# A Section Review by Ross Booth

<sup>2</sup> probably the most singificant result last week was the 6 point loss by **Old Paradians** against **Old Scotch**. Not that their postions on the ladder change, **O.P.'s** remain in third spot and **Scotch** 5th but I think it effectively ruins **Parade's** chance of getting the double chance. And now **Scotch** have a very real chance of making the final four, perhaps today if they can beat **Da La Salle**.

Neither side played like a premiership threat. Parade's pace worried the Cardinals early in the game but it was the Scotch key position players who won them the match. Key position players Peter Sherwen (FB), pean Bevford (CHB), Brian Hodge (C), Duncan NcCall (CHF) and John Moir (ruck) all figured prominently.

\* However, dont write Parade off. This loss will give Gerard Shelly the needle he needs.

**Oid Xaverians** wrapped up their game against **Caulfield Grammarians** with 6 goals into the breeze in the first quarter and nearly an 11 goal lead at half time. But then the wheels fell off! **Caulfiell** kicked 6 and kept the **Xavs** scoreless in the third term. We all trooped out to hear **Danny Corcoran** give it to the **Xavs**. But to our collective surprise there was no yelling. Just cool, calm and collected. He reminded them of the game against **Therry** last year — 54 points up and lost the game. Would this be the same. "You were physically intimidated by **Caulfield**. I have failed". And on he went. Quite a surprise but well worth listening to. **Caulfied** carried on in the last quarter with **Ray Berzins**, **Mark McClelland** and **Campbell Cooney** on top in defence and **lan Kyte**, **John Kanis** and others trying to run the ball up to **David Matthews** (on one leg) in the goal square. The stumbling blocks were **Nick Wilton** and **Mark Summers** - they were superb and the **Xavs** held on to win by 22 points. I don't think **Danny** has failed. They haven't been beaten in 10 weeks or so and with the return of **Ralph O'Shaughnessy**, **Steve Curatin**, **Nick Burne** and **Phil Callil** they'll be a great chance for the tag. Northing would surprise me come September. Remember 1981?

• Ormond beat Collegians by 45 points in a lacklustre game. Collegians got the first 2 goals with the breeze but did not score another till the 3rd term. The game featured the leading two goalkickers but both were well held - Ormond's Paul Schuhkraft by Simon Williams and Collegian's Richard Herman by Brad Nash.

I'm looking forward to the big clash between Ormond and Old Xaverians this afternoon.

. Uni Blues blew their chance of a win over De La Salle with a bad first quarter and they lost by 21 points. De la's on-ball players Mick Greene (ruck), Mark Lowe (rover) and Gary Connolly (ruck-rover) were the difference.

North Old Boys scrambled in against Bulleen-Templestowe by 13 points. The Bullants were in touch all day, just a point down at each change. They hit the front in the last quarter but the report and send off of CHB Greg Kazuoo made the vital difference and North's Paul Considine ran amok and kicked two goals. Bullant Andy Smythe played his 250th and was their best player.

This is a very difficult week to select winners, even more so than usual but a great series of matches is assured. A SECTION B SECTION

# Peter French Previews today's matches

Thanks to **Ross Booth** for filling in last week. I'm sure he finds the reviews a far more attractive proposition following his indifferent performance, although his **Old Scotch** selection was certainly inspired! His reference to the "Whisper" was timely as his demise mid 1986 meant I was forced to take over the pen for this column. There were rumours aplenty doing the rounds at the time I recall, as to his identity which like "China and Snow" of yesteryear are still unfounded. Well the real news on the "Whisper" fort is that he may be back for the finals, following a post card received at Elsternwick Park during the week which was postmarked Cooper Pedy! I remember he was forced out of town in a hurry, something to do with possible civil action but apparently its been resolved and the could well return around finals time. How's that **Fergus** and **Ross?** 

- To more serious matters - today's games and we have two beauties in A Section that will certainly attract the crowds.

Ormond have been waiting eight weeks for a return bout with Old Xaverians the only side to have beaten the all conquering 'Monds to date. Readers may recall that Xavs blitzed Ormond in the final quarter and went onto win 15.14 to 13.12. As Old Paradians have shown some vulnerability lately the fight for second spot is over and so today's clash is a dress rehearsal of the second semi. Ormond does not have the injury worries that Xavs do although Steve Curtain and "Ralph" O'Shaughnassy may return today. Whats wrong with Paul Curtain and Doug Atkinson? Certainly Nick Burne is still a week or two away or is he? I wonder whether Xavs are planning to repeat their 1981 move of playing Nick Burne in a forward pocket and using Steve Curtain at centre half forward, a position they have been unable to adequately fill all season.

The big plus for the side is the return of **Nick Wilton** and his unique ability to find form almost immediately. His presence does wonders for the **Xav** defence and **Xavs** would also be looking for a quick return from **Doug Atkinson** whose cool head and determined approach are of immeasurable value.

A final word on Xavs concerning team placement. Why was Mike Atkins placed in a back pocket last week? It seems a little late in the season to be experimenting Danny, especially with a player who has proven his worth in the pivot all year. Another observation — where does Peter Curtain fit into the side so as to give best value. I've seen him full back, full forward, centre half forward, centre half back, ruck rover, half back and centre, which tells us all that he's as versatile and brilliant as any player in the Association. However I'm inclined to the view that his best football is more often produced as a half back flanker. But then where do you play Varcoe or John Curtain? Ah the problems of being successful.

After all that I'm selecting **Ormond** to win. **Xavs** have not been beaten since May 2nd when they went down to the Lions by 7 points and whilst they've had great wins over **Old Scotch** and **Old Paradians** in that long sequence they've not impressed as **Ormond** has. They're not as disciplined, and only play in bursts. Consistency has been the key to **Ormond's** top of the ladder position plus the performance of the **Ormond's** "unknowns" — **Paul Nankervis** whose clash with **Antony Callan** will as they say in the classics "be worth going a long way to see". Two young quick, skilfull players with a great future in the game pitted in the match of the day its mouthwatering. Some other **Ormond** quiet achievers — rover **Paul Cox**, centreman **Paul Sutherland**, ruck-man **Paul McDonald**, forward **Paul Schukraft**, defender **defender Scott Taylor**, full back **Brad Nash**, all home grown products brought up in the **Ormond** way and not a reinstatement among them. **Ormond** to win and shorten as flag favourite.

**Old Scotch's** moment of truth arrives today. Victory over **De La Salle** will put the Cardinals in the top four for the first time since June 13th and with the slighly better draw they could hang on and make their first final's appearance since the B Section Grand Final of 1982. The odds favour **De La** who have won 24 of the 33 games played, although **Old Scotch's** win at Waverley Oval in July last year (8.11 to 7.10) was their first at that venue and may stand the Cardinals in good stead for today's all important game.

Scotch are obviously a harder side now than when they lost to Ormond at Elsternwick Park in Round 11. Since then they've beaten Blues by 10 points, come from behind to beat North by 3 points and then last week again got up off the floor to snatch a 6 point victory over Old Paradians. A reason for these close victories is certainly the Don Davenport approach and the good form of its defence led by Andrew Smith, Rob Fuller, Peter Sherwen and Andrew MacMillan, centreman Brian Hodge, ruckmen Duncan McCall and John Moir, on ball players Steve Reddish, Ric Senior and Dean Burford, and forward Steve Spiers.

THE AMATEUR FOOTBALLER 1987

As finals appearances have been few and far between for this current **Scotch** side they'll be really fired up for the game. However before **Scotch** start counting their chickens they would do well to remember the calibre of player who represents **De La**. They've proved time and again that they're never better than when written off and the return of skipper **Mick Greene** and recent good form of **Garry Connolly, Mark Lowe, Peter Wal.** dron, **Pat Maher** and **Dick Willimas** who are all steeped in the **De La** tradition poses problems for the Cardinals

Despite their recent victories I'm going for the home side to win a cliff hanger and put paid to the Scotch charge for 1987.

In other A Section games **Uni Blues** have enough at stake to defeat a most disappointing **Collegians** as does **Caulfield** against **Bulleen-Templestowe.** In fact the '**Fields**' second half last Saturday was quite impressive and I wonder if their last two performances can be attributed to my comments on July 18th?

The remaining game is vital for **North** who meet **Old Paradians** at Bundoora. **O.P.'s** will be still smarting after last week's 6 point loss. **North** has had chances to take over fourth spot and knowing it has **De La** next week will have planned well for today. However at Bundoora and despite the good form of **Garry Carroll, Mick Hed. Iey, Paul Millett, Ben Curulli** and **Tony Cahill** to mention but five I'm afraid today will see the end of **North's** hopes for a hattrick of finals appearances.

In B Section Marcellin are at home to Therry in the match of the section. Therry won well in the first encounter (20.8 to 13.13) and with second spot at stake for both clubs there is certainly plenty for which to play. Marcellin at home are hard to beat and as both clubs play a similar style and have coaches who are keen students of the game the anticipated big crowd are in for great game. Marcellin are holding a reunion lunch to celebrate 20 years as a football club and president **Gavin White** is confident the old faces will inspire the side and urge them to victory. Marcellin must concentrate for the whole game and not have a quarter off if it is to win and with tough games against Parkside and St. Bernards still to come knows full well that Uni Blacks are still capable of a final challenge. For Blacks to make it they must win the remaining four games, the hardest of which is against St. Bernards today. I don't believe the students are capable of beating St. Bernards who have had a fine year after a slow start. They have made it to first place without the hoohah and fanfare associated with other clubs and have the right mixture of youth and experience and a most astute coach in Frank Melican who is sure to have his side in the right frame of mind for today's game.

Parkside will be keen to avenge their shock Round 7 loss against Old Trinity who appear to be going through the motions. Parkside is bound to go for percentage and will appreciate the run on the big Old Trinity ground with the finals so close.

St. Kilda CBC has the form and spirit to beat Fawkner at Fawkner and will be hoping lvanhoe account for Banyule as it fights to avoid relegation. Ivanhoe are more stable than Banyule who have not fared quite as well as anticipated and would need to pull out a big one to knock off the 'Hoe this afternoon. As Ivanhoe are not known for their on field generosity I'm afraid Banyule are in for a bleak day.

To C Section where **Hampton Rovers** are supremely confident of downing the **High School** following that splendid win over **Balaclava** whose finals hopes have nose dived in recent weeks. However such is Amateur Football, I've no hesitation in selecting **Balaclava** to beat **Monash** at Albert Park. The **'Ashes** are in a real slump having loss successive matches and as **Balaclava** "has the wood" on the students I'm afraid July will prove a very sad month for **Keith Freason** and company.

Kew are at home to AJAX and could start at half time and still win whilst **Thomastown** have far too much at stake to drop a game against **Old Haileybury** who will be heartened by last weeks effort. Going on last year from memory **Old Haileybury** struggled to field two sides although despite the trek awaiting the Springvale boys I'm sure they've learnt the lesson of playing "ring ins"

Elsternwick Park is the venue for the battle between close rivals **Old Brighton** and **Old Melburnians.** Two or three weeks ago I would have given **Brighton** a big show but **O.M.'s** have regrouped since then and the return of many of its injured stars has the side in the right frame of mind for the big months ahead. Despite the distraction of a supporters lunch **O.M.'s** will appreciate the chance to show their true ability and should win an entertaining game.

## **REVIEW OF GAMES PLAYED JULY 27, 1987**

#### D SECTION (Round 15)

North Brunswick's greater accuracy enabled them to defeat **Old Mentonian's** by two points. This victory means that **North** are now safe from relegation which must be a big relief to their members. There was no need for **Old Camberwell** supporters to worry last week as their players carried the team to a forty nine point victory over **Coburg. Old Ivanhoe's** comfortable thirty eight point victory over **Preston** has stopped virtually all hope the **Preston** people had of reaching the finals. **St. Kevins** returned to the winning list when they defeated **Elsternwick** by thirty six points. **Bulleen United** experienced few difficulties in defeating **Heatherton** by forty one points.

#### E SECTION (Round 15)

The sectional results did little to sort out the scramble for positions with which all ten clubs are vitally involved. What a result between **Brunswick** and **Old Essendon!** Who would have forseen a tie! The result has kept the clubs in the top tow places. As expected **State Bank** had a big credit score of ninety seven points against winless **Clayton. Old Geelong** won their long awaited sixth game when they defeated **Powerhouse** by thirty one points. The surprise result of the round was **University High School Old Boys** ten points win over **St Bedes**. This loss by **St. Bedes** coupled with **West Brunswick's** sixty one point victory over **Peninsula Old Boys** saw **West** move into fourth place.

## F SECTION (Round 15)

Williamstown was untroubled to defeat La Trobe University by forty three points. I must apologize to my avid La Trobe readers because what else can I write about your side! Whitefriars had an overwhelming victory over Commonwealth Bank by one hundred and thirty five points. A.N.Z. Bank gave a commendable display against Doveton before going down by thirty four points. For the first time in the V.A.F.A. St Leonards won consecutive games when they finished seventy five points in front of Footscray Institute. The win lifted St. Leonards two places on the ladder from twelfth to tenth. The match of the day at Elsternwick Park turned into a nightmare for Old Carey who were overwhelmed by St. Andrews by one hundred and eighteen points. In the Sunday game leaders Aquinas received little opposition from University Reds before Aquinas won by one hundred and six points.

### G SECTION (Round 15)

Monash Whites were too strong for De La Salle and won by twenty three points. St. Bernards and Collegians were not evenly matched in Round 15 because St. Bernards were able to win by sixty two points. Inaccuracy by Old Scotch saw the Cardinals go down by twenty two points to Port Colts. Old Haileybury recorded a comfortable thirty point victory over G.T.V.9 while Kew were able to defeat Marcellin by fifteen points. Leaders Bloods experienced little difficulty defeating Old Melburnians by ninety five points. As these six results were as I predicted I tipped the G Section card.

# H SECTION (Round 15)

Bulleen Templestowe had a day out against Old Geelong and as a result had a huge winning margin - one hundred and ninety seven points. Leaders Eltham had little trouble defeating Therry by seventy seven points in what was Therry's last appearance for the season. St. Kevin's did return to the winning list in a resounding fashion when they defeated Richmond Central by forty six points. Old Brighton received little opposition from C.B.C. St. Kilda before Brighton won by eighty points. Old Xaverians forfeited to State Bank. Powerhouse/Balaclava had the bye.

# UNDER 19 SECTION 1 (Round 14)

Collegians with a clear cut victory over De La Salle by twenty eight points have vitually ended all chances that De La might sneak a final's berth. University Blues returned to the winning list when they had a sixty seven point victory over Ormond. Old Paradians Green overcame some spirited opposition from Melbourne High School Old Boys and led throughout the game when Old Paradians won by eighty five points. Leaders Old Xaverians defeated Marcellin by thirty six points after a hard fought game in which Xavier's direct play

contrasted with the haphazard Marcellin ball movement. The North Old Boys forfeited their game against Bulleen Templestowe.

#### UNDER SECTION 2 (Round 14)

University Blacks hit top form and annihilated Old Melburnians by one hundred and four points. The Blacks can still make the finals provided they can maintain momentum. Banyule indicated my selection when the confirmed their winning streak by defeating St. Bernards by thirty eight points. This win took Banyule to fourth place as Thomastown failed by thirty one points against Old Haileybury and thus slipped to Old Brighton by eleven points. Old Scotch showed the value of accurate kicking for goal when with less scoring shots the Cardinals defeated leaders Therry by nineteen points. Therry's inaccuracy over many weeks must be a source of concern to Coach Pinner as the final's approach.

### UNDER 19 SECTION 3 (Round 14)

Ivanhoe recorded a massive victory over leaders Whitefriars when the Magpies won by sixty four points. Monash Blues also had a big win at the expense of Old Paradian's Purple who nevertheless proved competitive opponents. The Blues final margin was eighty six points. There is no result of the game between Williamstown and Hampton Rovers due to the match being abandoned.

Caulfield Grammarians had the bye.

PREVIEW OF MATCHES TO BE PLAYED (August 1, 1987)

#### **D SECTION (Round 16)**

Bulleen United, will meet spirited opposition from North Brunswick. However Bulleen will take the points because of their superior talent to say nothing of the lure of the final four. Old Mentonians must defeat Old Camberwell to remain in the final's race. However Old Camberwell have the superior record and I can't forget last week's Mentonian stumble. Old Camberwell are my selection. Old Ivanhoe visit Coburg and should take the points in a convincing manner, as they need a win to insure the double chance and Coburg is now en route to E Section for the first time. Preston await St. Kevin's who must be favoured to win. Nevertheless St. Kevins will have to play out the full hundred minutes or they could lose as Preston is a formidible team. Elsternwick travel to Heatherton and must be favoured to win as the locals have the least active forward line in the section. An Elsternwick victory will keep the old club in the section and insure a Heatherton drop to E Section for 1988.

#### E SECTION (Round 16)

St. Bedes will gain no respite today as they strive to return to the top four. Brunswick their opponents today will be all out to comment on the double chance and I believe they will defeat St. Bedes. Old Essendon should inflict a huge defeat on the hapless Clayton. Percentage could be vital to Old Essendon after Round 18 and today is a golden opportunity for it to be built. State Bank must start warm favourites to defeat Old Geelong on Oval 4. Victory to the Bankers could earn the double chance so the incentive is there. I have no hesitation in selecting State Bank. Powerhouse play Peninsula on the Ross Gregory Oval. Victory to Powerhouse will insure the Club will play in D Section next season and this victory should ensure Peninsula drop to E next season. Victory to Peninsula could see the reverse scenario. The threat of relegation often makes sides play above themselves. (Who else at Powerhouse can recall their 1961 tie with Coburg which enabled the 'Burgers' remain in B Section!) At home I select Powerhouse. Near neighbours University High School Old Boys and West Brunswick meet on the Brens Oval. The University High players proved giant killers last week. Can they prove so again! Victory by West Brunswick could insure a final four berth. Surely this will be sufficient incentive. I believe it will and that West will take the four points.

#### F SECTION (Round 16)

Old Carey are at home to Williamstown and must show marked improvement to take the points over Williamstown. Theoretically either side can still be a finalist to victory today will be vital. Who do I select ! Out of for Carey or inconsistent Williamstown ! I will take the plunge and select Williamstown. The intellectual match of the day will be play at Bundoora between La Trobe and Melbourne University Reds. La Trobe is the stronger side and should record a comfortable victory (Surely this will please the Mills and Reichelt Families who regularly read my prose.) Whitefriars should be able to have a very comfortable victory over A.N.Z. Bank while Aquinas should be able to withstand allDoveton attacks and thus take the points on the Power Reserve. St. Andrews on the crest of a wining move should be able to post another victory today at the expense of St. Leonards despite the Saint Leonard's and Commonwealth Bank meet on the Turner Reserve. The only outcome of which I can be sure is that the winning side will be wearing blue and gold guernseys. Commonwealth Bank' 1987 record is the most impressive and so I select them to win.

#### G SECTION (Round 16)

Today's final round of home and away matches provides an elimination final as the winner of the Kew - De La Salle game will play in next Saturday's first semi final. At home I select Kew. For the loser of this game all will not necessarily be lost as Bloods could well see Port Colts miss the finals. I select Bloods but I am not able to speculate on what the final percentages will be. Keep your calculators handy as you scan the scores on Sunday!! Second placed Monash Whites should experience little difficulty in defeating Old Melburnians. Collegians and Old Scotch should complete their season with an even content. At Oval 11 I favour Collegians THE AMATEUR FOOTBALLER 1987 to win. Two of the section's less successful sides Marcellin and Old Haileybury meet at Marcellin. The Eagles have marginally the better record, but at home and given the big day for their club the players surely will lift their performance rate enough to take the points. St. Bernards journey to Camberwell to play G.T.V.9. As St. Bernards have the more impressive 1987 record I select them to win again today.

# H SECTION (Round 16)

second placed Old Brighton should prove strong enough to defeat State Bank. Old Xaverians should end their season a a high note by taking the points against Powerhouse/Balaclava. This H section combined side must be commended for always meeting it's commitment despite the regular heavy defeats they have had on The field. Bulleen Templestowe and Eltham will give each other a solid final preparation today. There is statistireally speaking, little between the sides. The Combine has taken longer to hit top form and if last week's results are any indication the side is cherry ripe for final's pickings. Today I select Bulleen Templestowe to defeat Eltham. St. Kevin's whose recent form has little to recommend it. Richmond Central has the chance to end a successful debut season with victory over Old Geelong who have not shown much form in recent matches. Therry have the bye.

As this is my final full sectional report for G and H Sections I hope their players and supporters have enjoyed their season as full members of the V.A.F.A. and that each of these teams will be in action again in 1988.

## LINDER 19 SECTION 1 (Round 15)

Old Xaverians who go from victory to victory should have a clear win over De La Salle. the spur of being champions gives extra Xaverian incentive. Collegians, who are judged by some to be a good side, could give University Blues a solid game at Oval II. I cannot select against the Blues whose record is by far the more impressive A vital game at Ormond sees Melbourne High School Old Boys and the home side view for the right to remain in the section next season. I select Melbourne High School providing their players concentrate on their name and more the ball quickly to give their forwards the chance to compete one out aginst their opponents. old Paradians Green have the chance to polish their team play when North Old Boys visit Bundoora today. The Paradians should have a big victory. Near neighbours Marcellin and Bulleen Templestowe meet at Marcellin. It is now virtually impossible for the Bullants to make the finals but they can prevent Marcellin holding the double chance by winning today. Conversely Marcellin are aware of the rewards of victory and in front of their club stalwarts the **Eagles** should triumph.

## UNDER 19 SECTION 2 (Round 15)

Two of the disappointing sides of the season Old Brighton and Old Melburnians meet on the Brighton Beach Oval. Local knowledge (home ground advantage) should enable Old Brighton to win the game. University Blacks and St. Bernards both can be finalists providing they win today. The Blacks have hit top form in recent weeks and today I believe they will win again to thwart St Bernard's hopes and kindle their own. Banyule and Old Scotch play in what is virtually a final's preview. At Banyule I favour the home side to win the game be cause a loss could see them fall from the four. Leaders Therry play Thomastown whom they comfortably defeated on May 23. Since then Thomastown has shown great improvement and has become a definite final's threat Today at home I favour Therry to win again. Old Haileybury who could snatch second place after Round 18 should be able to overcome all C.B.C. St. Kilda opposition and win the game.

## UNDER 19 SECTION (Round 15)

Old Paradian's Purple and Williamstown should play an interesting game at Bundoora. The Paradian's have shown my many glimpses of form but they have not been able to give a sustained exhibition. Williamstown's record is somewhat similar. Today I select the Old Paradians due largely to home ground advantage. Whitefriars will be anxious to return to the winning list and Monash Blues could well be the unfortunate side. Because of their superior record I select Whitefriars. Caulfield Grammarians journey to Hampton Rovers where they can confidently be expected to win the game. I select Caulfield to record another big win. Ivanhoe have the bye

# MILESTONE AT COLLEGIANS

The Collegians Football Club wishes to congratulate Tony Baum on his 150th game with the Club.

Baumy joined the Club in 1978 straight out of school. He became a permanent senior player during that season, playing in his customary half forward flank position. Although tried in the centre and as a <sup>\*</sup>rover, Baumy found these positions required too much running, and also how can you kick goals from the backline?

He is renowned for his sliding marks and his ability to back away from packs (near goals of course) rather than running into them. Over his football career, Tony has not handballed effectively with his left hand once, and it is rumoured tht the Club's early season injury worries were a direct result of Baumy's "hospital handballs".

- His four career highlights would be:-
- 1. Best and Fairest Winner 1984.
- 2. A Grade Premiership 1986.
- 3. His marriage to Carolyn 1987.

4. Trying to explain to Carolyn why the round wedding ring she gave him came home flattened after training one night!

# MARCELLIN MILESTONES

Marcellin Old Collegians has had a few quiet achievers in the last year. So quiet in fact, that they have failed to make the illustrious pages of The Amateur Footballer. We think it about time that their deeds be announced. Toward the end of 1986 and so far in season '87, several players have reached personal milestones at the club. Four of the youngsters chalked up their 50th games in the second half of last season. Anthony Caffrey was the first. A memher of the victorious 1985 premiership side, Caff was one of the many products from the school who has gone on to become a regular senior player. One of his cohorts, Chris Carr, also played his 50th. Another school boy superstar, Chris has fitted into Neil Le Lievre's coaching style with consummate ease. The third of the quartet, Mick Day, has been starring this season playing in defence and attack and has proved a more than versatile footballer. The final member of the Marcellin Musketeers is Chris Slatery. Slatts was somewhat of a nomad pre-season, giving a few league clubs the opportunity to acquire his talents, But he decided to come home and has lived up to his potential by being selected in the Victorian side. These four played in the supreme 1984 Under 19 side which won every competition entered. Rohan Steward, who tragically broke his leg earlier this year whilst having his finest season at the club, also made his half century in 1986. Greg Hughes, who worked as hard as anyone at the club in the last couple of seasons, was another player to play his 50th last year. Hughsey's hard work is paying off as he is now a key player in the reserve side. Several players reached their 100 game milestone last year. Every player is a small part of the lifeblood of their club, but some players are the heart. Tony "Moosha" Amad. 1985 best and fairest runner-up is one of the players at Marcellin responsible for so much of the on-field success in previous years, and he played his 100th last year. His barnstorming barges have become second na-\*ture at the club and Moosha is one of the most senior and respected people around the place. Well done Moosha. Matty Getson, whose season has been interrupted (can you believe it) by marriage, also reached his 100th game last year. Serious questions about Matthew's priorities have been raised, but we know he'll be back keener than ever. Damien Menzies, sidelined at the moment with a delicate complaint, also made the ton last year. Well done Stubbles. One of the doctors around the place, who is around no more. Dave O'Callaghan, also played his 100th, as did gritty Gay O'Connell, who still has a headache from the St. Kilda game. Gerry Price, who dare I say it, keeps getting bigger. Our own Opal Man, Steve Psoras, who was also a member of the triumphant '85 premiership side and Howard Toomey, a member of the famous Toomey clan. Last year also saw one of the popular men around the place play

THE AMATEUR FOOTBALLER 1987

his 150th. Bernie Crimmins, another emminent medical man, reached the special milestone and did it with a touch of class. This year is something new for Bernie. Despite the fact that he loves kicking goals, he is playing the best football of his very long career in the back pocket - one of the brainchilds of rookie coach, Mick Dillon, Well done, Bunnha, Several players have passed the 50 game mark this year. Another of the prime movers around the place, Morris El-Fahkri, reached the mark earlier this year. Dave "Bomber" Howe, whose always getting himself injured (?), deservedly got to the first of what we hope will be many more milestones this year. Noel Peters, who has been remarkable with his beloved thirds, also made his 50th appearance, as did spearhead Gary Petroff, another of the '85 premiership players, the bearded John Scott and Richard Van Der Merwe, two of the big men in the twos at present. Four players have reached their centuries this year. Mark Cooper, another of the '85 premiership players, is another Maroon and Blue diehard who came straight from school and never had a second though about playing for the Old Boys. Good on you Sharkey. Another doctor, Dirk Ebert, who is just about the most skilled player at the club, and was another '85 member, also played his 100th. Someone remarked to Dirk congratulations on his "200th", that is more an indication of his timeless committment, not his apparent age. Luke "Billy" Getson, who has had a hard time keeping quiet at 21st birthday speeches played his 100th against Fawkner. Just so people would remember the game. Billy tried to take the greatest mark ever seen on a football field. He jumped as high as anyone, unfortunately the mark eluded him. Better luck with the 200th. The fourth player to reach his centurv this year was Tubby Kennedy. His real name is Adrian, but nobody knows that so we should stick to Tubby, A player of tremendous skills, Tubby always seems to have time on his side as he graces the wings of Marcellin No. 1 and other grounds. A graceful footballer at the worst of times, we congratulate you Adrian (who?). Two of the dovens of the Marcellin Old Collegians have played their 150ths this year. The first is the captain and the player who led the club to its most recent Grand Final success, Andrew Cullinan. Andy began his career on a half forward flank, but has slotted into full back in the last couple of years and has played the position beautifully, despite his lack of height. Congratulations Cull. The last player to reach a milestone, but in no way the least (I have to say that, he's my coach) is Mick Dillon, Dilly is coaching the seconds toward a finals berth in only his first season of coaching, and has the players teaming together really well. He has been a tower of strength around the Football and Cricket clubs, and has reached a most deserved landmark. Well done Dilly, and congratulations to each Marcellin quiet achiever.

OTF' joins Amateur Football supporters everywhere in wishing well known Caulfield and Old Brighton identity John Wilson a speedy recovery following a recent stroke. John is recovering slowly at St. Vincents Private Hospital but is not yet up to receiving visitors.

\* \* \*

OTF' congratulates St. Andrews Terry Wilson whose 10 goals against Old Carey last Saturday took him pas the century — the first player in the Association to achieve that unique distinction this season.

#### \* \* \*

OTF' notices two famous names cropping up with some regularity in the best players of their respective clubs Owen Abrahams (Old Paradians) is the son of former Fitzroy champion of the same name and Antony Callan (Old Xaverians) is the son of former Geelong champ Terry Callan. \* \* \*

OTF' pays tribute to St. Leonards persistence following its second win for the season against Old Carey.

#### \*\*\*

Another result of note was Old Camberwell's reserves two point win over previously unbeaten Preston M.B.O.B leaving Old Xaverians under 19s as the only unbeaten side in the competition although Marcellin U19s would know that they beat the Xavs. on the scoreboard but suffered the tragedy of playing an unregistered player

1987 is certainly a year of celebrations. 'OTF' has received invitations to attend St. Bernards and North Olc Boys 25th Year celebrations, Marcellin's 20th and Therry's 10th!!!

All three of them have been good clubmen, and have been contributing for the success of the club on the field. They have iso had the distinction of representing the premiership team of the club, last season. Best wishes to John, Peter and David, in their continued efforts for the success of the club, and towards achieving their next milestone at he Club.

# **50 GAMES TO OLD TRINITY'S TREVOR NORMAN**

Congratulations go to Trevor Norman for his 50 game milestone. Trevor, a club best and fairest and best first year player is always a contender for the end of season betting. Trevor has earned the nickname of The Shark on the basis of his tenacious tackling and ball getting ability. Always one of the first selected on any coaches list Shark is always leaving opponents wondering what has hit them after a Shark Attack. A fantastic effort and congratulations Trevor from all at the Club.

# THE VAFA WEARS WOOL

VAFA representative teams have enjoyed the comfort of wool for the last three seasons.

Players like Hampton Rover's David Rogerson seen here in the new Woolblendmark jumper for season 1987, and Ormond's Phillip Kingston wearing the Woolblendmark jumper worn in the 1986 State Games, enjoy the feeling of wool every week because the VAFA is one of a growing number of associations who have made the change to

Woolblendmark jumpers.

They've made that change because they know that wool provides maximum comfort whether players are performing in hot or cold conditions.

And no matter how many times they're machine washed or commercially laundered, Woolblendmark jumpers stay in shape, season after season.

That's why Woolblendmark has VAFA endorsement, because nothing touches wool for economic performance that just goes on and on.

Woolblendmark jumpers are made to Australian Wool Corporation standards by Hugh Lyons for the VAFA, and are available through VAFA Marketing on 417 7184 or from Lyon (03) 583 3277 Hugh Lyons on 583 3277.

# Marketing Segment

by Ray Sneddon

Grover's Fine Wine and Spirit Merchants since 1924, has been the official supplier of wines and spirits to VAFA for the past two years.

One of Grover's Directors, **Peter Marr** has an amateur background having played 200 + games with Universith High School Old Boys back in the 60's and 70's. (Another Director, Tim — or is it Phillip? Hayman is a neighbour of mine.)

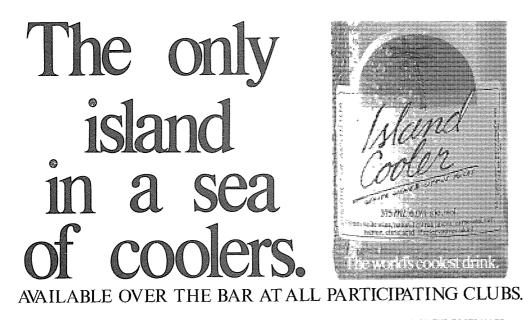

There's nothing easier than to sell wine to your Club members and supporters...... how many times . have you been asked to support a local school, kindergarten, cricket club of whatever by purchasing one dozen bottles of specially labelled wine......well get on the bandwagon.....arrange your own and see how easy it is to raise \$1,000 for your Club.

(You know not one VAFA Club has aksed me to buy any Club wine this season......someone's slacking).

Our many thanks to Peter, Phil, Michael, Brian and all the gang at Grover for their wonderful sponsorship support.

Its up to all VAFA Clubs to act now.....its never too late to arrange a special bottling.

### MEMO TO ALL UMPIRES:

Remember our Annual Dinner which is fast approaching, see **Rob Bell,** for details of that Master of Disguise

# FAMOUS NAME CONTINUES ON...

Mark Serong, a goal umpire with the VAFA, is the second of ten children and is currently doing a Maths/Computer Course at R.M.I.T.

Mark, who is 19 years old has always taken a keen interest in football, his father, **Bill** played 98 games with Collingwood between 1956 and 61, and one season with North Melbourne in 1962. In 1959, Bill polled very well in the Brownlow Medal count, finishing equal third.

Mark, played junior football with Ivanhoe in the Doncaster Distrcit and school football with Marcellin. It was at Marcellin that Mark first umpired, due to a shoulder injury he took up the flags for the first eleven on Friday afternoons and enjoyed it so much he thought about doing it more often. Mark's involvement with the VAFA came about through Marcus Redi (brother of Brandon) and former field umpire John Smith (who now runs the boundary for Marcellin).

Mark started in 1984 with the VAFA and hal way through that season umpired his first 'A' Section match, which me remembers as being a great thrill.

According to Mark, the 'goalies' are a great bunch of blokes, always full of encouragement (and jokes) and now in his 4th season he is enjoying it more than ever.

Mark's highlights to date are: His first 'A' Section Match (1984)

U19 Grand Final (1985) U19 VAFA v VFA (1986) and the 'A' Reserves Grand Final (1986). Here are some of Mark's interests:

Favourite Food: Fried Calamari.

Favourite Drink: Beer or milk (depending on how much beer he has had).

Fvourite Sportsman: Hulk Hogan.

- Favourite T.V. Show: Neighbours.
- Hobbies: Golf, Tennis, and Indoor Cricket.

Biggest Influence: His girlfriend.

Biggest Thrill: First 'A' Grade Match.

- Biggest Disappointment: Being dropped from 'A' Section.

Ambition: To umpire as many 'A' Grade Grand Finals as possible. (Maybe a quiet chat to Don Hillier would help).

On behalf of the Umpiring fraternity, I would like to congratulate **St. Bernards Football Club** on their 25th Anniversary in the V.A.F.A. This great club celebrated the event on Thursday night 23rd of July at Moonee Valley Racecourse, and what a night it was.

Approximately **450 guests** attended and almost immediately the reminiscing began, some of the stories told were a real delight to listen to.

To see past players and officials mixing with the players and officials of today and talking of more premiership aspirations was certainly interesting.

The highlight of the evening was the rundown of the clubs history in the VAA by **Michael Perrett**, it was the most comprehensive and well spoken talk that I have ever had the pleasure to listen to.

Michael, included not only past and present players, but included some of the best umpires to be associated with the VFA in his speech.

The night was a wonderful success and the people who organised the **Ball** deserve more than applause. Well done, **St. Bernards** and may you continue to be a big part of VAFA history.

I believe a very late, but enjoyable evening was had by a "few" umpires a couple of weeks ago at **Teresa Bolger's** place. **Kevin Segota** (chilli pepper), **Peter Harris** (the late night king) and **John Hall** (horse expert) to mention a few, surely would have had some explaining to do, once they arrived home. I'm sure Peter Harris would have given them all some "homely" advice on keeping in the good books.

I would like to thank the two lovely canteen ladies from **ANZ Bank** for proving a nice hot cuppa last Saturday, as well as showing support for umpires, it certainly was pleasing to hear good and positive comments coming from them.

# "WOORI-WONDER" REACHES 50 AT U.H.S.O.B.

The "Woori-Yallock Wonder" Rob Thompson plays his 50th game for UHSOB today. Since starting with the club in 1985 Thommo has repeatedly thrilled the spectators with skilful bouncing of the ball on the run, artistic balking of opponents, and brilliantly executed drop-kicks on the forward line. In his own words he is truly "bringing the crowds back to amateur football." Thommo was a member of the 1985 reserves premiership side, and is he current club treasruer. He is well known for his actics on the end of season tripaway and his race-tips are highly respected, with Top Banner being his most admired sportsman. It is believed that Olympic Park will one day be closed down allowing Thommo to be seen at training on a Monday night! Well done on your 50th Thommo, from all at Uni. High.

## ROUND 16

LOOKING BACK — 5 YEARS AGO — 1982 300 games to Assumption's O.C. Michael "Bull" Howe who joined the Club in its foundation year, after a season with Uni lack Juniors in 1962. A member of the club's only Premiership side in 1967, senior coach, life member and above all his friendly and good-natured manner, "Bull" is one of the club's greats.

Umpire Pat Maebus handled his 150th game.

In a superb game, **Ormond**, desperate to hang on to fourth place, defeated by 3 points Old Scotch, who wanted a victory to get out of the relegation battle. # FAMILY DAY AT ROVERLAND

Hampton Rovers tomorrow will hold their inaugural family day, starting off with a family fun run at the David Street Oval, Hampton. Food and drink will be supplied, team photo's taken and raffles will be held throughout the day. All V.A.F.A. supporters are welcome to come down and have a great family day.

#### 150 GAMES TO ROVERS' BROTHERS

Today's game sees unusual milestones being reached in V.A.F.A. football, with two brothers playing their 150th game for Hampton Rovers on the same day. Paul "Dog" and Grant "Mud" Kelly commenced their careers in 1978 and 1979 respectively. Paul has been a stalwart in defence and his strong marking has been a feature of his game. Paul last year captained the reserves through to the grand final. Although unavailable for most of this season, Dog is now back to his barking best. Grant came up through the under 19's where he was both captain and best and fairest winner. He is now a regular senior player having recently moved from a roving to back pocket role and this season is probably proving Mud's personal best despite the club being down. All at the Rovers wish Paul and Grant the best for today's games.

### CLUB RECORD AT AJAX

Michael Rosner breaks the club record when he plays his 232nd game against Kew today. Micky R first donned the Ajax jumper in 1970, when many of his team-mates were still in kindergarten. He played in the U/19's for 3 years before he played senior football in 1973. The club won the premiership in 1975 in E grade, and this was due to the fact that he went overseas for the year. A versatile senior footballer and a moment he wont forget for the rest of his life was when Micky kicked the winning goal in the 1978 second semi final when Ajax won by a point, that put Ajax into B grade. A member of the group of players who played in every grade from E to A. The highlight of his career was the 1979 grand final win and being part of "The Greatest Association." He is undoubtedly one of the most popular players to put on an Ajax jumper and everyone associated with the club past and present would like to congratulate you on this marvellous achievement. Well done Mickey R. Lets hope you have a memorable day!

THE AMATEUR FOOTBALLER 1987

Best were Bob Murray, Bill Clarke & "Bluey" Clarke for Ivanhoe while for the losers Graham Beck, Max Smyth & John Heathcote stood out.

Pearse of St. Kevin's D Section was the Association's leading goal kicker with 79 goals after 15 games.

State Savings Bank 3rd in B Section kept Parkside bottom — goalless.

**Collegians** cracked it for a win with a convincing victory over **Alphington** by 26 points.

#### 50 TO BLADES

Craig Westblade today plays his 50th game for ANZ against Whitefriars.

"Blades" who has been around the place for a while now is one of our young breed who has a future if only he would really apply himself. He has spent most of his career in the 2nds but the games he has played in the 1sts have shown us all that he has the ability to become a permanent member of the senior side with just a little bit more dedication.

Craig is one of the young players around which ANZ is basing its future, and it is young players like hime that will hopefully help us to start to rise through the ranks of the VAFA.

Have a good one today mate, hopefully your form and the teams form of last week will continue and this week we'll all go that "One;; step further and knock off a top side.

#### 200 GAMES TO ORMOND'S GREG FISHER

The players, supporters and commiette of Ormond congratualte **Greg Fisher** on playing his 200th game for the club today. **Greg**, one of our greatest clubmen, started at Ormond in 1969 with our U/15 side. He then went on to win the U/19 competition goalkicking award in 1974 and finished 2nd in our senior best and fairest in 1979. In 1982 he was awarded the "Neil LePage Memorial' best clubman, and in the following year was presented with a life membership of Ormond. **Greg** is a very respected member of our club and is a long serving committee man and V.A.F.A. club delegate. "Fish" has displayed some of his best form this year and all at Ormond hope this will continue not only this year but in the years to come. Well done "**Fish**" and all the best for today's milestone.

#### RICHMOND CENTRAL

With our first season in the V.A.F.A drawing to a close this weekend, **Richmond Central** wish all the teams in the 'H' section finals the best of luck. Naturally, we would dearly love to be there battling it out with them, but our turn will come next year for sure! We will end the season on a winning note and finish only a game or so out of the final four; not bad for our inaugural year as a club. 1988 will definitely be the year of the snake!!

#### YET ANOTHER 50 GAMES AT ELSTERNWICK Well what was meant to happen was that Peter Ginkel was to play his 50th last week and Andrew O'Connor to miss last week and play his 50th today. We congratulated Ginks and held over writing about Andrew. As it turned out Peter was unavailable and plays his 50th today and Andrew overcome a recurring hamstring injury quicker than expected to play his 50th last week and now misses a couple of games, thanks to a holiday (not from the Tribunal of course!)

Congratulations Andrew — now for the next 50. Andrew also distinguished himself by playing 8 quarters of football in Round 1 this year and for the next 10 games successfully held down a spot in the Senior team - something which in the past 2 years had become a little difficult to regularly achieve. On his day Andrew is an exceptional second player and this year with a strong pre-season training programme behind him, the reward has been a regular senior game. But for that nagging hamstring he would have got to 50 earlier. Well down and now for the ton.

Today we have the South of the Yarra clash with Heatherton and if history repeats itself it should be a tough encounter. A win in this game today will take us into D Grade for 1988. Let's do it for the Red and Black and come out WINNERS!

A quick Social Note, Bad Taste Night back at the Main Rooms 7.30 p.m. Support your Club and enjoy a fun night.

#### 100 GAMES AT AJAX

Today against Kew David Sharp runs out with AJAX for the 100th time. Sharpie joined the club in 1982 and has been a regular reserve player throughout his career. The highlight of his career has been the fact he has never missed a game through injury, quite a remarkable effort in todays football. He is the type of player every club dreams of, never questioning the coach and is truly one of the best clubmen around the club at the moment. Further highlights would be his appearance in the finals match last year and his brief senior games. Probably another highlight was Sharpie becoming a father a few weeks ago. Congratulations from all at AJAX on your 100th game, to one of the really top blokes at the Club.

#### 150 AT HEATHERTON

Everyone at Heatherton would like to congratulate WAYNE "FUJI" HOWELLS on reaching the milestone of 150 games today. Handbrake started playing with H.F.C. in 1977 with the Under 17s progressing through the U19s and then to senior football, This injury prone oriental looking man has been a valuable player on and off the ground, having been a committee man. He has not got the important job of Treasruer. Howza has been a consistent player over the years and has been seen regularly charging down the ground from full back trying to kick a goal. Nowdays Howza has somehow found himself playing on the forward line and loves nothing more than having a shot at goal from 90 yards out! Handbrakes highlight of his career is being a member of the 1985 Premiership team and if H.F.C. had more players like Howza the next premiership would not be far away, from all at Heatherton, Well done Howza!!

#### **KEW MILESTONES**

Robert Love & Tony Clota both play their 50th game for KEW today. Rob began in the U19s back in '83 and after a season or so at "roving" has now settled down in the back pocket for the Seniors. Tony joined Kew Club VXIII in 1984 and has been a solid defender with the Warriors ever since.

Congratulations from all at Kew to Rob and Tony on their respective achievements.

## ST. BERNARDS - 50 GAMES - MAX GOLLANT "The Galloot"

Matty has been a great worker around the club for many years now and is our current Club Secretary. Coupled with many other functions Matty gets to play some seeks, and has finally notched up his 50, "The Galloot" has a bull dozing effect in packs and look out if you get in his way. Many of his own players have been bundled out of his way in the past. Matty is at
