The successful candidates will receive support to achieve their individual and club coaching goals through certification and ongoing development.

The successful candidates will possess the following skills and attributes:

- a strong knowledge of the game
- the ability to develop players' skills and fitness
- the ability to implement a cohesive game plan
- strong communication skills on and off the field
- demonstrated leadership capabilities

If you would like to join a progressive club that's on the up, please contact the president Beth Cook at westbrunswick@gmail.com to submit your CV and expression of interest, or to make any enquiries. All applications should be submitted by COB Friday the 30th of November.
