Division 2 Men's Senior Coach

The West Brunswick Amateur Football Club is seeking expressions of interest for the Men's senior coaching position for season 2022 and beyond.

West Brunswick Amateur Football Club competes in the Victorian Amateur Football Association. In 2021 WBAFC fielded three men's and three women's football teams. The playing list at WBAFC is strong, and boasts a lot of depth across all grades, as illustrated by the club's on-field success in 2021.

At West Brunswick, we espouse a 'one club' culture, and are looking for a coach who is committed to working with the club committee, and all men's and women's coaches to promote a positive and unified club. The successful candidates will receive support to achieve their individual and club coaching goals through certification and ongoing development.

The successful candidate will possess the following skills and attributes:

- the ability to implement a cohesive game plan
- strong communication skills on and off the field
- demonstrated leadership capabilities
- a strong knowledge of the game
- the ability to develop players' skills and fitness

The successful candidate must have, or be willing to obtain, a current Level 1 AFL coaching accreditation. WBAFC will fund the level 1 accreditation for the successful applicant if necessary.

The primary duties of the senior coach:

- Coaching: on match days and at trainings beginning in pre-season
- Team selection
- Player development
- Strategy: work closely with the coaching team to implement a consistent club strategy and game plan
- Promotion of the club's culture and values

If you would like to join a progressive club that's on the up, please email a cover letter and resume outlining your suitability for the role to president Beth Cook at westbrunswick@gmail.com. Applications should include relevant coaching experience and references. Please direct all enquiries to westbrunswick@gmail.com also.

All applications should be submitted by COB Monday the 18th of October.
