FINALS REVIEW BY ROSS BOOTH

A SECTION REVIEW BY ROSS BOOTH

Old Xaverians advanced to the Grand Final with a 40 point win over **Ormond** in last week's A Section Second Semi Final at Elsternwick Park on Sunday. **Ormond** have lost only three games this year — all to **Old Xaverians**! That must surely make **Xavs** favourites for the flag, unless of course **Old Paradians** can beat **Ormond** in this week's Preliminary Final. And, the way **Ormond** played last week I think **Parade** can advance to the Grand Final. But I've had a lousy tipping record all year and my finals tipping hasn't been any better! If **Parade** were to make it, would that be a first? The B Section Grand Finalist making it through the next year to the A Section Grand Final. Come on **Noel Rundle** give us the answer to that one!

But back to Sunday's match. The crowd seemed down a little but the gate receipts were quite healthy — people sitting in their cars? Some were obviously at the M.C.G., some possibly celebrating Father's Day but for three quarters they didn't really miss anything. It was a decidedly boring game — tight and very low-scoring. **Wayne Walsh** and **Mark Kellet** were down watching and were disappointed in the standard. I told them to come back next week. Mind you, they enjoyed their day nevertheless. Was it **Chris House's** hospitality?

But coaches aren't interested in pretty football, just winning and at the ten minute mark of the last quarter scores were level. Anyone could win. But I had that feeling at three-quarter time that the **Xavs** had the upper hand. As **Barry Lyons** and I struggled over the fence I said to him "Xavs by six goals". For once I was right! **Danny Corcoran's** instructions of "Don't fiddle, kick long" were obeyed and the dam burst — an eight goal quarter.

Perhaps the game was won in the third quarter when **Xavs** held **Ormond** (who had the breeze) to a solitary goal. And that goal came from rover **Paul Cox** (curiously not in **Ormond's** best six) who majored after **Geoff Greetham** made one of his few mistakes for the day. He ran too far with the football, telegraphed his handball and was tackled and dispossessed. Otherwise he had a great day, completely blanketing **Paul Schuhkraft**. And the other good **Xavs** defenders. **Nick Wilton** of course, the ever reliable (?), well certainly in big games. **Mark Summers** didn't play as well as I've seen him, but it was still pretty good. **Ormond's Scott Taylor** battled hard but he isn't as strong around the ground. That really is the difference isn't it — the physical strength and marking power of the **Xavs**.

Other good players (unofficial) were **Dermott Dann** (wing) and **Brendan Ryan** (rover). I also thought **Martin Beattie** played a great first half. **Mick Atkins** played a great 15 minutes in the forward pocket after being well held by **Ormond's Tim Hille**.

Apart from **Cox**, almost B.O.G., a good player was full back **Brad Nash** on **Steve Curtain** — magnificent use of the subtle edge out. **Steve** push back harder and get a free! **Old Paradians!**

B SECTION REVIEW BY ROSS BOOTH

In contrast to the A Section game this was a beauty! An absolute thriller! **St. Bernards** and **Therry** played a draw at Northcote, and a beautiful ground it is too!

St. Bernards were on fire in the first quarter. They kicked the first four goals and full forward **John Pearson** notched three with some great kicking. **Therry** were twenty seven points down at quarter time and **Blues** coach

Alan Salter (watching his son-in-law **Therry** captain **Terry Quinn**) could not believe **Therry's** handball. For that matter nor could I. I'd not seen them but I'd heard they consistently have more than 200 handballs per match. Well, now I believe it. I counted a couple of times when **Therry** carried the ball from defence across the centre with six or seven handballs before a kick. Once they goaled with just 2 kicks and the second one went through the goals! The crowd were baying for **Bernie Dunn's** blood. "Kick the thing" came the call, or words to that effect.

No matter, said **Bernie Dunn** at the break "Keep handballing, use your legs, they wont man up all day. We've got to outrun them. Don't kick it to **O'Dea**". **Did it work?** **Therry** began to get into the game late in the second quarter and trailed by just fourteen points at half time. The move of captain **Quinn** onto **Pearson** was necessary as the full forward had five goals at half time. **Therry** got to within eight points but not to be denied **St. Bernards** booted three quick ones to extend their lead to twenty six points. But it did seem the tide was beginning to turn. **Therry** had put the unlikely numbered No.64 **Paul Crotty** loose in defence and the "rubber man" started to bounce off the **St. Bernards** forwards and get the **Therry** defence running.

Back to thirteen points at three quarter time. The **Bernards** camp and coach **Frank Melican** rightly looked worried! Two **Steve Reidy** marks in the goal square to the **Therry** ruckman and subsequent goals put them in front and another to **Kane** put them thirteen points up. It looked all over but then two marvellous goals to **Saints** half forward **Greg Wood** and another to **Pearson** put them a goal up. What a great comeback! Still **Therry** persisted and with another foray forward **Paul Jones** marked and goaled and the siren sounded. The large crowd was stunned! What about our vote count? And the end-of-season trip? Never mind, it was a fantastic game of footy and I'm looking forward to the replay at Elsternwick today. **Therry.**

And hearty congratulations to President Prof. **Keith Frearson**, coach **Brian Ford** and founder **Doug Ellis**' with their C Section Premiership. How could I have tipped against **Monash Blues**?

By the way, check out the **St. Bernard's** mascot — is it a **St. Bernard** or is it a shetland pony?

today's Finals

What a weekend of football! Eight premierships decided, a thrilling draw in B Section, **Old Xaverians** poised to repeat it's 1981 success and **Ross Booth** and I continue our dreadful tipping performance in so far as A and C Sections are concerned.

Aquinas, one point winner over **Whitefriars** joined an impressive list of current clubs to have won premierships in their first year in the V.A.F.A. (Look out for **Noel Rundle's** quiz in the final edition of the Amateur Footballer next week to discover the others).

State Bank won its first Senior flag since 1972 when it defeated **Marcellin** 18.14 to 10.15 to take the **P.A. Matthews Cup**. It was no doubt a most satisfying win to the **Tigers** following the acute disappointment of 1986.

Old Ivanhoe hung on well to beat **St. Kevins** by ten points in a high scoring affair. **Old Ivanhoe's** last flag was in E Section back in 1973 when it won both Seniors and Reserves titles beating **Old Camberwell** in the process.

I've no doubt the **Aquinas**, **State Bank** and **Old Ivanhoe** supporters had great cause for celebration but I doubt whether they matched those of **Monash** who caused the big upset by beating **Kew** who were odds on. **Monash** were so rapt they pinched the V.A.F.A. victory dais and it was a very apologetic **Professor Frearson** who rang at 9 a.m. last Monday promising its return! I'm told you can still get a free beer at the Nott and I must take my hat off to **Brian Ford** and his team on their great win. I confess I thought **Kew** would be too strong and disciplined and to quote long time **Kew** supporter **Barry Whelan** "we gave 'em a sniff and they went right on with it." Certainly **Monash's** persistence in both preliminary grand finals was a key to its success as was its ability to run and run and run. **Kew** lost only twice for the season and both games were against **Monash**.

I must mention the splendid sporting gesture of **Kew** president **Ted Kelly** who made a presentation to his counterpart **Keith Frearson** at the conclusion of the game. There is and has been great regard between the two clubs and **Kew** gained some solace from the day when **Jim Hawkins** presented **Ted** with the Four'N Twenty pies Club Championship award.

Whitefriars gained some consolation for the season when it won the Reserves flag, the first flag of the club although its Under 19's must be a very good chance against **Ivanhoe** today.

In E Section **Old Essendon** has now won back to back flags in Reserves football whilst **Preston MBOB** denied **State Bank** of the double in D.

Kew was too strong and direct for **Old Melburnians** and took out the C Section flag in Reserves, the clubs second reserve section flag.

Ross has provided a review of the B Section Tie and **Old Xaverians** impressive win.

Looking now at today's replay where I lean to **Therry**. Replays are often one sided and although not present last Saturday reports coming back via Messrs **Booth**, **Lyons** and **McArdle** to name three, suggest that **St. Bernards** may have blown its chance. I feel that **Therry** now knows it can win and that its often criticized handball game **IS** the way to A Section and the B Section flag, although **Frank Melican** is bound to tag **Paul Crotty** this week. What a master stroke by **Bernie Dunn** to play **Crotty**, who has a **Robert Flower** like ability to change direction, as a loose man in defence for much of the day. The **Therry** winger worked hard up and down the ground and was a focal point for Messrs **Biddlestone**, **Matton**, **Quinn** and company when they gained possession and moved out of defence.

I'm also worried whether **John Pearson** whose seven goals was almost a match winning performance can repeat that effort. That he isn't amongst the Sections leading goalkickers suggest either inconsistent form or a recent move to the spearhead. Certainly **Therry** skipper **Terry Quinn** held him in the second half. **St. Bernards** may have fallen into the trap of trying to play **Therry** at its own game in the second quarter, for after establishing a significant lead by employing a direct long kicking game in the first quarter, it abandoned that practice for handball which allowed **Therry** to close the gap to fourteen points at half time. A return to the long game could pay off at Elsternwick Park. There was praise for young **Jason Reddick** **Therry's** schoolboy rover who put in a polished display and was certainly assisted by **Steve Reidy's** control in the ruck. As expected **Gary McAllister**, **Mick O'Dea** and **Kevin Mahady** were splendid defenders and **St. Bernards** will need a repeat of their efforts if it is to get close again today.

Therry are confident of winning and trained impressively at Elsternwick Park last Monday. I'm not surprised

that they've up around 200 handballs a game having watched them run up and down Elsternwick Park in droves shooting out the handballs left and right. Let's hope we get as good a game as last week's obviously was, but please no more draws!

In the vital A Section Preliminary between **Old Paradians & Ormond** I'm not quite as sure as Ross Booth that O.P.'s will emerge victorious. I just cannot imagine that **Ormond** will fumble as much this week, and before you all start telling me that is was due to **Xavs** pressure remeber they too lacked sure hands for three quarters. Ross described the game as boring whilst Ormond coach **Mike McArthur-Allen** agreed that players were un- sure in their ball handling which attributed to the low scoring for three quarters.

Not only should **Ormond** be able to put last week behind them, they will welcome the return of ruckman **Paul McDonald** who was a late withdrawal last week. **Scott Taylor** did a great job on his own last Sunday and he will b one 'Mondsman delighted to have Paul back. **Old Paradians** will also welcome back a big man — **John Atta** who will play up forward and no doubt handle the ruck work with Parade is in attack. **Gerard Sholly** will not have missed the dominance **Messrs. Wilton, Summers, King & Greetham** had over **Ormond** last week, nor for that matter the role played by the unsung **Brendan Ryan, Dermott Dann, John Tiernan** and **Danny Meagher**. I thought the Xavs small brigade worked in splendidly with their big men and O.P.'s are fortunate that in **Brian Grills, Atta, Dale McCann, Tony Canavan & Damian Reeves** they too possess the height to cause the Ormond brain's trust plenty to worry about. Don't be surprised if O.P.'s spring a surprise and select **David Way** in a forward pocket and as much as I, and plenty of others for that matter, admire the skill, poise and relentlessness of **Brett Connell**, the young Ormond defender would need a step ladder to worry Way. Perhaps Connell may be saved the problem by being given the role of tagging the dangerous **Frank Gleeson**, and leaving **Steve McCooke** to mind the ruckmen. McCooke did went when brought on to replace **Craig Clark** and brought a smile to **Noel Rundle's** face with his cool and purposeful play.

Actually this particular match may be one of **Mike McArthur-Allen's** greatest football challenges. Along with **Bruce Corben & Michael Oaten** they must select the side to cover Old Paradians strengths which are evenly scattered over the field. I've talked of the O.P.'s height and marking advantage and the role **Paul McDonald** will be required to play. His brother **Mark** ill need to lift as will **Paul Schuhkraft** whose kicking let him down badly last Sunday.

Ormond were thrashed on both wings last week and will face equally talented and to my mind tougher opposition this week. **Phil Kingston** has had an indifferent season and **Paul Nankervis** has dropped form at the wrong time. Tomorrow they come up against **Terry Board** and either **Dominic Spillane, Brendan or Paul Considine** or **Ted Flynn**. O.P.'s are certainly well off for wingers, vital positions at Elsternwick Park.

O.P.'s defence and ability to move the ball smartly out of defence combined with an attacking centre line, are, I believe its real strengths, although the roles played by **Dale McCann, Mike Skerritt and Paul Fahey** are important to the sides success. **David McDonald** a highly regarded defender will pick up **McCann** and Ormond skipper **Russel Barnes** or possibly full back **Brad Nash** will pick up **Skerritt**. **Nash** may be the answer as he has the pace to go with the Old Paradian utility which leaves us with **Paul Fahey** whom I thought played a significant role in his sides win over De La. **Tim Hille** did well on **Mick Atkins** last week and he may be the man for **Fahey** thus allowing **Martin Tobin** a free reign. The young Ormond ruck rover would have been disappointed with his game last week and he along with **Joey Young & Anthony Roe** must fire if the 'Monds are going to bounce back and have another crack at Old Xavs. **Paul Cox** was not considered by his club as one of its better players last week which was a surprise to some "over the fence experts", who felt Cox was one of the sides goers. The answer is easy Paul, turn on a beauty tomorrow!

Both sides will need to guard against worrying about **Old Xaverians** as neither has yet earned the right to play them!

Old Paradians looked good against **De La** a fortnight ago. They led early, withstood the De La challenge and went onto win. During the year they lost to Ormond twice, by 7 points on May 2nd and by 4 in that thrilling climax to the first round on August 22nd.

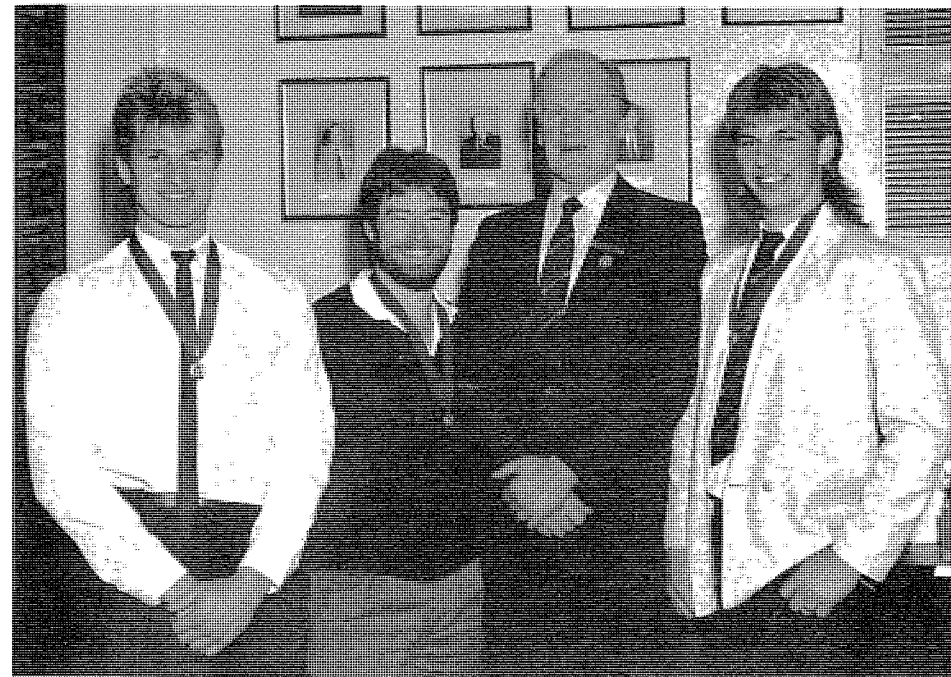

It's hard to dismiss an Ormond side, especially one with its back to the wall but I believe the weeks rest and inclusion of wingers **Ted Flynn and Paul Considine**, skipper **Steve Exton**, and forward **John Atta** will further improve the O.P.'s side and give them the edge in what should be an enthralling final.

So its **Old Paradians and Therry**

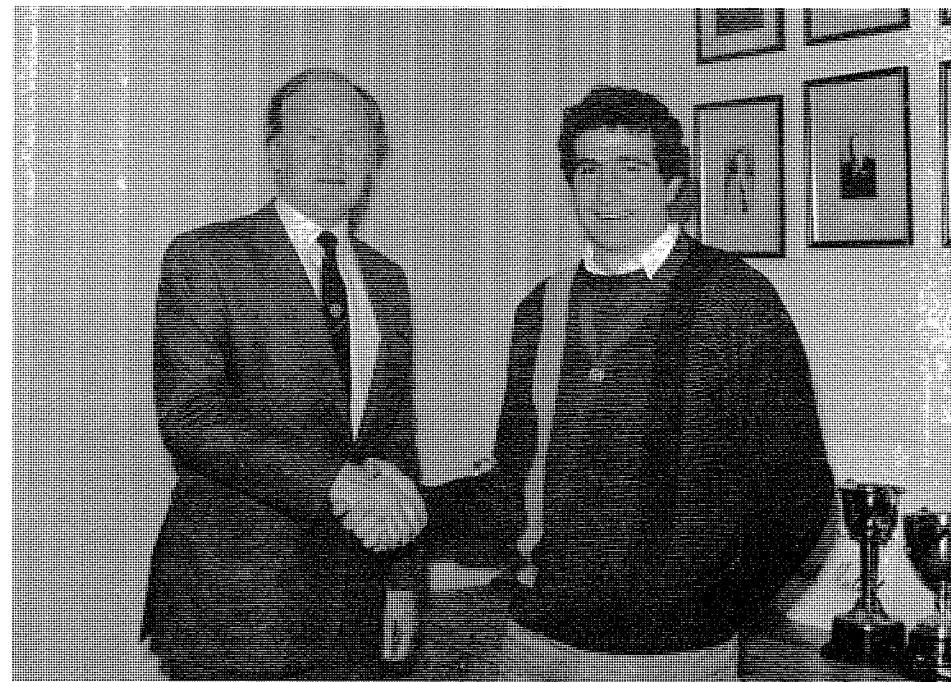

And a stab at the Under 19 Section 2 and 3 Premiers **Old Haileybury and Whitefriars**

REVIEW OF MATCHES PLAYED SEPTEMBER 5, 1987

D SECTION GRAND FINAL

Old Ivanhoe Grammarians won the premiership when they defeated **St. Kevins** by ten points after a high scoring game in which each side had an equal number of scoring shots. **Old Ivanhoe** ran to an early lead and made **St. Kevins** catch them if they could. In the last quarter **St. Kevins** had a lot of play in their forward line, but the **Ivanhoe** defenders kept them at bay to win their second senior V.A.F.A. pennant. Good players for the victors included acting coach **Steve Ball**, best and fairest winner **Mark Dyson** as well as veteran **Lou Hockins**. For **St. Kevins** **John Watkin** was a creative forward while **Steve Kerr**, **Craig Robson** and **Stone** did well.

E SECTION GRAND FINAL

After an even and nervous start **State Bank** overwhelmed **West Brunswick** by ninety four points; a margin which could have been greater but for the stoic **West Brunswick** defence. A big quarter effort which saw the **Bankers** lead by sixty one points at the long interval, set up their huge winning margin. The **Bankers** en route to winning its fourth premiership (1927, 1961, 1972) were well served by **Carboon**, **Gniel**, **Jenkins** and **Hargreaves**. For **West Brunswick** captain **Lampard**, **Mangafas** and **Hatzistavrou** all gave their best to try to keep their side in the game.

F SECTION GRAND FINAL

On reflection the third quarter when they scored a solitary behind cost **Whitefriars** the game as they lost their four point half time lead and trailed **Aquinas** by thirteen points at three quarter time. The last quarter was a thrilling one as **Whitefriars** pegged back the **Aquinas** lead and attempted to wrest the premiership. They failed by the minimum margin after a high scoring quarter which maintained great interest until the final siren. For **Aquinas** veteran forward **John Ryan** was a match winner with creative handball, high marking and four goals. **Greg Clarke** roved with success and booted three valuable goals. For the losers **David Sutton** was an active rover whose last quarter efforts nearly turned the game. An injury in the third quarter to big ruckman **Matthew McLelland** took away his dominance and robbed **Whitefriars** of his drive around the ground. Congratulations to both teams for a great exhibition of football which brought great credit to the V.A.F.A. for its presentation and control.

UNDER 19 SECTION 1 SECOND SEMI FINAL

Marcellin proceeded to the Grand Final by three points when they defeated **Old Xaverians**. It was the **Xaverians** first defeat although they had more scoring shots. **Marcellin's** accuracy helped their cause and their win would have appeased **Tim Naughton's** frustration over the May 16 unregistered player incident. Well done **Marcellin** on your victory.

UNDER 19 SECTION 2 PRELIMINARY FINAL

Max Lyon told me three weeks ago his side would play off for the pennant and last week's big victory by **Old Haileybury** proved his claim. Their winning margin over **Old Scotch** of seventy eight points followed their ninety one point margin in round 18 on August 22. There is little doubt that in the last three weeks **Old Haileybury** have proven their superiority over **Old Scotch**.

UNDER 19 SECTION 3 PRELIMINARY FINAL

Greater accuracy in front of goal enabled **Ivanhoe** to defeat **Caulfield Grammarians** by six points despite the fact that **Caulfield** had four more shots for goal. **Ivanhoe** thus qualified for today's Grand Final against **Whitefriars**.

PREVIEW OF MATCHES TO BE PLAYED SEPTEMBER 12, 1987.

UNDER 19 SECTION 1 PRELIMINARY FINAL

Old Xaverians and **Old Paradians Green** meet at **Pitcher Park** for the right to play **Marcellin** next week. The **Xaverians** won both home and away matches this season — they came from behind to win by eleven points at **Bundoora** in Round 2 and won by forty four points at **Yarra Park** in Round 11. The **Paradians** go into this match with confidence following their convincing First Semi Final victory. **Shane Gorman** should win them first use of the ball and **Paul Shannon** is a handy around the ground player. Key defenders **Adam Smith** and **Tim Beare** are running players who move the ball quickly down the ground for **David Freeman** and **Paul Zappa**

to score. For the **Xaverians Andrew McLaughlin** and **Peter Webb**, have been active and successful forwards while **Richard Curtin** and **John Tully** are two other **Xaverians** on whom coach **Chris O'Neill** can rely. Who do I select? During the season there was little doubt that **Old Xaverians** were the superior side however I was impressed by the **Old Paradian's** first semi final effort and today I am inclined to select them to win narrowly after a hard fought game.

UNDER 19 SECTION 2 GRAND FINAL

Therry, who have led the section all season play **Old Haileybury** for the premiership on the **Harry Trott Oval**. In their two meetings during the season **Therry** won both times — by one point at **Haileybury** on May 30 and by four goals at **Therry** on August 8. For **Therry Eastmure** could prove a match winner with his marking and accurate kicking. Captain **Tim Taylor** should generate drive around the ground while **Reddick** and **Blundell** have always been good **Therry** players. **Old Haileybury** have received good value from **Parton** against **Therry** while **G. Lassock** has been a reliable forward. **Cotton** and the long loquacious **Seccull** have given good service to the **Haileybury** team. I expect a good solid game today in which **Therry** should be able to withstand all **Haileybury** pressure and go on to win and thus take the premiership.

UNDER 19 SECTION 3 GRAND FINAL

Whitefriars and **Ivanhoe** play off for the premiership on the **Ross Gregory Oval**. Although **Whitefriars** can justifiably be considered the favourite they will have to be at their best to withstand **Ivanhoe's** pressure. **Ivanhoe** has won both encounters during the season by one point on May 30 and by sixty four points on July 25. These victories alone entitle **Ivanhoe** to confidence. The **Albert Park** surface could worry **Whitefriars** whose **Donvale** domain has been very heavy during the season — certainly the bounce of the ball will be different. Who can **Steve O'Connell** and **Garry Lewis** look to for inspiration today? For **Ivanhoe** leading forward **Len-gacher** could be the match winner while **Tucker, Pettingill** and **Rawley** can be relied upon for good performances. **Whitefriars** have been consistently well served by **Hickey, B. Crowe** the **Houstons, Strike, Phillip** and **Rowan** who should be able to again do well today. **Garry Lewis** must insure that **Whitefriars** players realize the game has to be won and that it will be no cakewalk — **Complacency** by some of his players seemed in the air at **Bundoora** last week. **Steve O'Connell's** **Ivanhoe** players have come along quietly and consistently during the season and I have the feeling that they will be able to win today and thus take the pennant. I expect a close game before **Ivanhoe** wins.

A MESSAGE FROM THE PRESIDENT OF THE UMPIRES ASSOCIATION

As the season draws to a close we should reflect on where our game of Australian football stands in the V.A.F.A. It is true the system of relegation is working well with each division very close around finals time.

However, there is one area that continues to get worse and no-one seems to care — UMPIRES!

I don't mean the standard of umpiring as the senior divisions will vouch for; I mean the numbers of umpires.

During my own long association with the V.A.F.A. I have often been confronted with the problems with umpires. “Why don't we have two umpires in D Grade?” or “Why do we always get the new umpires in F Grade?”

ANSWER ! We need more umpires !

The Executive advertise and with some help from our Umpires Association we recruit to a minor extend. Really the only way is to have co-operation from the Football Clubs in the Amateurs.

Why can't the blokes that are tired of being injured, now that they are a little older, enjoy a run with a younger bloke doing the U19's?

Some of the umpires I have seen doing the seconds have shown real potential. With a little coaching I'm sure they would love umpiring as much as we all do.

The V.A.F.A. offers great facilities for training and a thoroughly professional coaching panel. No stone is left unturned in teaching our umpires the proper way to umpires.

My challenge to you is — put something back into football after all the enjoyment it has given you.

It'll be a sad day “IF” A & B Grade go back to the one umpire system.

**Ron Lippold
President, V.A.F.U.A.**

Looking Back by Noel Rundle

5 YEARS AGO — 1982

Goal umpire **Ralph Bridges** waved the flags for his 350th V.A.F.A. game. **De La Salle's** strong second half dominated by their small brigade, saw **North Old Boys** defeated 15.13 to 10.17.

Best were **Maher** (4 goals), **Williams, McDonnell, Bourke Frenetic, Greene** (De La Salle) and **Walsh, Griffin, O'Rourke, Clark, Conti, Ryan** (North Old Boys).

North Old Boys went on to annihilate **Marcellin** in the preliminary final, leading 14.9 to 1.6 at half time, with final scores 19.16 to 8.12. Stars were **Griffin, S. Weir, Borcich, O'Rourke** (North Old Boys) and **Cain, Ebert, Howard** (Marcellin).

In 'C' **Old Camberwell** took out the flag when they repeated their semi-final win against **Coburg** to win just as convincingly 17.20 to 11.7 with the best players, **Rogers, Hackett, D. Steven** (Old Camberwell) and **Purcell, N. McAuliffe, Peck** (Coburg).

Parkside beat **St. Pius** for the third time to win 'D' premiership. **B. Clark, Arnold, Heaver, Bastow** (8 goals) would go down in **Parkside's** history as the grand final stars.

Traditional rivals **Therry** and **Banyule** staged a typical encounter for the E Section flag - a close game all day, the lead changing frequently, and **Therry** proving too strong in the final term kicking 5.4 to 2.1 to triumph 16.6 to 14.10. Best were **White, Whyley, McMahan, Weir, Biddlestone, Chetecuti** (Therry) and **Ladd, Taylor, Power, Fraumano, Foster, McKenzie** (Banyule).

The match was obviously very fiery - 5 **Banyule** players were reported and suspended for a total of 24 weeks while two **Therry** players were reported for one week's suspension.

In the closest grand final **Bulleen United** beat **Peninsula Old Boys** by 7 points, 14.18 (10.2) to 13.17 (9.5). **Morley, Viney, Anderson** (Bulleen United) and **Wiltshire, Doyle, Horne** (Peninsula Old Boys) starred. Junior premiers were **Bulleen Templestowe, Ivanhoe** and **Fawkner**.

10 YEARS AGO — 1977

De La Salle staged a real form reversal to annihilate **St. Bernard's O.C.** and go into the grand final against **North Old Boys**.

In 'B' Section, **Ivanhoe** scraped home by one point from **Reservoir Old Boys** in a see-saw game in which the teams were never more than 10 points apart. **Fawkner** proved their supremacy for the season in 'C' with a 29 point win over **Parkside** in a high scoring game, 20.21 to 17.10. Best were **Richardson, Quinell, Foley** (Fawkner) and **Howell, Felle, Wilson** (Parkside).

Other grand final winners were 'D' **Old Brighton** 24.13 to **Alphington** 14.11, 'E' **Heatherton** 17.13 to **West Brunswick** 8.16, 'F' **St. Bede's O.C.** 12.16 to **Bulleen Templestowe** 12.14, Junior 1, **St. Bernards** 20.13 to **Ivanhoe** 12.16 and Junior 2 **Hampton Rovers** 20.16 to **Geelong** 18.17.

The Association bid farewell to **George McTaggart**, editor of the Amateur Footballer for close on 30 years, who was retiring from the Titles Office in October to go overseas with his family for two years. (He came back better and bigger than ever, N.R.)

15 YEARS AGO — 1972

Parade's shocking inaccuracy, 3.14 to half time against **Caulfield Grammarians** 6.7 almost cost them the game which really went their way when they kicked four goals in as many minutes in the third term to go on to an easy victory.

A great performance by **Parade** who had won the 'B' Section premiership in 1971 and would now meet 1971 'A' Section premiers, **Ormond** in the grand final. In 'B' Section **University Blacks** contributed to their defeat with poor shooting 11.22 while **Ivanhoe** kicked 18.10 to earn the right to meet **Geelong** in the 'B' Section grand final.

Ireland, Hughes, Dickson (Ivanhoe) and **Balter, MacCallum, A. Costello** (Blacks) were best.

Reservoir shocked **Assumption** with 10.4 to 1.1 in the second quarter to go on and win the 'C' Section premiership and retain their unbeaten record.

Devlin, Bates, R. Shepherd (Reservoir) and **Lewis, Duro, Phillips** (Assumption) were best.

Parkside with a 1 point win over **Old Brighton** gained the 'D' Section premiership, **Ridd, Sammut, Graham, Dryden** (Parkside) and **Watkins, Mullett, Templeton** (Old Brighton) were best.

20 YEARS AGO — 1967

Caulfield Grammarians (14.12) defeated **Melbourne High** (12.14) to enter the grand final against **Old Paradians**. Best for **Caulfield Grammarians** were **Ward, P. Hore, Pyman, Baker, Vorrath, Williams** and for **M.H.S. Fairbank, Nelson, Turnbull, Needham, Harley, Gilbert**.

North Old Boys (11.7) kicked 6.4 to 0.1 in the last quarter against **Ormond** (7.10) to play **University Blues** in the 'B' Section Grand Final and enter 'A' Section in 1968.

Grand Final results in other sections were as follows. 'C' Section: **Alphington** 9.18 best **Boyle, Harris, Scott** defeated **Monash University** 6.17 best **Windust, McMaster, Rogers**.

'D' Section: **St. Pat's O.C.** 12.7 best **Sullivan, Ball, Fry** defeated **Hampton Rovers** 9.13 best **Stroud, Mackenzie, Rorey**.

'E' Section: **Assumption O.C.** 14.18 best **Heath, O'Keefe, Beaumont** defeated **Tooronga-Malvern** 8.9 best **Graham, Bean, Anderson**. Congratulations were due to **North Old Boys** — they had gone from 'E' Section to 'A' Section in a minimum time, progressing one section each year.

30 YEARS AGO — 1952

University Blues 16.9 easily beat **Commonwealth Bank** 11.9 and won the right to meet **Ormond** (who they defeated in second semi) in the Grand Final. The

finals system in use gave the team which finished on top by a clear game the right to challenge). **M.H.S.O.B.** repeated its final defeat of **Ivanhoe** and won a close game, 6.11 to 5.7 to take the 'B' Section premiership. **Elsternwick** 9.9. (63) defeated the inaccurate **East Malvern** 7.13 (55) to win the 'C' Section Final. **Old Scotch**, 7 goals down at three-quarter-time, came home with the wind at Brighton Beach Oval and kicked 8.4 in the last quarter to one point and defeated **Ormond** by 9 points to take the Junior premiership.

National Mutual News Profile Andreas Hyde and Gavin Wright

ANDREAS HYDE

Andy is the officially appointed National Mutual Agent to look after the financial planning needs of all the people associated with the MHSOB, Bulleen/Templestowe and Bulleen United Clubs.

A former policeman, Andy has been in the insurance industry for three years. He has completed two certificate courses run by the Life Underwriters Association, achieving honours in both years. Andy is also a Licensed Dealers Representative, enabling him to discuss all aspects of investment planning.

He has been working with other sporting clubs, assisting them with their insurances and he is looking forward to providing similar assistance to his sponsored VAFA clubs.

Andy can be contacted at National Mutual's Heidelberg Office on 458 4011 or at home on 754 6201.

GAVIN WRIGHT

A lover of football, Gavin Wright will feel at home amongst the players, officials and supporters of the Old Camberwell Grammarians, University Blacks and Powerhouse Clubs now he has been officially appointed as their National Mutual Agent.

Although he admits playing football was not one of his fortes, he says he spent a little time down at Old Camberwell in the mid seventies. Swimming, squash and running keeps him reasonably fit these days.

A former state primary teacher, Gavin is a recent addition to the insurance industry and has had a remarkable beginning which isn't surprising when he places such importance on developing a trusting relationship with his clients.

Gavin is based at National Mutual's City Central Division in Market Street and he can be contacted on 618 4219 business or 370 3989 after hours.

**Your lump sum payout
ought to be earning super-
high interest.**

If you've recently invested,
or are about to invest, your lump
sum superannuation payout
in a low interest return fund, we
suggest you think again.

For information on how to
move your money into our high
return Super Guard Portfolio,
contact your local National
Mutual agent now.
