# ORMOND'S CHANCE FOR THIRD FLAG IN ROW

## Third term burst takes them into grand final *Blacks end Kew's winning run*

By GEORGE McTAGGART

Ormond fought their way back into premiership calculations when they defeated Caulfield Grammarians in last week's Final.

A great third quarter burst, which yielded seven goals, was the big factor in giving them the chance for their third successive premiership, as they took the honours in 1971 and 1972.

They also have the chance of collecting three premierships this season, as their Reserves are also playing in the Grand Final and the Juniors won the title in Section I last week.

Kew's winning run of seven games in a row came to an end when they went down to University Blacks by nine points in the B Section Final, and so are denied promotion.

The Blacks, and Reservoir Old Boys, who contest the Grand Final in this section today, will play in the top grade next season.

Ormond gave a much more workmanlike performance in beating Caulfield Grammarians by 22 points, but they started off very shakily.

Caulfield did well against the strong wind in the first quarter, and kicked 4 goals to trail Ormond by 7 points at quarter-time.

But Caulfield failed to capitalise on their good start, and wasted many opportunities to gain a winning lead in the second quarter.

All the same, Ormond were playing much better football and defended strongly, to be only 9 points in arrears at the interval.

A goal to Caulfield early in the third term improved their prospects, but Ormond quickly replied, and then bombarded the goal for the rest of the quarter to finish with 7-10 to Caulfield's 1-1, and Ormond looked to be in a fairly safe position at the final change, when they led by 6 goals.

Caulfield had the chance to pull the game out of the fire, but poor shooting for goal nullified their efforts, and they managed only 2-8 for the quarter to a goal by Ormond, and went down by 22 points.

University Blacks forged ahead of Kew in the second term to gain a 15-point lead at half-time, and increased their lead to 21 points in a low-scoring third quarter.

Kew rallied in the last quarter to add 3 goals but they were unable to bridge the gap, and failed by 9 points.

Alphington finished much too strongly for Marcellin and ran out easy winners by 45 points.

Marcellin led by 13 points at quarter-time, and trailed by only 4 points at the interval, due mainly to Alphington's inaccuracy (5-16 to 6-6).

Alphington were 9 points in front at three-quarter-time, but kicked 7-3 to 1-3 in the last term to win well.

Old Ivanhoe also kicked 7 goals in the last quarter to score a 22-point win over Old Camberwell.

Camberwell led by 20 points at the first break but were a goal down at the halfway mark. They were 7 points in front at three-quarter-time but managed only 3-2 to Old Ivanhoe's 7-7 in the last term.

St. Bede's matched Fawkner in the first half and led by 8 points at the interval, but Fawkner broke away in the third quarter to add 10 goals and went on to win by a big margin.

Like their seniors, Ormond Juniors also won with a strong third quarter. In this term they kicked 4-9 to Monash University's 4 points, and converted a 4-point deficit into a 26-point lead.

This was more than Monash could handle, and Ormond won by 25 points.

Beverley Hills matched Coburg for the first half, too, but Coburg went to a 21-point lead at three-quarter-time and finally won by 28 points.

A 5-goal burst by St. Bernard's in the second quarter of the Reserves game, gave them a half-time lead of 15 points over North Old Boys, but North kicked 3 goals against the wind in the last term to snatch a 5-point win.

Old Scotch always had the measure of Reservoir Old Boys and won by 15 points, while Old Haileybury led Parkside all day and romped home by nearly 7 goals.

Marcellin kicked 8 goals in the second term and led Hampton Rovers by 6 goals at half-time but went to pieces after the interval and were beaten by 11 points, the Rovers kicking 8-8 to 1-3 in this period.

Old Ivanhoe beat ANZ Bank by 21 points and Fawkner had the same winning margin over Monash Whites.

Old Ivanhoe and Fawkner collected double premierships, (Seniors and Reserves) — a particularly good effort on the part of Fawkner in their first season in the V.A.F.A.

## SNOW'S STORM

Blimey, yer wooden' read about it! Beaten by 2 lousy points in the gran' final—an' jest about the last flamin' kicka the day.

Fair dinkum — I'd be the most disappointed bloke this sider the black stump. 'Ad the game well an' truly won, we did, an' then went an' chucked it away.

We 'opped off with the wind an' kicked 6 goals in the first quarter — or term, as sommer these flash commotaties call it — an' the otha' mob oney kicked two points. Is this any good, I reckon.

Then the other mob 'as a go with the wind, an' there muckin' about like a lotta schoolgirls an' only got 2 goals an' a few points an' my blokes kicked a cupple a goals an' we're reely sittin' pretty when we go in at 'arf-time.

Let's see, wot was we in front — yairs, about 5 goals or so.

But I didden let it go ter me 'ead — no fear. I sedd ter meself, Snow, ole boy ther's annuther 'arf ter go befour we start celerbratin'.

But I reckon sommer of the boys didden believe me wen I sed the game wazzen won yet.

No, they new better 'an I did, so they thought an' some took it a bit too easy in

the third quarter, an' we only gained a few points insted 'a goin' fer the doctor and gettin' the game all sewed up.

'A corse I roared 'em up at orange-time, but the other mob's coach is a pretty shroody, an' 'e told 'is blokes they could still win it.

An' they went fer there lives — yer'd reckon they were gettin' paid a thousan' bucks a man, an' they allmost caught up ter us.

Then Johnno gets a free rite in front an' I sez ter meself, this is it — Johnno won't miss and that'll be the sealer, coz I new there wern't much time left.

But watters 'e do? Kicked inter the bloke on 'is mark an' they clear it away. But that wazzen the wurst of it — the other mob rush the ball down there end an' Mugsy pushes a bloke over an' gives 'im a free.

Then 'e reely lives up ter 'is name by chippin' the umpy, an' wot 'appens? — the umpy pulls Mugsy back 15 yards an' the bloke kicks a goal — jest went over the 'ands 'a the pack. If it adden been fer the 15-yarder, they woodena got the goal.

Corse the uthar mob went mad with delite — the first time they'd been in front all day.

The ball wuz bounced, Darkie grabbed it an' kicked it to Johnno 'oo was rushen' fer goal an' the flamin' siren goes an' it's all over an' we'se missed the flag.

I'm too 'eartbroken ter rite any more, chinas . . .

[Bad luck, Snow — but remember, there's always next season, and for the benefit of Snow's many supporters, I'm pleased to announce that Snow has been re-appointed Coach for 1974.

No doubt, he will have recovered by the start of next season, and will be his old cheery self again — Ed.]

# Do it right play Sherrin.

.....

# *... given it away eh?*

*by Mike Dunham*

"Given it away, eh? The question was asked by my companion of some years standing as he shrewdly eyed my sarsaparilla.

"Feeling crook?"

"No, it's a personal decision."

"Won't be seeing you in here eh?"

"Well, I'm here now aren't I?"

"Yes, well you know what I mean, you won't be drinking that stuff all night," he said.

He was quite right of course, I learned later. I couldn't include myself in the long drinking sessions on Friday evening, and over the week-end and it wasn't the sars either. The Blokes started off the same way with convivial chat, but as the time passed, I found the conversation growing louder and the laughter more raucous and I just couldn't see the funny side of their jokes which I realised had been repeated over and over again. So, I began to slip away, and on the way home I even bought a box of chocolates for my wife.

"You're home early," said my wife. My small daughter screeched, "It's Daddy, it's Daddy," and two scruffy footballers came in from the garden with smiles on their faces. As I settled myself in an easy chair I was bombarded with statements and questions and stories of what "Sir" had said at school, and would I fix this broken doll, and "the Tigers are best, aren't they Dad?" I was wanted, it seemed. Yet this is what I said I couldn't face after a 'hard-day's-work, I'd had to relax with a few beers with the boys.

It happened quite slowly really and it wasn't till the fourth Friday night in a row that my wife said. "It's nice to have you home early these days, it makes the week-end so much longer," and the boys anticipating my early arrival had set up the chessmen. It was then that I realised that I was looking forward to it as much as they were.

I don't get involved in chook raffles anymore but I don't think I ever came out in front with them anyway. One week, I did win three, but for the most part it would have been cheaper to buy one at the delicatessen.

At the football, I don't drink and I don't miss the important incidents.

Well, I'm \$10 a week better off. I've lost weight. I like Monday morning a lot more. I'm facing up to difficulties, and I'm taking a real interest in things, especially at work. It's funny, I used to say that grog made no difference to me. I could take it or leave it, and all that rot about it being manly to drink, why I've never felt better in my life. And I seem to find more time to do things — maybe it's because I want to do them.

"Still off it then?" said my erstwhile drinking companion. "Still crook?"

"Not on your life," I said, "never felt better. Must rush, I'm taking the boys to the football." □

# LOOKING BACK

## 5 Years Ago

Old Paradians continued their run of success by beating Caulfield Grammarians in the Grand Final.

Parade's winning margin was 75 points, and their win gave them their third successive "A" Section premiership and their sixth flag in seven years.

A 7-goal burst in the first quarter gave Ormond a big lead over Monash University in the B Section Grand Final, but Monash hit back strongly and only went down by two goals.

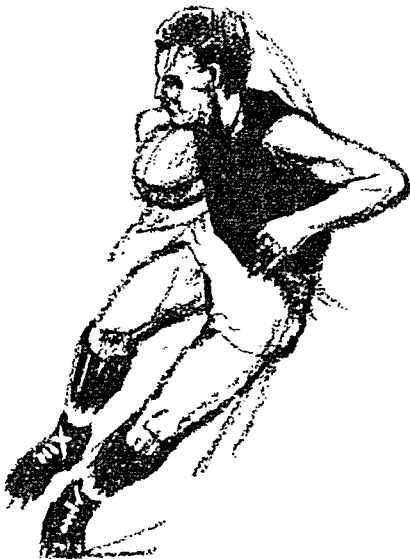

Footscray Tech., National Bank and AMP Society, won the other senior premierships, Ormond and Old Paradians the Junior titles, and premiers in the Reserve Sections went to Old Paradians, Ormond, Hampton Rovers, Old Haileyburians and Old Trinity.

## 10 Years Ago

Premiership winners in 1963 were Old Paradians (A Section), Coburg (B), Parkside (C), Old Haileyburians (D), St. Bernard's OC (E), M.H.S. Old Boys (Juniors), and Old Paradians, Kew, U.H.S. Old Boys and St. Bernard's in the Reserves.

## 25 Years Ago

Premiership winners in 1948 were University Blacks (A Section), Old Xaverians (B), Geelong (C), Fairfield (E) and Hampton Scouts (Juniors).

# BALL BRIEFS

## CENTURY TO ST. BERNARD'S RESERVES

In last Saturday's A Reserve Final, St. Bernard's Paul Daffey played his 100th game. Paul is probably best remembered for his sterling performances in St. Bernard's C and B grade sides as a full back, with tremendous courage and team spirit. His performance in this position was one of the club's main reasons for its rise to A grade. Since then "Daff" seems to have lost a yard, whether or not this can be attributed to his marriage to the captain's sister is problematical, but whether playing in the firsts or reserves you can be assured that Paul is giving his best. Congratulations from all at St. Bernard's.

All at Reservoir wish to congratulate Mick Galea who plays his 50th game today. Mick is one of the smallest players in the Reservoir side but is also one of the most courageous, he is renowned for winning the ball from packs without regard for his own safety. Mick has gained a permanent place in the firsts this year after being consistently among the best players. Congratulations also go to Laurie Scott who recently played his 50th game for the club. Laurie played a major role in getting the Reserves into this year's finals. Whether playing as a centre-man or rover Laurie's speed is a great asset and has enabled him to win numerous kicks.

Alphington had their vote count after the premiership celebration, resulting in a win for John Skerry from John Williams and "Skinny" McKay. The Reserves trophies were won by Len Belcher, Colin Mitchell and Peter Harris.

Now that the 1973 season is drawing to a close all at St. Bernard's would like to extend a special vote of thanks to Bob Merrick for his magnificent and unselfish help over yet another season. Many may not appreciate exactly what Bob does, but when you realize that apart from stopping boots for the Reserves and firsts, Bob also prepares all drinks, oranges and all other gear required, and never makes a mistake, you just ask him, you begin to appreciate what a thankless job Bob does without complaint. Many thanks Bob from all players and everyone connected with the club. Let us hope that you continue around the club for many more years. Also special thanks to Bill Anderson for his work both before the season started and his work every week as a most competent time keeper. Thanks Bill. We have had many supporters during the year but there are three that rate a special mention and these are Bob Perrett, Ray "Soapy" Vallence and Pat Kirby who have not missed a game or a social turn for some years. Many thanks to these three in particular and to all other supporters and helpers throughout 1973. These people are one of the main reasons why St. Bernard's O.C. are enjoying their present success.

The award for the Best and Fairest player of the Carnival also went to a South Australian, *PAUL* George Rofe.

The Carnival is over, and the West Australian Trotting Association Shield went back to South Australia. The President of the Australian Amateur Football Council presents the trophy to South Australian manager — Mr. Peter Allan.

The proud winner shows off his trophy.
