A Section Review by Ross Booth

We have an expanded VFL Competition and an expanded VAFA Competition with the new G and F Sections. It was a pity to see two forfeits in H Section. Let us hope next week bring better news. At least, the Head of the River is over!

At the Harry Trott Oval, last year's A and B Section Premiers clashed and **Old Paradians** emerged victorious over **Collegians** by an astounding 77 points. The **Lions** were just 2 goals down at three-quarter time in what was a fast and furious game — but they couldn't stand the finish of **Parade** who kicked 11 goals in the last quarter.

The **Lions** missed **Simon Williams, Stuart Hinchin, Greg and Keith Parsons, David Hoyle and Ian Roberts.** For **Paradians** **Frank Gleeson** was a very busy rover with 6 goals and half forwards **Greg Powick** and **Michael Skerrett** proved a handful.

But remember, **Collegians** lost their first three games last year. However, there's no doubt the **Lions** were up against a fine side in **Old Paradians.**

It was not a happy day for the other A Section Grand Finalist **North Old Boys** lost by 53 points to 1986 B Section Runners Up **Old Xaverians.** The star for the Xavs was big bad **Steve Curtain** who kicked 11 goals — 5 of them in the second quarter in which the **Old Xavs** kicked 10 goals to seal the game. Back from the VFL, half forward **Vaughan Carlin, Dermot Dann (Milbourne) & Mick Atkins (Footscray)** were valuable players for the Xavs. **Greg Carroll** made a welcome return for **North,** but their best was half forward **Paul Booth.**

University Blues were outclassed by 25 points at Ormond. The **Blues** made their score respectable with a 6 goal last quarter but they were blitzed by **Ormond** in the 2nd quarter. Newcomer **Paul Nankervis** impressed on the wing for **Ormond.**

Old Scotch defeated **Caulfield Grammarians** by 28 points at Albert Park. **Scotch** always seemed to have the edge — their skills were better especially their handball and kicking to position. **Darren Campbell** kicked 5 goals for the **Cardinals.**

De La Salle scored a 34 point win over **Bulleen-Templestowe** on the revamped Ted Ajani Reserve. **De La** had a 9 goal third quarter which set up their victory and **Colin Lowe** kicked 8 goals from full forward.

Here are my tips for this week.

A SECTION:

Old Scotch v **ORMOND**
Univ. Blues v **BULLEEN-TEMP** (Elsternwick)
NORTH O.B. v Caulfield Grammarians
OLD PARADIANS v Old Xaverians
DE LA SALLE v Collegians

B SECTION

Ivanhoe v **PARKSIDE**
St. Bernard's v **THERRY**
St. Kilda CBC v **MARCELLIN**
FAWKNER v Old Trinity
Banyule v **UNIV. BLACKS.**

Peter French Previews Round Two

Cricket conditions prevailed on the opening day of the 96th season of Amateur Football which commenced last Saturday, and no doubt quite a number of games were won, in the end, by teams which had put in a hard pre-season.

I said last week that I'd be happy with 12 winners and missed that target by just one. How did you go? Whilst on last week's efforts congratulations to **Paul Considine** who has been appointed Captain of **North O.B.** for 1987. I mentioned that Paul had not yet decided on his future as he had spent much of the pre-season at Windy Hill. I'm sure North are as pleased with "Conno's" decision to return as he is with the Captaincy.

I also reported that **Elsternwick's Bean** would turn out for **Ormond**, which is incorrect, as he has decided to remain with the 'wicks and help them into C Section.

In the first official outing at headquarters for the season two of last week's losers, **Bulleen-Temp. & Uni. Blues** met in an important match for both clubs. The bullants were impressive in the first half last Saturday but paid the penalty for a loss of concentration in the third term when **De La** rattled on five quick goals. Blues began well at Ormond but lacked forwards, taking a quarter and a half to worry the goal umpires. The bullants will be suited to Elsternwick Park where **Farley, young Heath, Bell, Smythe & Farchione** who made an impressive debut, will have plenty of space to show out. The bullants biggest danger will come from Blues ruckman **Mike Tandell** who will be too tall for the dogged **Harisiou** and give the likes of **Allen Gust & the Macauley Brothers** first use of the ball. The combine will need to watch **Curnow & Wallis** and if these two can be nullified I think the younger and more enthusiastic Bullants can break the ice for a win.

Undoubtedly the match of the day will be played at Bundoora between 1986 B section Grand Finalists **Old Paradians & Old Xaverians** both of whom recorded impressive opening wins. Xavs will face the game with plenty of confidence. They have recruited well and last week boasted 13 players with VFL experience. With the likes of **Richard Armstrong** due to return soon and **Nick Bourke** Reserves only at present, there's obviously plenty of depth. However despite Old Xavs impressive line up its hard to go past **Parade**. Their final quarter against **Collegians** was quite outstanding and coach **Gerard Sholly** will have drummed into his side the significance of a home victory. I'm tipping O.P.'s as they're playing at home, and have **Exton, McCann** and either **Spillane or Matt Considine** more than capable of holding the most talented half forward line in 'A' Section — **Dann, Greetham & Carlin**.

In the other games, I'm going for **Scotch** at home against **Ormond** who have struggled at Batman Avenue in years past, for **De la** to hold out **Collegians** and for a third home team, **North** to open its account at the expense of **Caulfield Grammarians**.

In B Section **Fawkner & Old Trinity** meet at Fawkner in the mtch of the round. **Fawkner** outlasted the Blacks last week to get home by just 4 points in a high scoring game and despite **Old Trinity's** splendid first up effort against **St. Kilda**. I'm afraid they'll find **Fawkner** a much tougher nut to crack.. I wonder who'll be given the big job of tagging Fawkner dynamo **Terry Young** (6 goals last Sat.)

Blacks should open its account against **Banyule & Marcellin** will make i two out of two by downing the **Saints**. **Therry** will be another away winner against **St. Bernards** as will **Parkside** at Ivanhoe.

Looking now at C Section its **Old Brighton** over **Hampton Rovers** in the local derby and **Thomastown** to beat **AJAX** at Albert Park. **Monash Blues** will be well tested by **Old Haileybury** who will relish the return of Captain/Coach **Wayne Shand** and the rugged **Roger Paul**. However the "Ashes" are geared up for a big year and at home will win. **Kew** had a mammoth win last week and will brush the High School aside to remain on top of the ladder and I'm afraid **Balaclava** will be way out of its depth for its inaugural game at the Cordner oval. I've been told by a few stock exchange friends that O.M.'s are "odds on" for promotion. To my mind there's a lot of water to flow under the bridge yet but at this stage of the season a **Balaclava** victory over Old Melburnians is only a pipe dream. Today's selections:

A SECTION

Bulleen-Temp.
Old Paradians
Old Scotch
De La Salle
North O.B.

B SECTION

Fawkner
Marcellin
Parkside
Therry
Univ. Blacks

C SECTION

Old Brighton
Thomastown
Monash Blues
Kew
Old Melburnians

Norm Nugent Previews the D, E, F, G, H and U.19's

North Brunswick showed obvious signs of consolidation since 1986 when they outplayed relegated **Old Camberwell**. **Old Ivanhoe** started season 1987 on a high note when they defeated **Heatherton** by over nine goals. The other relegated side **St. Kevin's** had too much skill for **Bulleen United** whose uncanny accuracy made their score much more respectable. Promoted **Elsternwick** outplayed **Coburg** on the wide wings of Elsternwick Park.

Section E

I forecast a **Brunswick** victory but I did not anticipate they would have over 100 points to spare over **Clayton**. **Old Geelong** showed good early form to inflict a fifteen point defeat on **University High School Old Boys**. **St. Bede's** signalled they will be a force by easily accounting for **Peninsula Old Boys**. Inaccuracy by **Old Esendon** resulted in them defeating **Power House** by only ten points despite having fifteen more scoring shots. **State Bank** found **West Brunswick** not too formidable an opponent as the Tigers were ten goals ahead of the Magpies at the final siren.

F Section

Newcomer **Aquinas** showed they will be a force in F Section by inflicting a ten goal defeat on **St. Andrews** who first missed the 1986 finals. Another potential finalist **Whitefriars** opened the season with a convincing victory over newly promoted **Old Carey**. **LaTrobe University**, who could be a force, started with a victory over **Footscray Institute**. **A.N.Z. Bank** proved no match for **St. Leonards** and finished over one hundred points in deficit. On Sunday **Doveton** proved too strong for **University Reds** who may need some time to develop their game.

Section G

My forecasts and the results were poles apart as I am obviously neither Solomon nor Peter French. **De La Salle's** victory over **St. Bernards** was a correct prediction as was **Monash Wites** victory over **G.T.V.9**. Other winners were **Bloods** (very convincingly), **Kew, Old Scotch** and **Port Colts**.

Section H

This section saw my predictions become reality. However with all due modesty two of them were by forfeit which must be of concern to the clubs involved. Congratulations to **St. Kilda** and **Eltham** on their initial victories and to **Power House** and **Therry** who played the only draw of the round.

Under 19 Section 1

University Blues made my prediction ridiculous because they easily defeated **De La Salle** by over one hundred points. On the other hand **Marcellin, Old Xaverians & Old Paradians (Green)** all vindicated my faith in them when they accounted for **M.H.S.O.B., North Old Boys & Collegians** respectively. The closest match of the round was played between **Bulleen Templestowe & Ormond** before the combined emerged winners by sixteen points.

Under 19 Section 2

St. Bernards & Old Brighton proved too talented for **Old Melburnians** and **Thomastown** respectively. As I predicted **Therry & Old Haileybury** had little difficulty accounting for **University Blacks & Banyule** in their respective games.

Under 19 Section 3

Whitefriars made an auspicious debut with a big victory over **Monash Blues** while **Caulfield Grammarians** proved too strong for **Ivanhoe** after a high standard game. **Williamstown** proved too strong for **Fawkner** whose best form should be ahead of them. In the other game a depleted **Old Paradians Purple** gave their best but had to lower their colours to a well disciplined **Hampton Rovers**.

PREDICTIONS FOR ROUND 2 — 11.4.87.

A plea to all home sides today, please phone the scores to Anne Halley as there are so many of us who like to hear **your** results.

D Section

Two of last week's winners **Old Ivanhoe & North Brunswick** meet at Chelsworth Park. At home I favour **Old Ivanhoe**. **Old Camberwell** await **Elsternwick** and on last week's form I must pick the 'Wick. **St. Kevin's** bouyant

after their big win at Bulleen should add **Heatherton** to their list of conquests. An interesting game should be that between **Preston & Bulleen United**. **Preston** at home should be able to take the points. **Coburg** who are always difficult to defeat on the De Chene Reserve play **Old Mentonians** who suffered defeat on the ground in Round 17 last season which dented their run to the finals. I have no evidence to suggest that **Old Mentonians** can win today.

E Section

Brunswick visit **Old Geelong** and should be able to leave Como Park victorious. Clayton play **West Brunswick** in what could be an even contest as evidence so far indicates neither club will be strong in 1987. At home **Clayton** should be able to win. **University High School Old Boys** make the long trip to Mount Eliza to play **Peninsula**. Both sides will be desperate for victory and my inclination is to **Peninsula**. **Powerhouse** at home will find **St. Bedes** too strong judged on last week's form. Today I will stay with **St. Bedes**. **Old Essendon** visit **State Bank**. Although they are a good side **Old Essendon** will not be strong enough to defeat the Bankers on Oval 4. The Bankers rally do have an enviable record on this ground!

F Section

Whither goest **A.N.Z. Bank**? After their dismal showing last Saturday I have no alternative but to select **St. Andrews** to win. Another bank side **Commonwealth Bank** on the spacious **Harry Trott Oval** should be able to defeat **University Reds** while I predict the other university side **LaTrobe** to go down to **Aquinas** who made such a promising debut last week. **Doveton** at home should prove too talented for **Old Carey**. In the battle of the western suburban sides **Williamstown C.Y.M.S.** should prove too strong for **Footscray Institute**. **St. Leonards** will visit **Whitefriars** with confidence which I expect will be misplaced as I believe **Whitefriars** will win the game.

G Section

Today I believe the five winners will be **Marcellin**, **St. Bernards**, **Bloods**, **Port Colts** and **De La Salle**.

H Section

As with G section form is not too well known, at least to this tipster — Nevertheless, I select **Eltham**, **Power House**, **Old Xaverians**, **Therry**, **Richmond Central & Parkside**, to win today.

Under 19 Section 1

At home **Melbourne High School** should be talented enough to defeat **De La Salle**. **University Blues** must be favoured to defeat **Bulleen Templestowe** although the Bullants should provide spirited opposition. **North Old Boys** do not appear to be as strong as in previous seasons and consequently I tip **Marcellin** to defeat them today. The main game today could well be than between **Old Paradians Green** and **Old Xaverians** at **Bundoora**. The **Old Paradians** will ve built up with the unfurling of their 1986 Section 3 flag and will be out to inflict defeat on the Red and Bicks who won so well last week. At **Bundoora** the home ground advantage is an asset and I select the **Old Paradians**. **Ormond & Collegians** will both be anxious to win to keep in touch with th section leaders — At home I believe **Ormond** will emerge victorious.

Under 19 Section 2

Old Scotch should take the points against Old Melburnians as should **St. Bernards** against **Old Haileybury**. **Thomastown** at home to **C.B.C. St. Kilda** could open their season's account with the four points while **Therry** should score another convincing win this week against **Old Brighton**. **Banyule & University Blacks** should stage an interesting and even tussle before victory goes to **Banyule**.

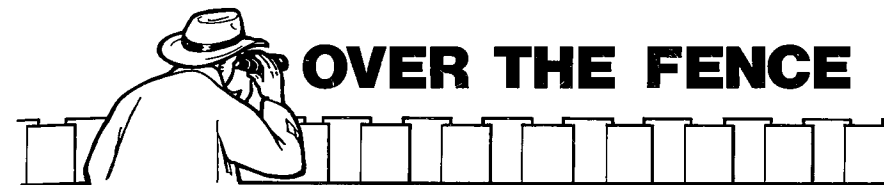

Under 19 Section 3

Monash Blues & Old Paradians Purple should provide an even game. At **Monash** the **Blues** must be favoured although given a fully fit side the **Paradians** could take the points. **Caulfield Grammar** with a convincing victory last week should be able to defeat **Williamstown C.Y.M.S.** especially on Oval 3. **Fawkner** still team building will find **Ivanhoe** too strong today. The 'Hoes have a nice blend of tall and small players and as the season progresses should prove tough opposition. **Hampton Rovers** will prove too talented for **Whitefriars** who visit Hampton today.

Tragedy strikes Parkside Footballer. The Club is saddened to announce that **Steve "Moose" Wilson**, age 34, Player/Life Member at Parkside, suffered a massive brain haemorrhage/stroke on Saturday. His condition is critical and the doctors advise Moose has no future, if he lives at all. The Club is holding a function at the Clubrooms on Sunday 12th April 12 — 5 p.m. \$10.00 donation. All inclusive. **Steve's** family are in a desperate financial situation and your attendance or donation will help a great bloke's family battle through what is going to be a very difficult time. Donations can be forwardd to **Tom Johnston**, 10 Down Street, Collingwood, Vic. 3066. (W) 419 8177 (H) 436 1514. **We at Parkside hope you can help.**

Congratulations to **Craig 'Knob' Robson** on finally playing his 100th game for **S.K.O.B.** in the first round of the 1987 season. **Knob** started with the Club in 1978, and whilst establishing himself as the best ruckman in the competition, he decided to return to the country to assist in the family 'tombstone' business (other clubs watch out).

Fortunately for the Club he returned to SKOB to be runner up in the B & F on countless occasions and State Rep in 1984. Whilst pre-season isn't his forte, all at the Club hope that **Knob's** legs can stand up to another season or two. Congratulations Knob.

Well what glorious conditions for the opening round. Indeed 'OTF' saw one fellow wearing sunburn cream! Congratulations to **Anquinos, Bloods & Port Colts** on winning their inaugural game in the VAFA. A great season awaits us.

'OTF' was privileged to be present at the very successful dinner for Club Presidents, Members and Secretaries held at the Southern Cross last Wednesday. Those in attendance were fortunate to hear a memorable address from guest speaker Ron Casey. Ron was at his best as a thunderous standing ovation would suggest and we think the VAFA Treasurer Noel Rundle hit the nail on the head when in presenting Ron with a framed print of "Carbine" he said "From one great stayer to another".

The night went off without a hitch and congratulations to this years winners of the coveted Certificate of Merit Awards.

Saturday 20th September 86
Munich, West Germany

During the festivities at the opening of the '86 Oktoberfest amongst the thousands and thousands of people there, eight estranged, lost and hopeless Amateur footballers were drawn together by the sound of their club theme songs and distinctive VAFA footy shorts.

From virtually total strangers they held various sittings at beer houses and the camping ground and told many a funny story of their respective clubs over many a stein!

Whilst the VAFA were involved on this very day in the B & U.19 Section 1 Grand finals these 8 likely lads were engaged in a game of their own!

Mr. Brian Goodman

Our umpire's aviser is again Mr. Neville Nash and assistant adviser is Mr. Graeme Simpson. We all wish you both another successful season.

May I take this opportunity of welcoming all new umpires to our ranks and wish them all a very successful 1987.

Question: Who is the axeman?

Brian Goodman

Personality Pars

Three **Brunswick** players lined up this week for their 50th game. **John McLean** and **John Russ** actually took the field and served out their 50th while **Shane Gibson** was denied his 50 game performance owing to the forfeit given by the opposition. These three young players have been excellent contributors and clubmen for **Brunswick** and we all congratulate them on their achievements. **Steve**, our best and fairest winner last years and **John** our first sone of a previous playing father (Barry) to regularly take the field provide great prospects for our future, as does **Sahen** who, through no fault of his own, will need to wait a week to actually perform in his big 50 games. Well done boys!

★★★

All at **Elsternwick** congratulate **Dave Mahoney** on playing his 250th game for the Club today. **Dave** has played most of his football either at full-forward or full-back. He has one of the safest pair of hands and on his day can be a match winner. Dave was the Club's Leading Goalkicker in 1985. All who have played with Dave know that he doesn't say that much on the field — He just goes about his job. Congratulations **Dave** and al the best for another season with the 'Wicks.

★★★

ANDY FIRMAN MOVES WEST

The **Commonwealth Bank Football Club** will be losing a great clubman today. **Andy** has accepted an executive position in Perth and the Club will certainly miss him.

A tough competitor, whether in defence or attack.

Also he will be lost to our committee, which he was elected to this year.

The Club wishes both Andy and his wife Sandy all the best in the future and we hope to see you back sometime. Good luck Andy!

★★★

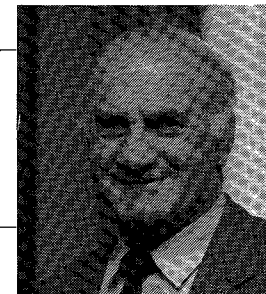

Today marks **Drew Stuart's** fiftieth appearance for **Old Haileyburnians** in a career which began in 1983. The diminutive "Drooper" has spent most of his time as a rover or half-forward in The Wayne Johnston mould, with the same toey stride and loud voice when calling for the ball. The dark-haired, swarthy right-footer played a solitary game in th seniors last year, and has been one of the reserves' most consistent players over the past two seasons.

KEW MILESTONES

150 Games — **Tony Peric** or "Slav" as he is affectionately known plays his 150th game for Kew today. Tony began in the U19's in 1976 as a "very young" youngster. After 4 season and a Most Promising Trophy Tony graduated to the seniors as a Ruckman and in 1979 had the rare achievement of playing in two Grand Finals — U19's and Seniors.

Slav is an active member of the General Committee as a Player's Representative and Social Committee Member. Congratulations Tony from all at Kew, Good Luck for today and make sure that the next 50 is in record time.

Profile on Ray Sneddon VAFA Marketing Consultant

Last November, the VAFA Executive decided it was time to appoint a Consultant to 'market' Amateur Football into the 1990's.

Ray Sneddon, who runs a Sports Marketing Company, The Sports Connection, was appointed and commenced work immediately.

Ray brings to the VAFA years of experience dealing with the media, arranging sponsorships, fund raising programmes and the many contacts needed in the business and government sectors to enable marketing programmes to be developed and implemented.

Ray's interest in marketing commenced way back in the early 60's, when he was National Advertising Manager for a white goods company Draffin Everhot. From there he worked for a leading international advertising agency for nearly 10 years, where he was supervising major accounts such as AMI (Toyota), ACI, Philips, CH.9, and the TAB.

From there a quick stint with a Sports Marketing Company before establishing his own company 'The Sports Connection', which over the years has been involved in major tennis programmes, such as co-ordinating all the Toyota Classics, 1980 Toyota Australian Open, NSW Open for Robinsons Lemon Barley, major Fun Runs — Budget Team Trots and America's Cup Challenge marketing for New Zealand.

He currently works with the Australian Wool Corporation on a major marketing initiative, Bay Play, and markets the game of women's cricket for the Australian Women's Cricket Council. He also carried out guest lecturing for Phillip Institute, Department of Sport and Recreation and The Australian Sports Commission.

Already Ray's contribution to the VAFA has been significant as many sponsorships have been arranged for this season with many extending into the 1989 season.

A 'hands on' person, Ray has also been active with all 68 Clubs in assisting them where possible with their Club sponsorship, fund raising and merchandising programmes.

For somebody to be involved in sports marketing you would assume a sporting background as well as a marketing background would be a pre-requisite.

Well Ray (or as his sporting mates call him 'Tuppence'), has played over 130 games with Old Scotch, from 1959 — 1970, and during that time was on Committee, captain/coach Reserves 1966/67 (Premiership), won the VAFA 'A' Reserver Section Best and Fairest in 1966.

His summer activity has always been cricket, having played for Melbourne Cricket Club 1957 — 1970, Toombul (Qld) 1971, Richmond Cricket Club 1972-75 and captain/coach Camberwell 1976/77. He represented Victoria in the early 60's in the Colts and a Victorian XI. He currently sits on the Richmond Cricket Club Board and also, when he has time, coaches the Camberwell Women's Cricket Team.

His other interests include outdoor activities - walking is the latest with his wife Marilyn and two boys Toby and Barnaby.

We welcome Ray to the VAFA Team.

THE SCORE ON THE SCORES

Some clubs, particularly in the higher sections, seem to think they have the right to ring the Press Correspondent early on Saturday evening for scores in other matches in the section.

Our phone is far too busy from 4.45 p.m. till 9 p.m. to be able to give these cores — very often we haven't even got them — and any request will in future be turned down.

There are several ways of obtaining scores of other games in your section — from **Radio Stations 3DB, 3AW and 3LO**, or by phoning the other grounds.

GEORGE McTAGGART,
Press Correspondent.

100 GAMES — PHIL KINGSTON — ORMOND

All at Ormond would like to congratulate **Phil Kingston** on playing his 100th game for the Club today.

Phil joined Ormond from Old Haileybury after winning the 1980 Junior Section Best & Fairest at that Club. He had been a very consistent and honest performer at Ormond and was rewarded for this in 1986 by gaining State Selection and also finishing 2nd in the Ormond B & F.

Being a very respected player at Ormond, Phil has been rewarded with the honour of being elected Vice-Captain of the club for 1987. His great contribution to the club is also evidenced off the field, and Phil is a current member of the Ormond Committee. All the best "Kingo"!

The **Old Xaverians Football Club** would like to remind its supporters and all clubs which visit Yarra Park that car parking is very limited this season.

The construction of the new Tennis Centre and removal of the Old Scotch Oval have increased the parking problem.

In some cases supporters will need to use MCC parking areas for the normal fee. As all will realize this is beyond our control. Sorry.

Security designed for your peace of mind.
