Women's Finals Kick-Off

Jason Reddick -
CEO

This weekend marks 12 months since VFA football was last played in 2021. For our women's competitions, one team had secured a Grand Final berth, and two teams were ready to battle out the Preliminary Final before the season was ultimately cancelled.

That didn't impact Fitzroy, who were knocked out in the first week of the Premier B Women's finals in 2021. Yet the women from Brunswick Street Oval have qualified on top of the Premier B Women's ladder in 2022 and will take on Old Brighton with confidence in the second semi-final to be played at Coburg City Oval this weekend.

In Premier C Women's, last season was abandoned with St Bedes/Mentone Tigers preparing for a Preliminary final contest. This year they have gone undefeated, winning all 14 home and away games and creating a new record in conceding the lowest points against in a single season (96) at an average of only 6.8 points per game. On the scoring front, the Tigers have been led brilliantly by Madi Wilson, the leading goalkicker for the Premier C competition with 26 goals for the season. No doubt they will be red hot favourites for their semi-final against Parkdale Vultures.

Last year in Division 1 Women's, Beaumaris were also awaiting a Preliminary final contest when the season was abandoned. In 2022, they have responded in exactly the same fashion as St Bedes/Mentone, putting together an undefeated home and away season and going into this week's semi-final at home against Old Haileybury as hot favourites.

In Division 2 Women's, Hampton Rovers had qualified

for the 2021 Grand Final and were waiting to see who their opponents would be. Fast forward a season, and the Rovers have put together another undefeated season. In fact, they are on a 23 game winning streak, with their last loss coming in the 2019 Grand Final at the hands of Preston Bullants. Hampton will assume home ground advantage as they host Albert Park in this weekend's semi-final.

We should
celebrate the fact
that we are having
a finals series
this year and
wish all teams the
best of luck.

In Division 3 Women's, the MCC have also turned in an undefeated season in 2022, after being left high and dry in a Preliminary Final position in Division 4 in 2021. MCC will take on second placed Bulleen Templestowe, whom they only overcame by 1 point when the two teams met in Round 4 this year, so this final looms as a cracking game.

And in amongst all the ladder leaders mentioned above there are only two teams that can actually go on to claim the title of "back-to-back premiers".

In Premier B Women's, Old Scotch (who finished the 2022 season in 4th place) are the reigning 2019 Division 1 Flag holders. Whilst in Division 1 Women's, Therry Penola (who also finished this season in 4th position) are the reigning 2019 Division 2 Premiers.

We should celebrate the fact that we are having a finals series this year and wish all teams the best of luck.

As always, I hope everyone continues to Enjoy the Footy!

Are we set for a weekend of 'classic 8-point games' or will recent history continue?

While I love nothing more than looking at the head-to-head battles across William Buck Premier. The grumpiest man in the competition Brian Waldron loves nothing more than using the phrase "classic 8-point game" which to me is a complete fallacy. Every game will only ever be worth 4-points. This week I'm attempting to find common ground with my smiling-grumpy colleague in an aim to meet in the middle.

Last week our old friend was boasting about getting 5/5, and he would have been accurate. Had St Bernard's not beaten Caulfield, had Old Xaverians not thrashed Old Scotch and had the Old Melburnians not run out of time against University Blues.

So while he goes for "feel" I'll use my VAFA Champion Data style calculator to assist the rest of us as we look ahead to a massive Round 14.

Out at Camberwell Sports Park, **Old Scotch** won't find themselves in an easy contest against **St Bernard's**. The Cardinals were stunned in the opening 30 minutes against Collegians in Round 13 and chased the tail of the Lions for the rest of the afternoon. Getting to within 19 points during the final quarter, but never able to cause a significant dent in the momentum of the purple army.

If they're fortunate enough to keep Doug Lawrence from the VFL, if they're bringing back Aiden Franetic and Tom Ansell holds out Zac O'Halloran in the ruck, that will go a long way in itself to winning this game. St Bernard's last weekend ended a run of nine consecutive losses, finally there's something to smile about from the boys of Essendon. Accuracy in front of goal certainly helped, for just the second time this year they were able to kick 10 goals for the game.

Despite Waldron being very complimentary towards the Cardinals last week, he has forecast this to be a 'danger game' given their spot on the ladder. If they're to completely close the door on relegation discussions, and St Bernard's hopes of getting out of the bottom two, they can't afford to be off their game.

Old Scotch have won the last 4 meetings against St Bernard's. History is set to continue on the trajectory this weekend. Save the line of the 'classic 8-point game for next time.

Old Xaverians did to Old Brighton what St Kevin's did to them before the double bye. Set up the victory in the first quarter. And, don't let up from there. What a day to be aligned with Xav's, an opening term blitz. Followed by a final quarter trouncing.

Sometimes you get moments within a game, and games within a season when it all just clicks. This could be that moment for the red and black mafia. No surprise again, Xavier Richards plays and kicks another four goals. Seven games this year, 28 goals. He hasn't stepped off his 4-goal average since his debut in 2021 with the club.

Apart from moments in the third quarter for the Tonners, there was little to no reprieve or let up from the travelling side. Hellbent on keeping in touch with the top three, while keeping this weekend's opponent at bay. The club, so impressed with the performance, moved to lock away senior coach James Byrne earlier this week for season 2023 and 2024.

Collegians (this weekend's opponent) started just as emphatically as Xav's and are certainly in a better position this time around to contend with the A-Grade rivals. 5-wins on the trot from the boys of Harry Trot. Dave Mirra (27 goals for the year), Ed Greene (24 goals) will be a challenge for the defence of Xavier.

At home, I can't wait to watch Sam Hibbins, Kenny Ong do battle with Marcus Stavrou and Dan Robinson. Nor will I be able to take my eyes off Matt Warren vs. Xavier Richards up forward.

The number #1 ranked side of the last five rounds, against the side that announced themselves last weekend. History is on the side of Old Xaverians having won the past three encounters, but this moment trumps the history card and falls the way of the classic 8-point game. The winner is outright fourth with a month to play.

Old Brighton have won the last 3 against **Old Trinity**. The T's are hanging perilously to eighth spot on the table. Prior to last weekend they had a 2-game gap on University Blues and St Bernard's, it's now just one. And, should results fall the way of both those sides, the lowly percentage the green and gold have will really hurt them come 5pm Saturday.

It may be the least opportune time to run into Old Brighton. Despite the last five games going loss, win, loss, win, loss. You have to go back to Round one and Round two of season 2019 the last time they dropped back-to-back games. Greg Hutchison, and the 22 selected won't allow what happened on Saturday against Old Xavier to happen again.

Similar to Xav's at Brighton, and Collegians in Camberwell. Old Trinity were jumped by St Kevin's in the opening term, and trailed by 21 points. The positive for the T's from beyond quarter time, on the scoreboard, they finished 21 points behind at the end of the game. Staying the final three quarters with the ladder leaders. Myles Scott is proving to be a danger forward for them with goals in three of his last 4 matches.

History favours Old Brighton every way you look at it. Statistically it also falls in their favour. And it's tough to see how Old Trinity can overcome them this weekend.

The RSN Carnival Match of the Day is headed out to Glen Huntly Oval. **Old Melburnians** have won the last 4 over **Caulfield Grammarians**. I can't see for a moment Paul Satterley leaving the door slightly open at all for the Fields this week after having the game taken away from them in the final term last weekend.

Earlier this year Caulfield were in the box seat to bury OM's had it not been for inaccuracy in front of goal at Elsternwick Park. This Saturday, at home. Julian Dobosz has a real opportunity with a slightly weakened OM's defence to get up the ground and send home long-range bombs.

In the last three losses Caulfield has experienced, they've averaged 54 points for. While conceding an average of 74 points in those games. While I can't see Satts leaving the door open, I am very excited to see the Fields midfield face off with the OM's brigade. Declain Reilly, up against Nick De Steiger is where it will all start.

History is on the side of OM's in the head-to-head battle, they'd like history to repeat itself this weekend to stay in touch with the top two sides. Caulfield, need to buck the history trend to eliminate discussion of them in the relegation zone.

After not meeting in 2021, the two most recent Premiers.

University Blues and **St Kevin's** will face off at Melbourne Uni. Earlier this year, Guy Martyn's return to T H King looked favourable as Sam Grimley produced a power forwards day for the ages with eight goals. Unfortunately for the Blues, the dominance of St Kevin's came to the fore as they ran over the top of them in the final quarter.

The head-to-head battle has the ledger squared at 2-all in the previous four meetings. The Grand Final of 2019 is too far gone, and counts for nothing this Saturday. The teams, and coaching staff of both sides are completely different.

The trajectory these teams are now on, are completely different. A St Kevin's win almost certainly gives them a lock for top two given Old Scotch (6th), Caulfield (7th), and St Bernard's (10th) are to come in three of their final four matches. If Uni Blues can win at home (for the first time since round 8) and Old Trinity lose, it gets them out of the bottom two and sets up a big round 15 where they'll face the T's at Melbourne Uni to extend out of the relegation zone.

Even though they had to come from behind to win it, and a stroke of good fortune. The messaging from Uni Blues during this week is there was a glint in the eye heading into the game after being flatted the week before.

They can't play off this September from where they're at, but they can certainly shape who does play off in September and the finishing order of the top four. On the ladder itself, it all points to St Kevin's, once the balls bounced, it's a toss of the coin.

History from the last time they met, has me leaning towards St Kevin's.

If Brian Waldron is still reading at this point of the piece, well done Wally. I'm sure I'll hear all about it next week.

In terms of what's to come, it's really anyone's guess. The best part about the history this weekend, is that no matter which way you look at it, we are guaranteed games next weekend because this time 12-months ago in history, they shut the gates on our season and sent us back home to twiddle our thumbs.

Who will fill the final spots on the podium in Premier B Men's?

It was survival of the fittest this week with a dreary day around the grounds providing some less-than-ideal conditions. Beaumaris pulled off another stellar win, defeating AJAX by 89-points, meanwhile St Bedes/Mentone Tigers got to work against Old Carey in their 36-point victory. The Uni Blacks have their season well and truly back on track, overcoming Fitzroy by 28 points and De La Salle brought the heat, beating Old Haileybury by 9 points. The tight race for third place is on as Old Haileybury, Fitzroy and AJAX all sit on 24 points. All eyes will be watching closely to see who nabs themselves a finals position.

Beaumaris reminded us all of their strength this week, as they were crowned victorious over **AJAX**. Beauy's might around the ground was highlighted though Sam Gibbins and Damien Johns as their hard work had The Sharks in front by 18 points at quarter time. Matthew Petering and Joel Cusack's forward line intensity were essential to Beauy's success with the pair kicking 3 and 2 respectively. Elliot Debinski's pressure off The Jacker's half backline troubled The Sharks coupled with consistent second and third spoil attempts from Adam Caplan. This contributed to inaccuracy in front of goal with Beaumaris kicking 12 points in the back end of the game. Ultimately, it was The Sharks that controlled this game, recording a final score of 17.22-124 to AJAX 5.5-35. Beauy have solidified their position as a force to be reckoned with this season, as no bottom sides are yet to come close to The Sharks. Suring up to finals, if any of the third-place contenders are to snatch the crown, they'll have to go through Beaumaris first. Beauy certainly have momentum on their side as they face Williamstown in round 14. With back-to-back home games for AJAX, they must continue their hard work, especially against the Uni Blacks next week. With their finals hopes still alive, The Jackers can't take their foot off the gas just yet.

St Bedes/Mentone Tigers return home with the four points, defeating **Old Carey** by 36-points at the Carey Sports Complex. The light at the end of the tunnel is beginning to shine for the Tigers after a tough couple of weeks have finally resulted in some wins on the board. Christopher Mangoni's persistence over the past few rounds was clear this weekend as his hard work and leadership were pivotal in this victory. Brayden O'Toole played his role in front of goal recording 4 goals as did Lachlan Willey with his 3. With Old Carey's future now heading in the Premier C direction, The Panthers can work to unite their playing group for the last few rounds and end the year with some positive learnings. SBMT currently sit on 20 points, just shy of playing finals. Could they join the race for the top four? An all-important game against The Roys at Brunswick Street Oval could determine their September plans. No reprieve for Old Carey in round 14 as they face finals hopefuls in Old Haileybury

Melbourne University Oval hosted the battle between the **Uni Blacks** and **Fitzroy**, with the Blackers coming out on top. The Roys remained competitive with the Blackers for most of the day, trailing by 4 points at the quarter-time siren. Jack Mckay worked tirelessly through the middle with support from Donovan Toohey.

Rhys Seakins and Nathan Ligris worked hard all day to keep the Uni Blacks at bay, spoiling a number of crucial forward line entries. The composure of Henry Bennett and Bede Mahon ultimately saw the Uni Blacks keep control of the game's momentum, with Nicholas Caris and Angus Mckinna, both securing themselves 2 goals each. With a final score of 8.15-63 to Fitzroy's 5.5-35, the Blackers have officially rebuilt their winning streak. In the week to come, the Uni Blacks are up against AJAX down at Gary Smorgon Oval while The Roys are presented with a make-or-break opportunity to keep their spot in the four as they look forward to St Bedes/Mentone.

De La Salle got to work this week, proving too strong for **Old Haileybury**. De La had their eyes firmly on the prize in their battle against The Bloods, determined to secure themselves another four points on the board. Ryan O'Meara's grit down back earned him a spot among De La's best as did Sean Fisher, disrupting The Blood's forward line momentum time and time again. This perseverance coupled with run and carry from Hugh Nicholson had De La in front by 38 points heading into the halftime break. Old Haileybury weren't going down without a fight as Rayner Seccull and Lachlan Treverton demanded the ball at each stoppage. A huge 5 goals from Durras Seccull kept the Bloods well in truly in this game, evening up the margin to 12 points. Despite this, Old Haileybury couldn't quite snatch the lead, with the final siren awarding De La the victory by 9 points. Although they currently sit third, Old Haileybury have conceded some crucial points this year, going down to both SMBT and De La. Could these losses disrupt The Bloods finals campaign? Next week is likely to aid their mission as they head home to face Old Carey. De La Salle can enjoy their victory for another week as it is their turn for the bye in round 14.

Parkdale snatch victory as Monash go outright top

Parkdale Vultures snatched an incredible one-point victory over Old Geelong with the last kick of the day, while Monash Blues recorded a big win over Marcellin to go outright top, with Hampton Rovers having the bye. Here's what took place in round 16 of Premier C Men's.

Old Ivanhoe kept hold of fifth spot with a reasonably comfortable victory at **Ormond**. The win was set up through a six goal to one first quarter, a margin that was to remain constant throughout the afternoon as the locals could not get any sort of foothold into the match. To their credit, Ormond were able to share the spoils for the last three quarters, with the two sides kicking nine goals each, but the damage had been done. Old Ivanhoe rode on the backs of Matthew Vacirca (four goals), and Michael Mitris and Daniel Stanford (three each), but it was Jacob Agrotis that did most to set the machine in motion. The consistent Zach Benson and Henry Simon were pivotal in keeping Ormond in the game, with Benson, Sam Mason and Matt Oaten registering two goals each.

Monash Blues took full advantage of Hampton Rovers' bye week to take sole ownership of the top of the table. **Marcellin** shared the first quarter's six goals equally with their highly credentialled opponents, but that was as good as it got for the Eagles as the Blues kept them to one goal in each of the final three stanzas. In the meantime Monash were able to streak away themselves, increasing their margin at every change and finishing with a six-goal flurry that blew the margin out to its final 71-point resting place. With the big end-of-season matches looming large, the Monash faithful will be well pleased with the machine ticking over just nicely. Nick Darling took his season goals tally to 45 with another haul of five, while Daniel Easson and James Flett dominated on the day. Jackson Tierney and Adam Tomaro worked hard for Marcellin, who had six individual goalkickers.

Old Mentonians looked second best to fourth-placed **Mazenod** for the bulk of the day at Keysborough, but the locals came home like steam trains to finish just short of the points. The home side looked as though they had left their boots in the dressing room, remaining goalless in the first term as Mazenod took a 20-point advantage to the first change, but the game sprang to life in the second term. Old Mentonians' five majors were more than matched by Mazenod's seven, and an even third quarter meant that the game looked all over bar the shouting at three-quarter time as the Nodders led by 25. Nobody told Simon Cormie's Panthers that the game was done however, as they laid siege to the goal, kicking five for the last quarter with only one miss. At the other end Mazenod could not buy a goal, but the one that they did kick was enough to get them across the line by four points. Jack Caspersz had another good day in front of goal for Mazenod with four majors, while Damian Byrne and Mitchel D'Angelo were their best. Darcy Brown did his best to lift Old Mentonians to victory with three goals, with Alex Cross and Jai Florent prominent.

UHS-VU reversed their opening round defeat to the **Preston Bullants** to register their third win in as many outings at a cold, wet Princes Park. A tight affair in the first term saw a solitary goal each before the Uni took control in the second quarter. It was a game of inaccuracy as seventeen behinds combined were registered in the first half, but UHS-VU's four goals to one gave them a lead that could not be curtailed for the afternoon. Preston stuck at their task manfully, but could only go goal-for-goal with UHS-VU for the second half, reducing the half time margin by but a single point as UHS-VU ran out four-goal winners. Brandon Jackson kicked three goals and Pat Wernert two for the University, with Ben Dimattina best afield. Conor Howard kicked two goals for Preston, with Nathan Parkes and Alex Johnston working hard for the Bullants' cause.

Arguably the match of the round, and one of the best encounters of the season, took place at Como Park as **Old Geelong** hosted the **Parkdale Vultures** in a good old-fashioned slog which literally came down to the final kick. Old Geelong had the best of the territory in the first quarter but could only manage four points to trail at quarter time to Parkdale's single goal. Parkdale continued to kick straight in the second term, their five first half goals coming without blemish as Old Geelong came into the sheds a goal down. The trend continued in the final quarter as conditions worsened, Parkdale kicking two goals to one to extend the margin to eleven points turning for home. Old Geelong had all the play in the last quarter, but could only kick 1.6. With scores level a scrubby behind was registered to give Parkdale the lead, and before the goal umpire could finish waving the flags the siren rang through the air, delivering the Vultures four precious points with it. Sam Hart's three goals were instrumental in Parkdale's win, with Charlie Yee and Harry Kilfoyle prominent. Chris Hatzis kicked two goals for Old Geelong, with Tim Breamore and William Loone best.

400 Games for up for Damien Cleary

There's a significant milestone Friday night, with Damien Cleary running out for his 400th game for the Ormond Amateur Football Club. 'Pistons' began playing for Ormond in 1995, and since that time has played 39 Senior games, 190 Reserves games and 170 Thirds games. Along the way he has enjoyed team and individual success: a Reserves premiership in 1998; and Reserves B&Fs in 1996 and 1999.

His contribution to Ormond off-field is just as outstanding as the on-field milestone: a Committee member since 2004, including 3 years as Secretary (2011-2013) and the balance as Assistant Secretary & Registrar; occasional Club field umpire, boundary umpire and goal umpire when the need has arisen to fill a gap; raffle ticket seller on Thursday nights and Senior home games 1998-2001 & 2003-present for an estimated \$50,000 in ticket sales; and current Secretary of the OAFc' Life Members Association.

Pistons' service to the Club has been recognised on many occasions, including Life Membership (2005); Club Person of the Year (2017); and VAFA Certificate of Merit (2019). The 400 game milestone becomes the current Ormond AFC games record, a record that has been re-set for each match Pistons has played since breaking the previous record of 366 games in Round 3 2019. Congratulations Pistons on reaching this milestone!

Five years on from inaugural VAFA Women's Premiership

Marcellin last week held their five-year Premiership reunion for their women's team. It's a significant one, being the VAFA's first Women's Premier Section Premiership back in 2017.

They were 1 point up at three-quarter time & won by 7 points over SKOB Saints at Elsternwick Park. SKOB, who finished top of the ladder after the home & away season, were the favourites going into the Grand Final. But it was Marcellin who claimed the flag from 3rd on the ladder.

Tom Stafford was the head coach and went on to be VAFA Women's Big V coach and was Carlton's VFLW head coach this year.

The 2022 VAFA Women's finals kick-off this weekend, with 15 Women's Semi-Finals to be played across Saturday and Sunday.

Masala Ladies High Tea

Masala held a Ladies High Tea last weekend to announce it was aiming to start a women's team in 2023. Shona McLInnes was a guest speaker and spoke about the history of the VAFA women's competition and projections for the future.

Greater Dandenong Deputy Mayor Cr Eden Foster spoke about the importance to the community of Masala and other sporting clubs in the region.

The day was organised by Steph (pictured left) and Stella (right). Stella recently married Club President Matt Decarne and her mother made ALL the food, which was an amazing spread!

Anytime Fitness Women's Rising Star Nominee

Hannah Lee (Old Trinity)

The VAFA Congratulates Hannah Lee of Old Trinity who has been nominated as this weeks Anytime Fitness Rising Star nominee after her 2-goal best on ground performance in the T's final game of the season.

What the club said:

Hannah came to Old Trinity in 2021 having only previously only played football in the GSV for Trinity's sister school Ruyton Girls' School. Through sheer hard work in 2022 she has taken her game to another level. Playing every game when available, becoming a real cornerstone of our midfield.

Hannah's biggest asset as was seen on the weekend, is to lift when her team needs a spark the most. During the second quarter through sheer will Hannah won a clearance, broke a tackle and kicked the teams first goal, before then calmly slotting a set shot and taking a mark running back with the flight. All season Hannah's will to improve, support her teammates and influence the result was immense, undisputedly she changed the course of the game on Saturday.

On behalf of Old Trinity as her proud coach, and from her prouder team mates we congratulate Hannah on this acknowledgement.

Men's Rising Star Nominee

Dan Tuddenham (Old Xaverians)

The VAFA congratulates Dan Tuddenham from Old Xaverians who has been nominated as the weekends Rising Star. Tuddenham was part of the Old Xaverians trouncing of Old Brighton in Round 13 kicking two goals and playing the role of half-forward to a tee.

What the club said:

Dan came to the Old Xavs straight out of Xavier College in 2021 and played with the Under 19 Premier team.

Through the pre-season it was quickly identified that he was capable of senior footy and his tenacious work ethic really shone through. Dan quickly forced his way into the seniors and has been a valuable contributor on the wing and in the forward 50.

Against Old Brighton on the weekend he was able to snag two crucial first half goals, one after chasing down a defender from behind. A natural finder of the footy and a great finisher, the Old Xavs community is excited to watch 'Tuddy' run around for years to come!

Follow the leader in Division One

As we embark on the final four rounds of the Division 1 Men's season, Old Camberwell and Prahran Assumption continue to make a case for a top four finish. Both teams were victorious last weekend in close games with every game now holding a wealth of importance.

Old Camberwell will this weekend face Oakleigh who currently sit fourth on the ladder. It's tipped to be one of the games of the round with both sides fighting to edge clear into the top four. Oakleigh were pipped in an absolute nail-biter last weekend against Prahran Assumption with only three points splitting the two sides as the final siren sounded. Old Camberwell found themselves on the winners list last round against Glen Eira. Their 10-point victory was led by James Allen and Andrew Parker, both standout performers with each kicking two goals. If last weekend is anything to go by than this Saturday's clash between fourth and fifth will be another fierce and uncompromising contest.

Meanwhile Prahran Assumption will play St Mary's Salesian out at Toorak Park. A win for Assumption will see them continue in the race for finals and will tighten things up for teams fighting for fourth spot. That fight currently see's them up against Oakleigh and Old Camberwell who play each other. On the other side of the equation the winless St Mary's are still searching for that elusive victory in season 2022. It's been a tough year for St Mary's, but can they find the strength to possibly cause an upset in the final four rounds? A win for St Mary's this weekend would derail the finals hopes of Prahran Assumption.

Ladder leaders PEGS will travel out to Whitefriars College on Saturday with the hope of sustaining their dominance on the competition. PEGS have dropped just one game in season 2022 which came in round seven and since then have won their past eight matches. Jack Fenner and Riley Simmons were again outstanding last weekend with Fenner booting four goals and Simmons with five majors in a best on ground performance. Will Whitefriars however, be able to knock off the standout team in 2022 come Saturday?

Round 15 will see Old Peninsula face Therry Penola. Old Peninsula currently sit ninth on the division one ladder on level points with Whitefriars. Both teams will be fighting relegation in the final four rounds and a win to Old Peninsula would see them on equal points with Therry Penola. Both sides have come off the back of tough losses last round and will be looking to bounce back to stay out of the bottom two. Last time these two sides met, it was Old Peninsula who claimed bragging rights with a huge 103-point win but since then Therry Penola have shown they can be a competitive side. With both teams having similar form lines this season, it makes for a fascinating clash.

The final match of the round heads to Packer Park where Glen Eira (third) will go head-to-head with Kew (second). These two sides last met in round 9 with the margin at each break being no less than four points. Kew came away with a two-point win, but their last clash suggests that this will again be another tight tussle. Kew will be looking to jump PEGS for top spot on the ladder with both teams sitting on 12 wins. The Glen Eira attack will be spear-headed by Jack Carey and Alex Erwin-Ross who have been vital performers for the Gryphons this season.

Round 15 is set to be tight and unpredictable with each game having impacts on the ladder at both ends and it certainly sets up for plenty of exciting matches.

Cheering like the Power of Old

Power House had their first win at home in 1,099 on Saturday afternoon. The club was in store for a massive day set up by the Reserves winning in the morning. Also, celebrating the 1970 and 1971 Premiership teams, culminating in a four point heart stopper over **Manningham Cobras** to climb off the bottom of the ladder.

Trailing by 24 points at quarter time, Power House lifted during the second and third term before kicking the only goal of the final quarter to claim victory.

Ben Circosta kicked a goal and capped off the day with a best on ground performance. Along with Joseph Halloran in the best.

The Cobras will see this as one that got away from them, while for Power House, do they dare to dream about catching Yarra Old Grammarians in 8th spot and getting out of the relegation zone?

The biggest challenge in D2 football comes for them this weekend, facing the ladder leaders **Ivanhoe AFC** who are looking at a baker's dozen of consecutive wins.

Challenged to a shootout in the first quarter by **Old Paradians**, the second term became a lockdown style of game with no additional goals kicked. A barnstorming second half followed as the Hoers slammed home 11 goals to one to claim a 72 point victory.

Ash Close has gone past the half-century of goals, he kicked nine in a power forward display, supported by Billy Drake who added another three to his tally for the season. Anthony Cafari for Old Paradians added another four goals to his name.

Wayne Schultz and Scott Selwood were at their best. It's tough to see who the challengers will be to them as this season continues, such is the way they're dismantling opposition sides.

Old Paradians can get themselves back on the winners list when they travel out to Ted Ajani Reserve to face **Bulleen Templestowe** on Saturday and stay ahead of **MHSOB** in fourth spot.

The Unicorns were challenged by the Ants for the opening three quarters of their contest before winning the final quarter by a goal and the game by 11 points. Lachie Dowling (3) led the way on the scoreboard while again Julian Eimutis was part of the brigade that got MHSOB over the line.

The Ants have now lost six of their past seven after a positive start to the season, with four games to go they'll be intending on turning the last month around and finishing the season the way they started.

Almost every week from here is a must-win for the Unicorns if they're to finish inside the top four and keep Old Paradians nervous. This weekend it's all about how they come out against Aquinas.

For **Aquinas**, they started well against **Brunswick** in the opening term, from there it was one-way traffic as the Wickers debuted their pride jumper over the weekend.

YARRA OLD GRAMMARIANS v. WEST BRUNSWICK

Round 14 - 23/07/2022

West Brunswick won by forfeit.

12 goals to four after quarter time was the tale of the tape with Aidan Pollock (4), Jasper Paevere (3), and Tom Wilson (3) all proving too much for the Aquinas defence as the afternoon went on.

Josh Robertson has kicked 3 goals in a match for the fourth time this year, a shining light for the club throughout the year.

A top two spot is still on the line for Brunswick as they keep close checking on West Brunswick, Round 15 pins them against Yarra Old Grammarians at Alec Gillon Oval.

West Brunswick set up their win in the first 30 minutes with 6.7.43 to 0.2.2 against **Yarra Old Grammarians**. 11 goals after quarter time to keep the pressure on the Bushrangers for the full four quarters resulted in a 64 point win.

Ben Hutchins and Max Risstrom shared the goals between them kicking a combined eight majors with Luke Buckler named the best player on the ground. They will face Manningham Cobras this weekend in what they will see as an opportunity to further cement their spot in the top two.

Animals back in the hunt, Wickers back on track

Four games remain for the home and away season, and it's still not set in stone for Division 3 Men's. Some premiership contenders have returned to winning form in round fourteen, while the ladder still remains tight.

It's been a tough 2022 for the Westbourne Grammarians who are still valiantly crawling to the end of the season, despite once again not being able to field a reserves side, while two top four sides have gotten back on the winner's list.

Eight individual goalkickers got **Canterbury** over the line by 52 points against **Richmond Central** at Kevin Bartlett Reserve. Two goalless quarters at the start and the end of the game allowed the Cobras to take the win as they jumped the Snakes in the first term, before quietly plugging away until the last, where they kicked five goals to seal it. For the away side, Thomas Lowden (3), John Nicolopoulos (3), and James Boarotto (3) all starred in front of goals, with the latter earning best on ground for his efforts. Dane Roy (2) was the only multiple-goalkicker for Richmond Central as Tait Forster took top honours.

Parkside have continued their winning streak with a fourth win in a row, this time over **North Brunswick** at Pitcher Park by 46 points. It was a Red Devils day for the better part, despite the relatively low scores, with the home side out of the blocks early before the Bulls fought their way back. One goal in the third and then a goalless final term to North Brunswick while their opponents kicked four was an apt final chapter. For Parkside, Shane Doherty kicked two goals and Lewis Balcombe two, while Michael Romano took top honours. Sam Willatt (2), Joseph Flynn, Kali Dawborn, and Gary Savage were North Brunswick's only goalkickers, but Harry Wilson was named their best player.

It's back on the winner's list for **Elsternwick**, who travelled to Rathmines Road Reserve to face **Hawthorn** and ultimately left the field 31-point winners. The contest was fairly even for most of the first half as the Wickers kept their noses just in front despite the Hawks rallying in the second term to get with in five points. But it wasn't enough, as the away side kept their opponents goalless in the third quarter before adding four of their own majors in the fourth. Elsternwick stalwart Justin Hunter returned to the lineup and kicked two, matching partner in crime Julian Yeatman (2), and Nicholas Lowrie (2), but it was Patrick Burnell was best on ground. For Hawthorn, Luke Piccolo (3) was their only multiple-goalscorer, and Eamonn Avery topped the best players list.

Emmaus St Leo's have kept the **Westbourne Grammarians** goalless to win by 151 points at Westbourne Grammar. It was a relatively tame start to the game compared to previous clashes, with the Animals taking a 24-point buffer into the first break before blowing it wide open to be well ahead at half time. The Warriors seemingly had no answers to the continued onslaught and were arguably lucky to not have lost by more given the away side's missed opportunities in front of goal. Jonathan Greensides (4), Matt Hill (3), Lawrence Virgo (3), and Riley Thompson (3) on debut were stellar in front of goal, while Hugh Schaeche's three goals were enough to earn him top honours in the winning team. Despite no goals on the board, Ben Stoios was the home side's best.

Ladder-leaders **South Melbourne Districts** return from their bye still on top, travelling to Bennettswood Reserve to face an Emmaus St Leo's side eager to get their hands back on the fourth position.

Elsternwick return home to Holmes Todd Oval and will welcome Richmond Central, who will be looking to get another win on the board after a loss in round fourteen.

It's 8th v 9th at Allard Park, with the Westbourne Grammarians taking on North Brunswick. Both teams suffered losses in their last games and will no doubt be looking at this match as redemption.

Canterbury have all but sewn up a top-3 spot as they welcome Hawthorn to Canterbury Sportsground. The Hawks will be rueing a missed opportunity in round fourteen and go into this game looking to rebound.

Parkside go into their second bye of the season in some good form.

Big wins, big impacts with four weeks left to play

Round 14 of Division 4 Men's opened up with **Masala** looking to secure a spot in the finals as they took on **Box Hill North**. With the rain starting to fall, the Tigers got a strong start over the Demons leading to a 5-goal to 1 first quarter. The Tigers would then double their lead after a 7 to 2 second half to go into the major break with a 57-point lead.

The second half saw the rainfall heavy as both teams struggled to make a major impact on the scoreboard in the third quarter with Masala kicking 4 goals whilst keeping the Demons goalless to extend their lead out to 82 points. The final quarter saw the Tigers add on another 4 goals whilst Box Hill kicked 1. In the end, it was Masala that took the win by 106 points after a dominant 4-quarter display.

The best for the Tigers were Declan Fowler, Dale Gibb and James Dekel. The best for the Demons were Peter Cassidy-Marsh, Sean Donovan and Beau Parthenides. Masala's leading goal kickers in their major win were Declan Fowler (10 goals), Karan Singh (2 goals), Anthony Dorrington (2 goals) and Brandon Kelly (2 goals). Goal kickers for the Dees included Eugene Charles (2 goals), Jordan Gasparini (1 goal) and Andrew Doxey (1 goal).

Masala will now look to continue their winning ways as they take on an always formidable Albert Park outfit. Box Hill North will look to rebound as they take on Eley Park in what will be a close match.

In the second match of the round, **Albert Park** took on **St John's** in a match that would shape the end of the season. St John's came out playing how they left off kicking 6 goals in the first quarter whilst only allowing one Falcons goal to take an early 27-point lead. The second term saw Albert Park hold a slight advantage winning the quarter 3 goals to 2 and narrowing the lead to 22 points with a half of football to play.

The third quarter was defensive and competitive with both teams adding on 2 goals resulting in The JOCs maintaining their 3 goal lead with 25 minutes of football left to play. The final quarter saw both teams fail to capitalise in front of goal with both teams only combining for 1 goal from 9 scoring shots. Despite that being a goal for the Falcons it wasn't enough to defeat the JOCs who left with a 17-point win and a guaranteed place in the finals whilst for the Falcons, all games are now must wins if they are to reach the top 4.

The best for the Falcons included Daniel Young, Sam Lee and William Marshall whilst the best for the JOCs were Jarrod Ely, Rohan Scott and Nicholas Terrill. Jack Lee was the major goal kicker for the Falcons with 4 goals whilst other contributors were Jack Amies (1 goal), Tyson Cattle (1 goal) and Brett Tottenham (1 goal). Nicholas Terrill kicked 4 goals for the JOCs with other goal kickers including Corey Ely (1 goal), Benjamin Ayache (1 goal) and Steven Sullivan (1 goal).

Albert will take on Masala in what is a must-win match for the Falcons. St John's will have the bye in round 15 before coming back to take on Swinburne in round 16

The final match of the round saw **La Trobe** take on **Eley Park** in what had the potential to be a real tale of division 4's 'David vs Goliath'. The Goliaths got off to the best start possible kicking 9 goals whilst keeping the Sharks goalless. The second quarter saw La Trobe bring that same energy adding on another 7 goals whilst Eley Park was able to find the goals only once leading to a 99-point La Trobe lead at halftime.

The third quarter saw Eley Park start to find their way after kicking 3 goals for the quarter however La Trobe still managed to control the game kicking 8 goals of their own to 131 points. The final quarters were all La Trobe's as they added on 7 final quarter goals whilst managing to keep Eley Park scoreless for the quarter. In the end, it was the Goliath's that won out in the end by a mammoth 178 points, the second biggest win of the season.

The best for La Trobe were Riley Alexander, Harrison Tanner and Matthew Ogle. The best for the Sharks were Shannon Blewitt, Ben Field and Luke Wakeling. La Trobe had 12 individual goal kickers with major contributors being Matthew Ogle (7 goals), Riley Alexander (5 goals), Joshua Rogerson (5 goals) and Tate Spiteri (4 goals). Eley Parks' goal kickers included Tom Johnston (2 goals), Daniel Smith (1 goal) and Christopher Roberts (1 goal).

La Trobe will now face Swinburne at home, a team that they defeated quite comfortably in their previous meeting but a team that has significantly improved. Eley Park will look to find their winning ways again as they take on Box Hill North at home.

Swinburne who had the bye will now take on the division's toughest in La Trobe away.

Top 4 vs Bottom 4 in the penultimate round of William Buck Premier Women's

With a fortnight of the home and away season to go in William Buck Premier Women's, the top four sides are set. The jostling for positions is still alive and well, and as we move into this week, the bottom four face the top four with a chance of feathers being ruffled high on the forecast.

It was a fast-paced game from the first bounce when **Old Xaverians** took on **West Brunswick** with both teams going hard and fast for the ball. With both teams in similar spots on the ladder it was an even contest with neither team able to get themselves clear ahead in the play. In the first quarter, the play was concentrated through the middle of the ground as there were lots of turnovers in this spot from the pressure coming from both teams. In the second quarter West Brunswick started to show some promising signs, getting an early goal to put the pressure on Old Xaverians. After more back and forth through the middle of the ground West Brunswick made great use of space and added another goal to give themselves a slight lead going into halftime. In the third quarter things tightened up again early on but Old Xaverians started to use the outside of the ground more as the quarter went on and were threatening to break open in attack. Old Xaverians continued to run with West Brunswick and scored themselves a much-needed goal to keep themselves right in the contest. West Brunswick showed strong determination to slow the momentum that Old Xaverians had been building across the quarter. In the last term Old Xaverians had most of the play early and were looking to slow down the game, controlling possession with short kicks. The change of pace worked in their favour as they got themselves a crucial goal to take the lead early on. West Brunswick struggled to get the ball out of their defensive half, as Old Xaverians had the middle of the ground locked down. Unable to get a score on the board after half time West Brunswick weren't able to get back the momentum and Old Xaverians came away with the victory.

The game between **Kew** and **Marcellin** got off to a slow start with both teams struggling to adapt to the muddy conditions. Marcellin took advantage of the conditions in their own way, by keeping the normally fast attacking Kew quiet for the first part of the game. After the first break Kew started to find their feet and began to show the

running and ball movement that has seen them only drop two games this season. The result in the change of pace for Kew was a three goal quarter, and backing that up at the other end of the ground they kept Marcellin scoreless for the entire first half. From here all Kew needed to do was maintain the lead that they had built and continue to keep Marcellin away from goals. As conditions worsened on the ground getting a score at all became difficult for both teams, with neither side hitting the scoreboard in the third term. The final term of the game followed the same pace as the first quarter with both teams fighting over the ball on the ground in the contest and neither side really getting a full run of play. Turnovers were common on both sides but it was the Kew defence who worked hard to keep the ball out of the Marcellin forward fifty. Kew as they have been able to all year found a way to break through again and hit the scoreboard, to come away with a 35 point win.

St Mary's Salesian started off the game strongly when they came up against **Caulfield Grammarians**. St Marys were showing strong signs in defence and pressuring Caulfield to make mistakes and turnover the ball. The pressure kept St Marys in the game early as they shared the possession with Caulfield and kept Caulfield away from goals. For all the ball that St Marys were able to get they struggled to get the ball past the defence of Caulfield and get into their forward fifty. As the play went on Caulfield started to break through and take advantage of the gaps that they could find in the St Marys defence. Caulfield were able to hit the scoreboard and took a handy lead into the main break. In the third quarter Caulfield had control for the majority of the term, the scoreboard didn't reflect this though as they missed opportunities and only scored points. They continued to work hard in defence and kept St Marys away from goals again. In the last quarter Caulfield were not letting up, they put the pressure up a notch in attack and added three goals to their tally and came away with a strong win. It was an impressive defensive display from Caulfield who only gave away one goal from a penalty. The important win also put Caulfield back in third spot on the ladder.

With third spot on the line **Melbourne Uni** had to give their all when they came up against top of the ladder **St Kevin's** on Sunday. The intensity was high from the first bounce with Melbourne Uni tackling hard and putting pressure on St Kevin's. This would be one of the rare times this season that St Kevin's didn't have full control of the game. To really get themselves some momentum it was Melbourne Uni who would score the only goal of the first quarter. Melbourne Uni didn't back down with the pressure in the second term continuing on where they left off with the tackles and effort from the first term. St Kevin's were trying to push through the gaps and eventually they found it and were able to kick the equaliser. Both teams began to tire heading into halftime with shorts kicks and intercept marks keeping either side from getting on the scoreboard again before the break. St Kevin's had most of the play early in the third but some desperate acts in the backline for Melbourne Uni kept St Kevin's away from the goals. Again, Melbourne Uni were able to link up and go end to end for a goal. This would give them a three-point lead heading into the final term, setting up for a thrilling finish. It would only be a few minutes and St Kevin's got a much-needed goal to swing the momentum back in their favour early. Melbourne Uni weren't giving up and continued to dig deep, saving a certain goal mid-way through the term. St Kevin's weren't done though and found some space after a mistake from the Melbourne Uni backline to get another goal and be in the position to get the win. Another goal for St Kevin's came in quick succession which was all they needed to secure their victory. Melbourne Uni continued to fight until the end but St Kevin's gave them no room to get near goals.
