went down to Ivanhoe (3rd) by 21 pts.

Elsternwick held a reunion of their 1925 premiership team with 22 players and officials in attendance, including Peter Mountjoy (captain) Norm Macdonald (secretary for 25 years) Chas Loughrey, Alex Martin, Eddie Shaw, Clarrie Williams, "Tuds" Heard, Les Morris, Leo Walsh, Harold Macdonald (goal umpire) and Frank Martin (boundary umpire).

100 games at Old Haileybury to Peter "Circles" MacFarlane and Brian Henderson.

AJAX were the only undefeated team — 12 straight wins in "E" Section, two games ahead of Glenhuntly while Old Ivanhoe and Reservoir Old Boys made up the four.

25 years ago — 1951

The first Amateur Carnival to be staged in Victoria was held at St. Kilda Cricket Ground with Canberra making up 5 with Victoria, South Aust, Tasmania and West Aust.

In a peculiar draw Victoria finally only played two matches — winning both, and kicking 39.18 to Tasmania's 4.4 and 18.20 to Canberra's 2.5.

South Australia went down by 11 points to Canberra on the opening day and no doubt this loss upset the draw. Some names of interest — in W.A.'s team was Billy Snedden 24, 6.0., 13.10 (today's Speaker in the House of Representatives) while R. Woolcott, 23, 5.11, and 11.12 represented Canberra.

(Dick Woolcott in 1976 is Australian Ambassador in Indonesia.)

The Australian Amateur team to play the V.F.A. in Canberra was picked at the close of carnival with Victorians Doug Arnold and Peter Cox, captain and vice-captain respectively, 13 other Victorians, 3 from W.A., and 2 each from S.A. and Tasmania.

Helped De La Salle Switch the "Power" on

After six years with North Old Boys, 27-year-old Kevin Power switched to De La Salle last season.

He started with North in 1969 and was Vice-Captain in 1973 and 1974.

Kevin was in the Victorian squad in 1970 and 1971 without gaining a "Big V" sweater, but he made his Victorian debut against South Australia at Adelaide in 1972.

He again visited Adelaide in 1974 and also played against Tasmania at Hobart the same year.

Last season he was again selected to play against Tasmania at Elsternwick Park.

Kevin, a solid 5'11" and 12 stone centreman, can also play on the wing, half-forward flank or as a ruck/rover.

Before joining North Old Boys, he played with West Preston Y.C.W., winning their Best and Fairest award in 1967 and 1968.

He was third in the A Section Best and Fairest voting in 1972, only two points behind the winner — North Old Boys teammate Leo Carney — and Peter Burt of Old

Paradians. But he won his club award that year.

Kevin is an all-year-round sport, playing cricket with Ivanhoe Sub-District club in the summer. He also enjoys a game of golf — but don't get the idea that he doesn't enjoy his football!

BALL BRIEFS

150 TO R.O.B. PRESIDENT

Congratulations to Reservoir Old Boys club President, Fred Tuinlinga, on playing his 150th game against St. Bernard's last Saturday. Fred has done a tremendous job, both on and off the field, over the years. He has seen the club go from Rags to Riches. He instigated the move to get a new coach, being Laurie Aghan, when the club was struggling in "F" grade. The club went through to "A" grade in consecutive years. During those years he captained the club's greatest sides — "C" and "B" to premierships in 1972 and 73. A versatile player, Fred has played in many positions such as ruck-rover, centre-half-back, full-back and even full-forward. He has played his best football on the back line and with his spoiling tactics and great determination, has played many excellent games for the club. This year has not been the clubs best, and has placed great pressure on Fred, being president and player. However, he has come through with flying colors and he has the respect of all the

players and officials. The club hopes to see Fred Tuinlinga around for many years yet. Keep up the mighty work, Fred.

Reservoir Old Boys congratulate Bob Taggart on playing 50 games with the club. Bob is a beautiful left foot kick and plays mainly on the wing. He has played some great games over the years especially on Elsternwick park (at least George Mc thinks so). Bob has all the attributes for a top player, pace, marking and kicking ability and courage. However he lacks that little bit of concentration needed to top his game off, at the moment. Well done Robert!

Anthony "Tonto" Parsons a staunch clubman and committeeman for Fawkner Amateurs is shortly moving to Queensland. Whilst his assistance and club dedication will be missed, the Fawks wish him every success in the Sunshine State.

CENTURY TO THOMASTOWN DEFENDER

Because of Geelong's inability to field a team last week Paul Anderson now plays his 100th game for Thomastown against OLD PARADIANS today.

DOUBLE CENTURY FOR IVANHOE SKIPPER

Well the "little general", Bill McWhinnie, plays his 200th game for Ivanhoe today against Carey. It's been a long, hard trail for Bill who has played many games with some bad injuries, but being the true clubman that he is has played on at all times. Bill has been captain for seven years including a premiership in 1969, culminating with a place in the Victorian team in 1970. His record of awards include Best and Fairest three times, runner-up three times and the best clubman for a record three years.

His untiring involvement with Ivanhoe reflects in his play as he puts his body in hard and competes with fierce determination continuously. One of the first to offer his services at all social functions, Bill has shown his true colors with his dedication to Ivanhoe which augurs well for any young aspiring player hoping to make the senior team, and an inspiration to his fellow team-mates when the going's tough.

Well done Bill McWhinnie and all at Ivanhoe wish you the best of luck and congratulate you on your fine effort.

UMPIRE'S CORNER

By KEVIN MCKAY

Phillip Rowell — Carnival Umpire
Senior umpire Phil Rowell goes into the history book this week as being the first V.A.F.A. field umpire appointed to officiate in the Australian Amateur Football Carnival series hosted by another State.

In all previous carnivals the home state provided the umpires.

Last week the Umpire's Appointment Board selected Phillip as our representative — an honour well earned.

A first class umpire, he will be a great ambassador, on and off the field, for the Umpire's Association and the V.A.F.A.

Phillip was given a long ovation when his appointment was announced to the full meeting of the Umpire's Association last week.

Very popular with his fellow umpires, he is in top physical condition and is well prepared for his carnival engagements.

Phillip came to us after leaving Scotch College and has already had carnival experience when he umpired in the 1973 series held on the Melbourne Cricket Ground.

As with all top athletes he gives everything on the training ground and is a pleasure to coach.

Assistant coach John Posetti and myself offer our congratulations to Phillip and wish him all success in South Australia.

RULES OF OUR GAME

1. All umpires are constantly instructed that it is unforgivable to turn your back on the play.

2. To walk — all umpires are fit and must run and run — never walk.

3. Never argue with players.

4. Never threaten players.

5. Never use the 15 metres penalty as a method of control (it is for deliberately wasting time).

6. Always tell the player why free kicks are given (providing the player asks in a proper manner).

7. If the elbow is raised, free kick the player — if the elbow strikes an opponent, report him.

DID YOU KNOW?

That Collingwood in 1927 defeated Richmond in a V.F.L. final match 2.13 to the Tigers 1.7?

That Essendon beat Melbourne 1.9 to 10 points in 1897?

Essendon also kicked 1.9 to South Melbourne's 0.9 points in 1899?

350 GAMES TO POWER HOUSE CHAMP

Everyone at Power House congratulates Peter Hutchinson who plays his 350th game with the club today. This milestone is only a few games short of the record for an amateur footballer held by another Power House great, Les Gordon.

In over twenty years of amateur football, Hutchy has a record, few if any could match. Hutchy has won seven club Best and Fairest awards, played in three premiership teams, represented Victoria and is a former Power House captain. In 1972, in recognition of his outstanding achievements and service to the game he received perhaps his finest award — that of Amateur Footballer of the year at St. Bernard's Grand Final Breakfast.

Hutchy is currently captain-coach of the Reserves as well as playing in the ruck and forward pocket in the Seniors where his strength and experience are still a headache to opposition backmen. Although plagued by injuries in recent seasons, Hutchy never turns in a bad game.

Almost as well known for his off the field performances, Hutchy can usually be found after the game having a drink with the opposition. His prowess of course as a leader of community singing or as a storyteller is renowned, and we all expect him to be in fine form tonight for the celebrations.

In private life, he is a devoted family man. Without the support of his wife, Gwen, he would probably not have reached this milestone today.

Well done Hutchy on a mighty effort!

The ball officially approved for use in all V.F.L. matches since 1897.

Marcellin O.C. rover, Charlie Mangiafico, plays his 50th game today. Charlie is in his third season with the club being the Best and Fairest player for the thirds in his first season. Since then a lot more notice has been taken of his burrowing-in style and he has been rewarded with several games in the "Ones". "The Magnificent" has yet to play in a premiership side, being a member of the unsuccessful reserves sides in the '74 and '75 final series. Well done, and all the best for today, Charlie.

AJAX DEFENDER'S 100th GAME
Congratulations to AJAX centre-half back Phil Rozen who plays his 100th game with the club this week. Phil joined us in 1971 and played with the club's under 19's. As an average footballer he showed only average promise but in 1974 he matured into a first class player. 1975 was Phil's most successful year and at centre-half-back he became one of AJAX's stars.

Phil's form for the past 2 years has stamped him as one of AJAX's greatest ever players. His long driving kicks have fed the forward-line on numerous occasions and this young player has many years ahead of him. All at AJAX congratulate him on his fine achievement.

100 UP TO PARKSIDER

All at Parkside would like to congratulate Gary "Robot" Jordan on playing his 100th Game today. "Robot" has played most of his games on the back-line and cops more whacks than the Six Million Dollar Man each week. "Robot" is one of those straight through players who fears nothing. Well done Gary. May your next 100 be as exciting as your first 100.

200 UP FOR BRUNSWICK PLAYER

All Brunswick players and supporters extend their congratulations to Geoff Thompson who plays his 200th game today. Geoff began his career with the reserves in 1965 first on the wing and later at full back. After 3 years he was promoted to the seniors as a half-back flanker, a position he held for the next 5 years. The most memorable points in Geoff's long career have been (1) play-

ing in the 1970 'E' Grade Premiership side (2) being selected in the best 6 players in the first game after his honeymoon (3) being captain-coach of the reserves in 1974 and also winning the Best and Fairest trophy that year. Over the years Geoff has given the club good service and all the people associated with Brunswick wish him the best for his game today and thank him for the loyalty and dedication he has shown over the years.

150 AT ALPHINGTON

Mick Hayes today takes the field for the 150th time at Alphonington. Talked into using his old boots again, Mick has once more proved his greying hair does not necessarily mean he is slowing up, as he still manages to beat many younger centre half backs with his fine marking and strong play. Well done Mick. Let's hope those boots see out a few more games.

Umpire Committee Chairman ALF KEAM

Alf Keam was appointed Chairman of the Umpire Committee of the V.A.F.A. after serving a term of five years as a member of that committee, and after an even longer playing career.

Alf spent most of his Amateur football days wearing the maroon, green and black of Melbourne High School Old Boys, apart from one season with University Blacks.

He started with Melbourne High in 1940 and chalked up more than 150 games with them, and even as late as 1967 or 1968, when he was over 40, he still stripped with the Reserves on occasions.

Alf's playing position was the wing, where his sprinting ability and solid 5'7½" and 12½ stone stood him in good stead, but as he himself admits, he dropped back into the back pocket as he slowed up in later years.

He served in the Royal Australian Navy during the War (from 1942 to 1946) and rose to the rank of Lieutenant.

During his war service, Alf played football with Sydney Naval Depot in 1943 and with Subiaco (W.A.) in 1945.

Then it was back to his old club, but he transferred to University Blacks in 1949, in the final year of his Commerce degree course.

Alf was Melbourne High's Delegate to the V.A.F.A. for about 10 years, and became a member of the Umpire Committee in 1971. The following year he was appointed to the Selection Committee, a position he still holds.

He was Treasurer of M.H.S. club in 1948 and held the office of

President from 1967 to 1971.

Golf and tennis are among his other sporting interests, and he is a member of the Finance Sub-Committee of Metropolitan Golf Club — rather appropriate, as Alf is a stockbroker.

In his younger days (Alf is now in his 50's), he was keen on athletics and won a Sports Champion award at Melbourne High.

Serving on committees and so forth is not the limit of Alf's attributes — he has done a wonderful job as compere of St. Bernard's Grand Final Breakfast the last three years.

THANKS TO AJAX MAN

The Association extends sincere thanks and appreciation to Mr. John Ravech, a member of AJAX club since its inception, who has generously donated a new American type mouthguard to each member of the Victorian Carnival team.

John, who is the proprietor of Guardian Pharmacy at Airport West, has imported these mouthguards which retail at up to \$2.50 each.

He advises that this type of guard is compulsory in America in all sports involving physical contact.

He is prepared to make the product available at a special price to any club interested in purchasing a supply, but orders must be placed through the Secretary of the V.A.F.A.
