## FINALS PREVIEW

BY ROSS BOOTH

### A SECTION REVIEW BY ROSS BOOTH

**Old Paradians** advanced to the Preliminary Final with a 21 point win over **De La Salle** at Elsternwick Park last Sunday.

**O.P.'s** led at every change but were given a shock in the third quarter when **De La Salle** mounted a challenge with 6 goals to get to within 4 points at the last break. It was nip and tuck in the last quarter and not until the 20 minute mark that a **Brendan Exton** goal quickly followed by one from **Michael Skerritt** that sealed the game.

It was a good effort by **O.P.'s** because they looked vulnerable at the last break and it would not have surprised had they been runover.

**O.P.'s** first half ascendancy was due to the early brilliance of **Dominic Spillane** who seemed to be loose on the wing, half forward **Tony Woods** who is a very slippery customer, **Brian Grills** in the ruck and the "come-back kid" centre half forward **Dale McCann**.

**De La's** comeback was inspired by ruck **Mick Greene** and centre half back **Mick Deveson** whilst **Mike Knuppel** on the wing was a fine player.

But in the end, despite four goals to each of **De La's Peter Rennie** and **Peter Waldron** it was the **O.P.'s** defence which stood firm thanks to **Tony Canavan** (centre half back), **Damien Reeves** (full back) and **Brendan Considine** on the flank.

Best and fairest winner **Frank Gleeson** was a busy player though he only bagged one goal for the day.

**De La's** other great triers were on-ball players **Gary Connolly** and **Mark Lowe**. One other player who at times showed great skill was **De La's Craig Wright**. He kicked one brilliant goal but possibly could have had a couple more. He was good to watch.

I think the result was a fair one. **De La** on the day weren't quite good enough. I was very impressed with **O.P.'s Gerard Sholly** at three quarter time and indeed I thought **Stephen Rae** said all the right things to his boys at the first break. Well done!

I only tipped one out of three last week. Can I improve?

### C SECTION REVIEW BY ROSS BOOTH

It was a perfect day for football last Saturday when I arrived at Northcote to witness the C Section Preliminary Final. **Monash** had a goal on the board when I arrived but shortly after **O.M.'s Chris Elstoft** took a towering mark in the square and goaled. It looked like it was going to be a good game and it was.

**O.M.'s** played a very tentative first quarter. Perhaps they were expecting a bit of a coast seeing that they had thrashed **Monash** last time round. But I don't think so — it was more **Monash's** fierce tackling that upset **O.M.'s**. **Monash** went to a four goal lead half way through the second quarter but **O.M.'s** began to get back into it and trailed by just 9 points at half time.

OFFICIAL JOURNAL OF THE VICTORIAN AMATEUR FOOTBALL ASSOCIATION

September 5th, 1987 Price: \$1.00 VOL. 87 No. 21

In the third quarter the O.M.'s really got their game going and their revival was due in part to schoolboy **Stuart Griffiths**. He played a snocker of a first half, was momentarily dragged but then produced some superb football. He kicked two goals in the quarter, kicked off from full back — all from the wing. **Jeremy Nichols** got running and **Wes Baglin** and **Richard Seccull** kept running hard at the ball in defence.

**Monash** trailed by 8 points at three quarter time and looked in trouble but their magnificent fighting qualities as exhibited by defender **John Quin** saw them turn this deficit into an 8 point winning margin — but not before their lead was snatched back from them momentarily by another goal from **Griffiths** from a screamer and one from flanker **Richard Webb**. It was **Monash's Steve Connelly** who turned the game the **Blues** way with 2 goals, the second at the 27 minute mark and centre half forward **Peter Little** got the sealer a minute later.

**Monash** were delectious and **Keith Trewson**, **Rory Ellis** and coach **Brian Ford** had big smiles across their faces.

O.M.'s were left heads down wondering what if ... **Elstoff's** mark had been paid, **Wittsy** had not hit the post, **McMullin** had not hurt his knee. But it didn't matter **Monash** would be meeting **Kew** and **Alan Stoneham's** O.M.'s would be in C Section next year.

And for the spectator? Well, one didn't have to go to the VFL to see a great and close game of footy!

## THE VAFA WEARS WOOL

Vafa representative teams have enjoyed the comfort of wool for the last three seasons.

Players like Hampton Rover's David Rogerson seen here in the new Woolblendmark jumper for season 1987, and Ormond's Phillip Kingston wearing the Woolblendmark jumper worn in the 1986 State Games, enjoy the feeling of wool every week because the Vafa is one of a growing number of associations who have made the change to Woolblendmark jumpers.

They've made that change because they know that wool provides maximum comfort whether players are performing in hot or cold conditions.

And no matter how many times they're machine washed or commercially laundered, Woolblendmark jumpers stay in shape, season after season.

That's why Woolblendmark has Vafa endorsement, because nothing touches wool for economic performance that just goes on and on.

## Peter French previews today's Finals

Alright **Monash** settle down. Today's your really **big** day. Nevertheless congratulations to Coach **Brian Ford**, skipper **Peter Forbes** and all the team on their great win over **O.M.'s** and the promotion to B Section next season. If you've made anyone happy with that fighting win it was certainly well known **Monash** identity and stalwart **Professor Keith Frearson**.

Actually it wasn't my best selection effort, nor Ross Booth's for that matter, as **Marcellin** was our only success. So to the **Old Paradians** especially coach **Gerard Sholly** and his team who were not given much show in most quarters, *well played*, and with players of the calibre of **Paul Considine**, **Ted Flynn**, **John Atta** & **Steve Exton** to return (although I wonder where) **O.P.'s** can approach the preliminary final with a quiet confidence. You can bet **Ormond & Old Xaverians** will well realize the best route to the Grand Final will not be via **O.P.'s** and the Prelim. However more of that later.

Ross has written an excellent preview of the **O.M.'s** debacle or rather the **Monash** comeback so a brief look at **De La** and **Parkside's** exit is also warranted.

Both clubs have been regular finalists in recent years and both produced great fightbacks at various stages of last week's semi. Both came in the third quarter and both looked poised at the final break to go right on with it. However the effort eventually told and **O.P.'s** and the **Eagles** live to fight another day. **De La** were slow to start and never able to bridge the 5 goal gap **O.P.'s** opened up. Apart from **Peter Rennie** & **Peter Waldron** their forwards were ineffective although young **Craig Wright** and at times **Mick Knuppel** made exciting and rewarding forward forays.

After a slow start veterans **Mick Deveson** & **Mick Greene** were as inspirational as ever and **Dick Williams**, **Adrian O'Keefe** & **Peter Green** were others to catch the eye. At **De La** (and elsewhere) fourth is not good enough although **Col Glover** and his club recognize that **Old Paradians** were too good and deserved winners last Sunday. Thanks **De La** for 1987.

**Parkside**, hard hit by injuries which attributed to its four successive losses and departure from Premiership fight has again to lament on what might have been. Since promotion to B Section for 1984 it has not missed the finals and was well placed in 1985 to reach the pinnacle of A Section. **Marcellin** blocked the way then as it did last week but you can bet **Tom Johnston** and his Club will be back for another try next season. I hope they retain **Rod Osborne** who did such a fine job for them in his first season as coach. They will also need to recruit and must push even harder for an Under 19 tam, although they certainly cannot be accused of endeavour in that area.

**Marcellin Coach, Neil Le Lievre**, is the quiet achiever, although I'm sure I heard him shout during his ¾ time address last Saturday. His senior players rallied magnificently in that vital final quarter especially **Tony Paatsch**, **Andy Cullinan**, **Dick Ebert**, **Gary Petroff** & **Tony Amad**.

Whether or not they can go on and return to A Section and repeat its 1985 Premiership is not only up to those 5 but the whole club!

And now to Saturday and the **C Section Grand Final**: **Kew** has had the week's break and is raring to go. Its last Grand Final was in B Section in 1983 when it lost to **Bulleen-Temp**. Current Captain Coach **Brett Burden** was a member of that losing side and doesn't enjoy being reminded of it. Neither would **Joey Busuttill**, **Tony Peric**, **Mark McColl**, **Rocco Zerbi** or **Con Haralam-bopoulos** and with the supremacy it has shown over **Monash** in the last two meetings, where wins by 68 and 95 points were recorded, **Kew** are the undisputed favourites.

They must of course be guarded against over-confidence as **Monash** is quite obviously a tight knit group who almost enjoy the world (and me) being against it. That astute judge of Amateur Football, **Noel Rundle** was impressed with the 'Ashes tackling and running. They possess a number of medium sized players with the dedication and determination to match it with the **Brias**, **Zerbis**, **Busuttills**, **O'Kaylis** & **Cavanaghs**. However they too must guard against the satisfaction of promotion which is after all only second prize, or is it? **Monash**

will need big games from **Baring**, **Cornwell** & **Forbes** who will enjoy centre half forward at **Elsternwick Park**. All at **Monash** have been singing the praises of defender **John Quin** and centreman **Jamie Sturges** whose clash with the **Kew Skipper Brett Burden** will have a decided bearing on the game. I do not expect either side to fall for the trap of being too "hyped" up. Indeed I'm informed that **Monash** came out early last week kicked the ball around for 15 minutes, in marked contrast to the **O.M.'s**, and then were quickly into stride when the game began.

I'm going for **Kew** whose record during the season speaks for itself. It thoroughly eclipsed **Monash** in the second semi a fortnight ago and has the ideal blend of youth and experience. Above all else the "Browns" really want this flag, as the last time an unfurling took place at **Victoria Park** was back in 1980 following its 1979 success against **St. Kilda CBC**. **Monash** will be better than its previous effort but **Kew** who are not only better, might want success that little bit more!

In B Section the selection is quite easy — it's **St. Bernards**, who were deserved minor premiers having beaten all comers including **Therry** & **Marcellin** in the run to the finals.

A quick glance of the B Section vote count tells us that **Mick O'Dea**, **Vin Comito** & **Mark Mahady** have had consistent seasons and **St. Bernards** will be looking at this trio for plenty of drive.

Both sides have plenty of talent down their respective goal to goal lines where **Therry skipper Terry Quin** will be expected to hold **St. Bernard spearhead John Pearson** and vice captain **Gerard Biddlestone** will certainly have his hands full with **Paul Hogan**. The centre line dashes promise plenty of excitement. **Mark Mahady** will probably pick up **Paul Crotty** who also polled well in the B & F. Both these players should be pushing for interstate honours next season with the 18th AAFIC Carnival in **Launceston** as the carrot. In the pivot **Greg Nyman** who must surely win **Therry's** best first year player is up against **John Federico**. **Nyman's** strength and experience will give him the edge although **Andrew Nathan** should break even with **Therry's David Wrigglesworth**.

**Steve Gibson** & **Matt O'Rourke** who is a brother of **North O.B.'s** centreman **Steve**, will combine to form **Therry's** main avenue to goal. However **St. Bernards** defence lead by **Mick O'Dea**, the accomplished **Gary McAllister**, **Maurie Sullivan**, **Frank Monaghan** & **Kev Mahady** are as good as there is and will be a major reason for the **St. Bernard's** ultimate success today.

The ruck duels will be interesting with **Steve Reidy** likely to have an edge over **John Klaaysen**, but **Vin Comito** will prove too sharp for young **Jason Reddick**.

I'm sure **Therry** will be worthy challengers, but the big **St. Bernards** crowd and the sides overall approach to football under **Frank Melican** will have the club back in A Section by 5 p.m. tonight.

To the **A Section Second Semi** and what a game awaits us tomorrow between **Ormond** & **Old Xaverians**. **Ormond** finished the season as top dog and in most minds Premiership favourite despite losing to **Old Xaverians** twice during the season. Both sides will be at full strength and both will have appreciated the weeks break. Both sides will have had selection problems. Will **Ormond** risk **Craig Clark** who managed to play the last 2 Reserve games following a long break from the game and will the **Xavs** take a punt on **Nick Wilton** who I'm told took 14 marks in the Reserves narrow win over **North O.B.** last week?

My belief is that neither will play, although **Clark** will certainly line up in the Reserves where another good game would almost certainly see him return for either the Grand or dare I say it Preliminary final!

Anticipating the selection of both sides has been a great challenge and **Ross Booth** and I have altered our opinion considerably since our first attempt at midnight on the back of a serviette in **John Bakers** pub a month ago!

On paper **Xavs** look stronger in the air an area I thought **Old Paradians** showed up in their narrow loss to the 'Monds a fortnight ago. However **Ormond** look faster and I believe they play **Elsternwick Park** a little better.

Across the centre, always vital at 'The Park' the clash between exciting youngsters **Paul Nankervis** & **Antony Callan** will not only be a highlight but the outcome of this battle and that between **Dermot Dann** & **Phil Kingston** will have a decided bearing on the result.

In the centre **Mick Atkins** will prove stronger than **Ormond's Paul Sutherland** but he lacks his dash and ability to take a really big mark, although his creative handball is a big plus for the **Red & Blacks**. I lean to the 'Monds to hold sway here.

Up forward for **Ormond Paul Schuhkraft** will line up on **Xavs Geoff Greetham**. He will receive plenty of support from one **Phil Mehrten** leaving either **Anthony Roe** or **Joey Young** to pounce on any loose balls. Its not a bad line for **Ormond** although **Xavs** who are rapt in **Chris Mortenson** and have absolute faith in **Nick Burne** are pretty confident their trio will restrict the **Ormond** soring. Across the half back line **John Curtain** & **Murray Vrocoe** are courageous and attacking half backs who will provide plenty of support for **Steve King** who has the big task of minding **Mark McDonald** who is the lynch pin of the **Ormond** forward line. Should **McDonald** get on top **Danny Corcoran** may be forced to move **Peter Curtain** from ruck roving to mind him, although either **Greetham** or **Burne** could also play there. Both coaches **McArthur-Allen (Ormond)** & **Corcoran (O.X.)** have kept pace with the modern trend of moving players and making changes and **Old Xaverians** may be a little more versatile in this area. Time will tell.

Whereas Ormond's full forward line is its main strength, Xav's differ in that its half forward line of **Carlin, Summers & Beattie** is its real strength, although it does not underestimate **Steve Curtain. David McDonald** will prove a most worthy opponent for **Mark Summers**. He will give away height but make up for it with his leap and quick recovery. He works in well with his Captain **Russel Barnes** who will wear **Vaughan Carlin** like a glove. Should be an encounter worth watching, which leaves us with the unheralded **Paul Forsythe** to watch Xavs ruck rovers **Martin Beattie & Peter Curtain. Forsythe** is another in this Ormond side of whom there has not been much fan fare. He hasn't player VFL U19's or Reserves, would have no illusions as to his ability but would know exactly what is required of him and absolutely loves playing in the Seniors for Ormond. I like Ormond's full back line of **Brett Connell, Brad Nash** and the versatile and widely regarded **Scott Taylor. Connell** is in the Forsythe mold, **Nash** has had a great season and uses his uncanny anticipation and excellent disposal to great advantage and Taylor could end up in the ruck, Full or centre half back, or any key position. **Phil Callil** who may be a permanent forward pocket will worry him for pace, but not much else, and if **Nash** finds **Steve Curtain's** aerial strength a problem, **Taylor** won't.

In the ruck **Laurie Meehan & Paul McDonald** should break even, but the Ormond small men **Martin Tobin & Paul Cox** are more dangerous than their Xav opponents because they kick hard goals.

Both sides have a wealth of talent and experience on the interchange which was the hardest area of selection for Ross and I.

Here's how we see them lining up.

I'm going for **Ormond** in spite of Xavs victories during the year. They have been more consistent than the Xavs who can be quite brilliant but also quite ordinary as they lapse in concentration and commitment. **Ormond** are a bit more settled, fear defeat more and won't panic if they get into trouble — instance thir fight back against O.Ps a fortnight ago. Persistence was the word I was looking for and **Ormond** have been renowned for it over many years.

Here's to a really great final and good luck to both sides and the Umpys.

Today selections, **Ormond, St. Bernards, Kew, Old Ivanhoe, State Bank, Aquinas.**

## Personality Pars

### 100 GAMES

Everyone at **Latrobe Uni Football Club** would like to congratulate **Joe "Magic" Tucci** on playing his 100th game in the Reserves Grand Final today. **Joe** who has been around the club for about 7 years, left to play with **Coburg Amateurs** in 1985. He came back when needed in 1986 and has been a valuable player at training and in games. He is also on the committee and works hard planning our social events. Good Luck on your 100th game **Joe**. Let's make it a good one!!

### KID AT HEART

Watching **Old Xaverians** and **Scotch** in their last game I noticed **Doug Atkinson** had a black arm band

A quick check of all the other **Old Xav** players revealed no other arm bands.

After the game, which was a hectic encounter, I asked **Doug** "Why the armband?" He looked at me with dismay "**Brian** it is ten years since **Elvis** died".

### REVIEW OF MATCHES PLAYED AUGUST 29, 1987

#### D SECTION PRELIMINARY FINAL

**St Kevin's**, with greater steadiness in attack, proved me a poor judge when they defeated an inaccurate **Old Mentonians** by twenty three points to qualify for today's Grand Final and for C Section in 1988. **St. Kevin's** win was a just reward for their overall 1987 form when they have led the section for most of the season. Well done **St. Kevins**.

#### E SECTION PRELIMINARY FINAL

Congratulations **West Brunswick** on your great win and consequent return to D Section after one season in E. The club under President **Ken Frencham** and coach **Les White** have come a long way this season. I wonder what **Ken** thinks of my judgement now? The game was an evenly contested one in which **Old Essendon Grammarians** comparative inaccuracy told against them in the final analysis as they went down by eighteen points. **Old Essendon** are not the first club to lose both finals after heading the ladder (nor will they be the last). They must consolidate and come back next season determined to reach the Grand Final.

#### F SECTION PRELIMINARY FINAL

After an even first half during which each side dominated long passages of play **Aquinas** was able to turn their three point lead at the long interval into a thirty two point victory. **St. Andrew's** accuracy in front of goal helped lessen this margin because **Aquinas** had nineteen scoring shots to **St. Andrews** ten after half time. Congratulations to **St. Andrews** on their win and consequent promotion. Well done to **St. Andrews** who "fought the good fight" this season when they emerged as a force.

#### UNDER 19 SECTION 1 FIRST SEMI FINAL

**Old Paradian's Green** showed what a poor judge I am when aided by a tall ruckman they moved the ball forward quickly and directly contrary to my predictions. This game was of a high standard although the **Paradians** never allowed **Bulleen Templestowe** into the game as they built their lead each quarter before winning by fifty points.

#### UNDER 19 SECTION 2 FIRST SEMI FINAL

The first quarter of this game was a low scoring one in which the defence of both sides was on top. **Chomley** of the **Blacks** distinguished himself with three towering marks as **Haileyburian** attacks were thwarted. Gradually **Old Haileybury** asserted themselves and went on to win the game by twenty one points.

#### UNDER 19 SECTION 2 SECOND SEMI FINAL

Section leaders **Therry** asserted their superiority over **Old Scotch** and ran out winners by twenty four points to go straight into the Grand Final.

#### UNDER 19 SECTION 3 FIRST SEMI FINAL

**Ivanhoe** proved far too strong for **Monash Blues** at **Brighton Beach Oval** when the **Magpies** ran out winners by sixty points.

#### UNDER 19 SECTION 3 SECOND SEMI FINAL

Uncanny accuracy by **Whitefriars** enabled them to defeat **Caulfield Grammarians** by thirty one points. This result proved me a poor judge as **Whitefriars** had won their three home and away games against **Caulfield Grammarians** although thirty one points was a greater margin than that between the sides in Round 18 the previous week.

### PREVIEW OF MATCHES TO BE PLAYED SEPTEMBER 5, 1987.

#### D SECTION GRAND FINAL

**Old Ivanhoe** and **St. Kevin's** meet again for the premiership at **Bentleigh**. **Old Ivanhoe** won two weeks ago by nine points after each club had won against the other during the season. **St. Kevin's**, although weakened by injury, fought back to win last week and certainly today's game will be a hard fought one. **Old Ivanhoe** can expect great drive from Best and Fairest winner **Mark Dyson** while **Doddrell** has previously proven a worry to **St. Kevin's** as the wily veteran **Lou Hockins**. **St. Kevins** will be hoping that **McKaige**, **Watkin** and the **Kerr**

**Brothers** again do well and provide match winning drive. I select **Old Ivanhoe** to win again and thus win their second senior V.A.F.A. Premiership.

#### E SECTION GRAND FINAL

**State Bank** and **West Brunswick** meet for the premiership at **Monash University**. **State Bank** have won both games this season — by sixty four points in round one and by five points in round ten. **West Brunswick** has hit top form at the right time and have won six matches in succession since their last defeat in Round 14 (by **St. Bedes**). **State Bank's** last defeat was on the same day when they lost to **Brunswick** by thirteen points. Today the **Bankers** must quieten **Buckley** who troubled them in each earlier game. Other potential **Magpie** stars include the **Lampard Brothers**, **Hatzi Staurou** and their focal forward **McNiece**. For the **Bankers**, **Cloke**, **Dervan**, **Connelly** and their leading goalkicker **David Jenkins** can be expected to do well and trouble **West Brunswick**. I know **State Bank** played well in the second semi final however **West Brunswick** played at **Monash** last week and given their experience with **Royal Park** winds, their determination and momentum I select **West Brunswick** to win the premiership.

#### F SECTION GRAND FINAL

The season's two leading sides **Whitefriars** and **Aquinas** meet for the premiership at **Parade College**. Although **Aquinas** won both home and away matches **Whitefriars** won the second semi final by forty eight points. In that game **Aquinas** faltered in the final quarter as frustrations entered their play and **Whitefriars** kept their mind on the ball. **Aquinas** coach **Hawking** was critical of his player's inability to win the ball from the centre in the semi final and today the players must rectify this situation. **Whitefriars** players were able to break the **Aquinas** inside/outside code and thus win the ball during the semi final. Today of course will be a different game and I expect there will be no **Aquinas** complacency as crept into their game two weeks ago. Given the flexibility of the **Aquinas** forward line and their desire to avenge the second semi final result I select **Aquinas** to win today.

#### UNDER 19 SECTION 1 SECOND SEMI FINAL

**Old Xaverians** meet **Marcellin** at **Kew** in what should be a high standard game. **Marcellin** won by four points on May 16 only to discover they played an unregistered player. At **Marcellin** on July 25 the **Xaverians** played the more direct football and recorded a thirty six point victory. Both sides had a key forward who could influence the result — **Randell (Marcellin)** and **McLaughlin (O.X.)**. For **Marcellin** captain **Fred Battistella** sets a good example while **Hart** gives a lot of drive around the pack. For **Old Xaverians**, **Webb**, **Berry** and **Studdert** can be relied upon to give solid service. It is hard to go against **Old Xaverians** because of their superior record and consequently I select them to win today.

#### UNDER 19 SECTION 2 SECOND SEMI FINAL

**Old Haileybury** and **Old Scotch** meet at the **Ross Gregory Oval** for the right to play off with **Therry**. **Old Haileybury** must start favourite considering their ninety one point victory on August 22 and their dominance of play on May 4 when shockingly inaccurate kicking saw **Haileybury** go down by two points. Good players for **Old Haileybury** in these games included **Lane**, **Merrett** and **Doran** while for **Old Scotch** their best have included leading goalkicker **Ed Whiteside**, **Weller** and **Aujard**. To win today the **Old Haileybury** players must give four quarters of sustained effort and not "travel in the comfort zone" as **Max Lyon** suggested some of his players did last week. I select **Old Haileybury** to win today.

#### UNDER 19 SECTION 3, PRELIMINARY FINAL

**Caulfield Grammarians** play **Ivanhoe** on **Oval 4** for the right to challenge **Whitefriars** next week. **Caulfield Grammarians** have won their three games against **Ivanhoe** during the season in Rounds 1, 9 and 17 so they are entitled to favouritism today. The **Albert Park** venue is also familiar territory to **Caulfield**. For **Ivanhoe**, **Lengacher** has been a reliable goal kicker and a fine player and **Parkinson** and **Tucker** have done well. For **Caulfield Grammarians** **Bowater**, **King** and **Williams** have been consistent players. Today I select **Caulfield Grammarians**.

#### POINTS OF INTEREST

**Frank Gleeson** became the first Old Paradians to win the Woodrow Medal since Dennis Dalton way back in 1963. Dennis has been seen at Elsternwick Park in recent seasons watching his son Matthew, play not for his old club but for OLD XAVS !

**Mick Greene** finished in the top 3 for the fourth successive year, a quite outstanding effort whilst Parkside boasted its third success in B Section in the past 4 seasons with Gary Williams' win of the Moore Medal.

\*\*\*

**Ormond** was the leading Club in A Section with 73 votes whilst 17 players from Old Xaverians attracted the umpires' eyes.

In B Section honours went to **Therry**, 71 votes and they shared with Marcellin the number of players to poll each having 15. In C Section **Kew** players polled 79 votes with 18 **Old Melburnians** sharing the votes.

\*\*\*

Quite often OTF is fortunate enough to receive copies of a wide variety of Club Newsletters and is surprised at the quality of both article and publication.

Last week the Ormond paper arrived at Elsternwick Park and 'OTF' was so impressed with an article by ruck rover **Martin Tobin**, who you will note polled so well in the Woodrow that we sought and received Martin's permission to reproduce it for all Amateur Football readers.

For some obscure reason the reason is titled "Barrells Body Shop". Don't be put off by the title read the contents!

#### BARRELLS BODY SHOP

"For the loser now will be later to win; for the times they are a-changing."

Bob Dylan.

No single word or expression sums up the history of human-kind more accurately than the word 'change'. Change, transience and adaptability are themes at the heart of every transaction or occurrence that has ever taken place. Empires rise and fall, babies are born, grow old and die, and what is wisdom one day is obsolete the next.

Change and the uncertainty it involves is ironically one of the most permanent and constant elements of our society. While the change itself may be inevitable, the particular direction it takes can be shaped by the people who live within its all-embracing influence. Scientists, thinkers and revolutionaries achieve things because they are aware that what is now; it not necessarily what will be tomorrow. In this age of flux adaptability is a vital symptoms of the human condition.

Football and change have always been compatible bed-partners. Video footage of ninety-metre drop kicks and the old deliberate kick out-on-the-full play is concrete evidence of football's continual transition. Yet even more vivid impressions of how our game once was are locked away in the memories of thousands of Melburnians. Ask them is Aussie Rules has changed! Some would tell you that the game has dramatically deteriorated. To a certain extent I would agree; the Americanization of Australian Football has done little for the suburban family hoping to see a couple of hours of good, hard competitive sport.

While not all the changes to football have been for the better, it is my view that adaptability and the willingness to try something new is an attitude that all football people should openly embrace. Perhaps the most celebrated example of trying something different was Carlton's "handball at all costs" second half revival in the 1970 Grand-Final. Today the art of taking calculated risks, the art of experimentation are a vital part of any football team's armoury.

Football coaches will often refer to that half-time positional change or tactical deviance, "That was the move that won us the game!" Unfortunately not all tams can move a Glendinning to Centre Half Forward, or move a Mehrten from the "guts" to the "goal-mouth". And lets be realistic, these moves do not always have their desired effect. But if we did not try them occasionally, how would we ever know that they might work? The principle of trial-by-error has traditionally served us well.

So when a Paul Schuhkraft has kicked eight goals by three quarter time, he should be prepared and willing to find himself stopping goals for the last quarter (as he was earlier this year). Or when a ruckman like Paul McDonald is asked to adapt to the recent trend of vigorously knocking a ground ball on, he should be ready to do so (as he did so well earlier this year). "The big bonus about player X", I have heard football power-brokers remark, "is that he can play in any number of different positions". In 1987 it appears, change and adaptability are part and parcel of good football.

With fifteen wins so far this season it is evident that Ormond's overall team plan must be working quite efficiently. Yet with two losses to the same side all is not well. Faced with such a situation an innovative mind doesn't panic and dismantle the entire framework of his or her success. He or she shows a winningness to ever-so-slightly change, or alter his or her performance. Minor modification and delicate fine-tuning is often enough to make a remarkable difference. Surely the prospect of finals football at Elsternwick Park provides a timely catalyst for such a change?

Martin Tobin.

#### FOR THE RECORD

**Ormond & Old Xaverians** have met on 30 occasions. **Ormond** has won 18 and the **Xavs** 12. Surprisingly they have never met in a final prior to tomorrow.

During the season Old Xavs won both encounters  
15.14 to Ormond 13.12 at Malone Street on May 23rd.  
8.10 to Ormond 4.12 at Yarra Park on August 1st.

\*\*\*

**Therry & St. Bernards** first met in 1986. The score stands two all at present and both sides recorded away wins during the season.

Therry defeated St. Bernards 11.10 to 7.12 on April 11th but lost 5.9 to 10.12 at Oak Park on June 27th.

Today is their first meeting in a final.

\*\*\*

**Kew** leads **Monash** 9 wins to 6 and won their previous final encounter 21.17 to 7.6 a fortnight ago.

\*\*\*

**Old Ivanhoe** moved 3 ahead of **St. Kevins** (2) following its 6.17 to 6.6 success in the second semi final.

\*\*\*

**State Bank & West Brunswick** have never met in a final, although the clubs have clashed on 21 occasions with the Bank leading 12 to 9.

\*\*\*

**Whitefriars & Aquinas** have now met 3 times. Aquinas won twice during the season but Whitefriars pulled one back with its second semi success. It appears to me that they're destined to clash many more times as they commence the journey up through the sections.

**MEMO TO ALL UMPIRES:** Remember our ANNUAL DINNER DANCE on the 25th of September, see Rob Bell or Kevin Segota for sporting arrangements — LET'S ALL BE THERE !!!

\*\*\*

**Neville Nash and Graeme Simpson** have endeavoured throughout the season to improve the umpiring standards and adopt a professional attitude. In one of the main areas of any umpires make-up is their mental approach to their task on any Saturday and this was certainly brought home by Victorian and Australian Fast Bowler **Simon Davis** who was a guest speaker at our last meeting. Whilst cricket is a vastly different sport to football, Simon proved that in **any** sport to be successful you have to have certain attitudes and set "goals" for one's self, and then have 5 main ingrediants to achieve those goals. 1. Dedication 2. Perserverance 3. Discipline 4. Physical fitness 5. Mental toughness. I hope all umpires "took in" Simon's words of wisdom and "show" Neville and Graeme that they have the necessary attitude to be successful umpires. On behalf of all umpires I would like to thank Neville for inviting **Simon Davis** and other guest speakers, such as **Bernie Sheehy** to talk to the umpires throughout the season.

\*\*\*

I would also like to thank **Peter Harris & Peter French** for all the hard work and support in getting our "A" Section Grand Final Umpire's Club, off the ground. I'm sure this is the start of a new and exciting **Club** for all umpirs to aim at becoming a part of. To be eligible to become a member of this club, umpires must umpire the "A" Grade Grand Final. (Membership is open to field umpires only, at this stage).

### Personality Pars

#### TRUE SON OF XAVIER

In 1974 **David Kidd** said "We must get **Nick Burne**", so **Nick** commenced his amateur career with the **Old Xaverians**.

1975/77 saw him at **Melbourne University** and a **Blacks** player.

The VAFA selectors recognised him in 1976 for the first time. He has now represented the VAFA in 13 games.

Hawthorn were next to take an interest and from 1978/80 he turned out for 53 games with the reserves.

**Nick** returned to the **Old Xaverians** in 1980 and his game in the 1981 VAFA Grand Fianl will live forever.

Marriage and extension of his career saw **Nick** in England for 1985/6. This season his example to all young **Xaverians** is typical of him, possessed of a fierce desire for excellence for there are no second bests he has lifted all around him.

I am told by **Nick's** father that hours spent in the backyard gave **Nick** his ability to kick left foot.

**James Edgar Burne, Nick's** new little boy will face the same hard test and if he becomes a 5th generation **Xaverian** he will be close to history.

From all your football friends **Nick** thank you for your years of service to the game and all the enjoyment you have given us.

### 100 UP FOR TWO GOALIES

Today marks the 100 V.A.F.A. games milestone for two of our more experienced and senior Goal Umpires in **Bernie Hoare & Tom Wyles**.

Since joining the V.A.F.A. by their application and ability both were promoted to A Grade matches where they have officiated over the last four seasons. Their competence was recognised in their appointment to officiate at last seasons A Grade Grand Final between Collegians and North Old Boys.

This year **Bernie** was selected to try out with the V.F.L. and umpired two matches at V.F.L. Park and the M.C.G., which is further proof of the high standard and ability of V.A.F.A. umpires.

Goal Umpires can cometimes be the forgotten men of the six man umpiring tam, but as these two will tell you the task can be both demanding and tiring and requires the utmost concentration throughout the full four quarters of a match.

Congratulations **Bernie and Tom** on reaching your century and may you continue to display the professionalism an dedication for which our umpires are well known.

P.S.

Today Bernie and Tom will officiate together at Ormond V Old Xavrians match at Elsternwick Park, in the "A" Section 2nd Semi-final.

**Today's Grand Final Coaches  
tell Peter French why they'll be victorious**

#### C SECTION

**Brett Burden (Kew)** "I think we've proven we're the best side in C Section with out 18 wins and 1 loss. We work hard when we haven't got the ball and the total commitment by our players and the bond we have make us a very close knit team".

**Brian Ford (Monash Blues)** "Finals football is quite different. We showed enough endeavour last Saturday and pressured Old Melburnians all day. We are playing confidently and have made it into the Grand Final and are very much the underdog. We have a real chance to be part of a complete turn around in a very short period which is unusual in the Amateurs and will take a very positive approach into the game".

#### D SECTION

**Alan Quaife (St. Kevins O.B.)** "I think we've got the skills and the young fellows for the club which has not won a thing for a very long time. They have the will to win and are desperately keen. St. Kevins last won a senior Premiership way back in 1952 in D Section. Indeed that is the club's only Senior Flag since it joined the VAFA in 1947."

Also of interest is Alan Quaife's record. Alan has spent 13 seasons in the VAFA and missed the finals only once in that time. (1986) Alan coached Bull/Temp. to 2 flags, Bulleen United to 1 and Parkside into a grand final.

**Steve Ball (acting coach — Old Ivanhoe)** "Finals football is more physical and requires greater fitness. Old Ivanhoe has done the hrd work. St. Kevins are a fine side but one thing we have control over is our own performance.

If we play to our best nd take each quarter as it comes then we will win."

#### E SECTION

**Ken Bremner (State Bank)** "Form fitness and Manpower. I believe we're in a better position than 1986. We have a full list and a lot of depth. The introduction of a third XVIII has been of gret value to the club and the motivation for 15-16 who were all part of last season's debacle is also a plus."

**John Beaumont (West Brunswick)** "Well I'm sure we'll win. I think we're a better side, certainly we're a very close tight knit group — we're a family and that'll see us through".

#### F SECTION

**Ray Keane (Whitefriars)** "All I can say is we'll be giving it our best shot. We've played them 3 times in a month so we should know their strengths and weaknesses by now. We have to stop their running rame and if everybody works hard we'll win. It's up to them."

**Vic Hawking (Aquinas)** "I believe the players have a very good psychlogical point to prove. We won twice during the year but didn't have the right approach in the second semi. We'll be fitter and better prepared to man up and have a number of players with leadership qualities who will all perform when its tight."

### ST. BERNARDS — JACK O'CONNELL — 150 GAMES

#### Mr Versatile — JACK O'CONNELL.

Congratulations **Jack** on a great career for the club. One of the "greatest" interchange players in the club's history. **Jack's** commitment to the cricket club has often meant a late start to pre season training. **Jack** normally catches up about May after he works off his summer extravagances. Some past glories of **Jack's** career include being a member of our 1984 Premiership side and captaining the U/19's in 1981. **Mick, Jack's** alter ego has often copped the brunt of his

on field antics. **Mick** being his identical twin brother who also played his 100th game this year. Marriage has yet to effect his onfield performances however his social skills have improved dramatically over the past year. He now has been seen in Chinese restaurants dining with "The Chief" and is thinking about purchasing his own speedboat for accommodation whilst holidaying in Yarrowonga.

We could do with a few more players of your calibre around the club in the years to come. All the best for today and the coming weeks.
